AUTOMOBILES-ACCESSORIES 44 (Continued)

In buying a rebuilt Federal, you get as much value for your money as in any new truck you could buy. A re-built Federal means that it has been completely overhauled, every part crit-ically examined and, when necessary, replaced by a new one. It is painted replaced by a new one. It is pair and finished just like a new truck.

ate a repair department manned only by Federal experts—open night and day—with the most complete stock of parts in the northwest Federal leadership is a byword in the trucking field. This "built-in" quality, backed by an organization ca-pable—and willing—to give you real service, is consequently

A SAFE USED TRUCK TO BUY. If you are in the market for a truck from \$1000 to \$1400, we urge you to compare used Federals with new trucks at similar prices. We think we can convince you of their superior value.

HOWING the SIMPLICITY and AP-PLICATION of the OLSON UNIT which converts the FORD CHASSIS into a Heavy Duty Truck.

steel wheels, in the housings of which are mounted roller bearings independent of the Ford Axle. The axle is transformed into practically a full floating type, and the energy from motor back through transmission and different formula in the state of the first state of the formula in the for ferential is free to pull the load, rather than do this and be burdened with the friction from the load strain.

STODDARD, 5 pass., 4 cyl. 200 This assembled unit has been tested to load capacity of FIVE TONS, and the "OLSON" converting unit will support this load, and more; but for contilluous service under all load and road When you buy a rebuilt Federal, you are protected by the same policy applied to all Federal owners. We operate a repair depart d The "OLSON" CONVERTING UNIT opens a new and wide field for the Ford Chassis, and piaces highly efficient and economical Trucking and Delivery Service within the reach of all The "OLSON" equipped Ford Chassis, costs less than one half that of any other One Ton Truck Chassis, and will open from the Chassis, and will open work at less running expense.
