SENATORSHIP IS RESIGNED

Jesse Stearns Says Tazwell's Public Record Made Nomination of Independent Candidate Necessary.

George M. McBride, who was nominated last night as an independent candidate for county judge...

The nomination of Senator McBride as an independent candidate for county judge came as a result of dissatisfaction in Republican ranks over the nomination of George Tazwell.

Senator McBride's nomination was made at a mass meeting of voters at the Central library last night.

Man of Clean Record Needed. The importance of the office of county judge was pointed out when Mr. Stearns stated that nearly \$10,000,000 in estates and other business had been handled by the county court in the last seven years.

George McBride is a son of Justice Thomas A. McBride of the Oregon supreme court, a grandson of Rev. James McBride, one of the early pioneers of the state, and nephew of the late Judge John R. McBride and the late United States Senator George W. McBride.

The meeting was called to order by B. D. Sigler, who stated its purpose. J. J. Johnson, attorney and prominent franger, was elected as chairman, and R. E. Smith was chosen as secretary.

C. S. Chapman presented the proper resolution to form the meeting into a nominating body, as prescribed by law.

Chairman Johnson was instructed to appoint a committee to give Senator McBride formal notification of his nomination. This committee will be appointed in a day or two and the notification probably will be made early next week.

A general campaign committee is to be appointed within the next few days. The meeting last night adopted the following resolution:

"Resolved, That the electors assembled, believing that George M. McBride is the best qualified man to fill the office of county judge of Multnomah county, do hereby nominate him as an independent, non-partisan candidate for the office of county judge of Multnomah county, to be elected at the next ensuing general election."

Fund for Guards' Families. On recommendation of H. D. Griffin of the county board of relief, the county commissioners made provision for the payment of sums of from \$2 to \$30 a month to dependents of national guardsmen who are in need of assistance.
