long anticipated society movie, will be shown on the Majestic theatre screen besinning with the change of bill next Sunday. The big society opening night will, of course, be Monday, and a burst of galeties will mark the week with the dinners and tea parties which will be given attendant upon the affair The People's Institute is the beneficiary, and all the profits from the two weeks' showing of the picture will so to fill the coffers of this worthy philanthropy.

To see the maids and matrons of Portland society in the intimacy of the movie screen will be of keen interest Then, too, the large cast in "Veda" makes the affair of wide interest to all the friends of those who have taken part. Many people who have left the city for points at the beaches and mountains are planning to return for a day or so to see the pictures run off, as all who have followed the staging of the big event are on the qui vive to see the results.
