Chief Mustering Officer Williams Issues Statement of Vacancies to Be Filled.

STILL MORE PROBABLE

Many Additional Recruits Will Be Required to Replace Those Believed From Duty for Various Causes.

Camp Withycombe, Or., Aug. 18.—Captain Kenneth P. Williams, chief mustering officer for the state of Oregon, made the following announcement here today.

The following vacancies now exist in the Oregon militia, now in the federal service with stations on the border.

Third Oregon Infantry, 727 men, sanitary troops attached to Third Oregon Infantry at Imperial City, Cal., three men; battery A, field artillery, Oregon militia, stationed at Calexico, Cal., 25 men; troop A, cavalry, Oregon militia, at San Diego, Cal., two men.

Enlistment Stations Given. "Men desiring to enlist to fill the existing vacancies may apply to the following places for enlistment:

Captain Williams also announced that all men now members of the Oregon militia serving at border stations with the infantry, cavalry, artillery and sanitary troops, who are to be discharged from the federal service on account of dependent relatives requiring their presence at home, or for any reason, will be sent to the mobilization camp at Clackamas, for muster-out of the federal service.

It is believed that this number will be great and therefore many additional recruits will be required from the state of Oregon to fill vacancies created in this manner.

Friends wishing to send donations, tobacco or other articles to the border may arrange for their transportation by communicating with Captain Williams.

Man Is Assisted by Attaches of Court

Deck Hand Whom Hunger Tempted Goes to Court, According to Promise, and Collection Is Taken Up.

Walter Spruance, one of the best deck hands on the steamer John Clark, moored permanently at Second and Oak streets, is glad his pockets were empty. Walter told the judge that he was hungry yesterday, and when he saw an old boiler on First street thought it could be converted into money. A motorcycle policeman saw Walter busy with the boiler and told him to see Judge Langthorn about it today. Walter was not arrested, but he came to court this morning as he had promised to do.

"I've got a job tomorrow," said Walter. "Better take up a collection for me, Walter, that he may eat and sleep and that he may go to work tomorrow," suggested Judge Langthorn to court attaches. They turned 60 cents over to Walter and he went his way rejoicing that he had kept his promise with the motorcycle policeman.

Ministers Asked to Appeal for Funds to Have Hymns Printed

Sum of \$26.50 Is Secured Toward \$75 Necessary to Pay All Costs.

Hymns are needed by Chaplain Gilbert for the national guardsmen under his charge and a vigorous effort is being made in this city to secure the funds—\$75—with which they may be purchased and sent to the border.

To the present, Mrs. Edna A. Bell, who is heading the movement, has secured \$26.50, but the money is not coming in as fast as is desirable and Mrs. Bell asks that the ministers of the city call attention to the matter for their pulpits tomorrow and urge that the sum be speedily raised.

Attention is called by Mrs. Bell to the fact that the government, which it supplies a chaplain to such regiments as desire a spiritual adviser, provides neither hymns nor hymnals. An eastern organization has taken up and, it is understood, is supplying all the troops with Bibles but it rests with the home folks to provide the hymnals. Mrs. Bell may be reached by telephone at East 3645.

Those who have contributed so far to the hymnal fund are:

June McMillan Ordway..... 0.00

Mrs. T. C. Kurtz..... 1.00
Mrs. John Tait..... 1.00

Funston Denies He Favored Withdrawal

Border Commander Says There Is No Foundation for Rumor That He Wants Pershing's Force Back

San Antonio, Texas, Aug. 19.—(I. N. S.)—Major General Funston has characterized as without foundation a rumor that he had recommended the withdrawal of Brigadier General Pershing's punitive expedition from Mexico. The rumor emanated from El Paso.

"That does not deserve an answer," General Funston said. "The war department does not intend calling Pershing out of Mexico until a season has been indicated by preparations made by the men of the punitive expedition at Nampiqua, Colonia Dublan and El Valle. They have quarters, center of supplies, and communications have been built for the 'dog tents' supplied the men. Pershing has asked and received permission to construct screened-in kitchens.
