Philadelphia American Declares Bepublican Candidate Is Facing a Nation-Wide Revolt.

New York, Aug. 23. - Both in its news columns and editorially the Philadelphia North American, leading Progressive newspaper in the east, a recognized Roosevelt organ and up to the present a supporter of Mr. Hughes, makes the unqualified statement that the Republican candidate is facing a nation-wide progressive revolt.

Its special dispatch from San Francisco declares that Chester Rowell, Progressive leader and member of the candidate for "abandoning the Progressives of California for the old
