Today's Forecast.

Portland and vicinity—Tonight and Sunday fair; northeasterly winds.

Oregon and Washington—Tonight and Sunday fair; winds mostly northeasterly.

Idaho—Tonight and Sunday fair. Weather Conditions.

Weather Conditions.

Barometric readings are slightly below norms, on most of the Pacific slope, in the central Missouri valley and along the Atlantic coest, and above normal over the remainder of the country. Precipitation has occurred it. Saskatchewan, North Dakota, Minnesota, southern Florida and on the north Atlantic coest. The weather is cooler at the mouth of the Columbia river, in northern Nevada, the Sacramento valley, the southern border states, from the Mississippi river to the Atlantic coast and in northern Saskatchewan; it is warmer in most other sections. Temperatures are 10 degrees or more below norms! in most of the states from Texas and the Gulf of Mexico northward to central Canada. of Mexico northward to central Canada.

The conditions are favorable for continued fair weather Sunday and Monday in this district, with moderate temperatures and gentice northeast to east winds. With the continued warm weather the fire hazard in forested sections is increasing. T. FRANCIS DRAKE,

Assistant Forecaster.
