COMPANY RE-FORMED AND LEASE TAKEN ON EILER BUILDING STORE

Portland Knitting Co. Adds H. J. Eiler as Sixth Stockholder, Takes 5 Year Lease

BRANCH WILL OPEN OCT. 1

Third Street Location Will Be Maintained as Wholesale and Retail Establishment.

Illustrative of the tendency of specialty houses, which have long been located on Second, Third and Fourth streets, to move into stores on Sixth and Broadway streets, is the reincorporation of the Portland Knitting company, and the establishment of an an additional branch store at 146 Broadway street, in the Eiler's building, on which location the company has a five-year lease.

The reincorporation of the company adds H. J. Eiler, president of the Eilers Music House, as the sixth stockholder.

The store at 150 Third street will still be maintained, and if the Fleischner estate builds the proposed three or four story building on the corner of third and Morrison streets, the company will try to hold to the location in the new building.

The new branch will be used exclusively for retail trade and display, while the Third street store will handle the wholesale as well as the retail clientele. For the increased trade expected the company has just added two new machines to the factory at East Forty-second and Stark streets. The machines are of German design, and were made in the east on account of the war. Nineteen girls are employed at the factory, which runs day and night shifts.

The new store will open October 1, and alterations are now being made. The available space is 15x50 feet.

The stockholders of the company are: H. J. Eiler, E. E. Merges, J. R. Dodson, C. C. Jantzen, C. R. Zehntbaur and J. A. Zehntbauer. The store on Third street was established 25 years ago as the Luke Knitting company, but three years ago the ownership was transferred to the present incorporators.

CIGAR STORE TAKES LEASE

Railway Exchange Cigar Co. Has Sixth and Washington Stand.

A lease has been taken by the Railway Exchange Cigar company on the Wilcox corner at Sixth and Washington streets, which will be vacated by the M. A. Gunst Co. branch store. The new tenants will occupy the store October 1, and have a five-year lease on the site. The establishment of the new branch makes the fifth Railway Exchange cigar store in Portland. The officers of the company are F. S. Stanley, president, and J. E. Donovan, secretary and manager.

Thin People Can Increase Weight

Thin men and women who would like to increase their weight with 10 or 15 pounds of healthy "stay there" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say and think. The scales and the tape measure will tell their own story, and many thin men and women we believe can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not of itself make fat, but mixing with your food, it aims to turn the fats, sugars and starches of what you have eaten, into rich, ripe fat producing nourishment for the tissues and blood—prepare it in an easily assimilated form which the blood can readily accept. Much of this nourishment now passes from your body as waste. But Sargol works to stop the waste and do it quickly and to make the fat producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, pleasant, efficient and inexpensive. All leading druggists in this vicinity sell it in large boxes—forty tablets to a package—on a guarantee of weight increase or money back as found in each large box.—(Adv.)

WHY MAGNESIA SHOULD BE TAKEN AFTER EVERY MEAL

Best Possible Treatment for Indigestion, Dyspepsia, Gastritis and Stomach Ulcers, Says New York Physician

A flushed face may be the first noticeable symptom of indigestion, but disregard this warning and soon there is unmistakable pain for indigestion is a progressive ailment. At first the symptoms may be relieved by pepsin, bismuth or soda but these things do not overcome the excessive acid in the stomach which is usually the underlying cause of the trouble and consequently the acid accumulates and the occasional atack of indigestion becomes chronic dyspepsia. The dyspeptic is always particularly liable to gastritis and gastric ulcers in the stomach are only too often the forerunners of peritonitis, stomach cancers and death.

For this reason physicians place much importance upon keeping the stomach free from harmful acid and are continuously advising chronic dyspeptics as well as those who only suffer occasional attacks of indigestion to keep a little pure bisurated magnesia handy, and to take a teaspoonful in a little water after every meal. Practically any druggist can supply you with bisurated magnesia and all stomach sufferers are advised to get an ounce or so and give it a trial. Care should be taken to tell the druggist to give you magnesia in the bisurated form as other magnesia preparations while valuable as laxatives and mouth washes are not recommended for the correction of stomach acidity.—Adv.

Tries to Convince Judges He Is Alive

Seattle Man Returns After Ten Years and Attempts to Regain Property That Had Been Probated.

Seattle, Wash., Sept. 21.—(U. P.)—Arthur George of Edmonton, Alberta, is trying to convince the nine judges of the superior court that he is not dead.

There was admittedly, some doubt. A year ago Mrs. Anna G. George, his wife, from whom he had separated nine years before, had his will probated, giving her possession of $700 worth of West Seattle property.

Strangely enough, she herself died soon after.

Learning of his "demise," George hurried to Seattle. He filed a complaint in superior court in an attempt to have himself officially brought to life.

TRUSTEES OF ALBANY COLLEGE SAY SCHOOL IS IN FINE CONDITION

Finances of Institution Shown by Report to Be Best in Its History.

MERGER IDEA UNPOPULAR

Suggestion of Consolidation With Pacific University Will Be Considered by President of College.

Albany, Or., Sept. 21.—The report of the board of trustees of Albany college shows that institution to be in the best condition in its history. A meeting of the board was held here Monday evening and the finances were shown to be ample to carry the college through the year without a deficit. The college is still in debt, but it is gradually being wiped out.

The board approves the selections of the faculty committee and pronounced the faculty the strongest the college has ever had.

Edward F. Bailey was reelected as coach of the football team and has taken charge of the squad.

A financial secretary was authorized by the board. His selection was left to the executive committee. He will be named in a short time.

Next Wednesday, September 27, the college will be visited by Dr. Robert McKenzie of New York city, president of the Presbyterian College board. Dr. McKenzie will spend at least one entire day here and go thoroughly over the situation and make up his mind if Albany college and Pacific university should be consolidated.

The amalgamation idea is entirely banished from thought here and the officers of the college, students and townspeople are working for the building up of a greater Albany college.

Registration to date shows that the college has the largest enrollment it has ever had.

Pendleton Cowboy Is Indicted for Assault

Charles Runyan Is Charged With Shooting George Spearman Last June for Calling Him a Sheepherder.

Pendleton, Or., Sept. 21.—The grand jury this afternoon brought in an indictment against Charles Runyan, charging him with assault with a dangerous weapon upon George Spearman, colored. Runyan is the cowboy who last June shot Spearman, also a cowboy, because the latter called him a sheepherder.

The bullet passed clear through Spearman's body and tore a ragged hole in the liver. Despite this, Spearman recovered and is entered as a contestant at the Round-Up. Runyan has ridden in every Round-Up and had hoped to get out of jail to enter tomorrow.

The jury also indicted Jesse Goff for dynamiting fish.
