Today's Forecast. Portland and vicinity—Touight and Wednes-day foir; westerly winds. Oregon—Tonight and Wednesday generally Oregon-Tonight and Wednesday get fair, warmer east portion Wednesday;

erly winds.

Washington—Tonight and Wednesday genersily fair; westerly winds.

Idaho-Tonight and Wednesday generally
fair, warmer south portion Wednesday. Weather Conditions.

A moderate disturbance has moved from Alaska to Alberta; low pressure obtains also from the Mexican border and southern California northeastward to Canada. A high pressure area is moving inland over the north Pacific slope, and another high pressure area overlies the Appalachian highland. Precipitation has occurred in western Oregon, Washington, Montana, Wyoming, Texas, western Tenmorning in southwestern Idaho, and killing frost was reported from eastern Oregon. The riost was reported from eastern Uregon. The westher is warmer in western Washington. British Columbia, the Sacramento valley, Arizona, north central Wyoming, the central and southern Plains states, Mississippi and Onio valleys and Lake region; it is 10 degrees or more cooler in the Umpqua Valley, northern Utah, north central Montana and northern Sas-

katchewan.

The conditions are favorable for generally fair weather in this district tonight and Wednesday; it will be warmer Wednesday in east-nesday; it will be warmer Wednesday in east-ern Oregon and southern idabo. Winds will be mostly westerly. T. FRANCIS DRAKE. Assistant Forecaster.
