IDAHO IN THE WILSON COLUMN, DECLARES VISITING GOVERNOR

"We Recognize the One Great American," Says Moses Alexander.

STATE FAIR DESTINATION

Leading Cities and Country Sections of Idaho Now Enjoying Marked Degree of Prosperity, Says Executive.

Woodrow Wilson is going to carry Idaho. Governor Alexander, of the Gem state, was in Portland this morning, en route to the Salem fair, and he says so.

"We recognize the one great American in Idaho," declared the governor, between trains this morning. "He is Woodrow Wilson, and we are going to do our share toward sending him back to the White House."

Governor Alexander is a great fair-goer. A year ago he passed through here bound for the celebration of Idaho day at the San Francisco fair. His party chartered the steamer Rose City; Anna, Rae, C. H. and Harry W. and his pleasure. He is buying merchandise for his big store in Idaho and tempering the business trip with an excursion to Salem to the fair.

"We have never experienced a better year than the past in Idaho," further declared the governor. "There was a slight fruit crop failure, but those who may have lost on that reaped in some other branch of agriculture. We've all got money as a result."

"In Pocatello, Idaho, Falls and Boise there is so much building going on that one cannot walk down the street comfortably for dodging brick and mortar piles, when an auto he was cranking back fired. The accident occurred at the shop where he was employed at 12 Grand avenue. He was taken to Good Samaritan hospital."

Auto Breaks Man's Arm.—William Johnson, a mechanic, living at 1655 East Sixteenth street, suffered a brook-cries, when an auto he was cranking back fired. The accident occurred at the shop where he was employed at 12 Grand avenue. He was taken to Good Samaritan hospital.

Old Resident Dies.—George H. Simpson, aged 82, died yesterday at his home in Stewart Park, near Gresham. He was a single man and is survived by one brother. The funeral arrangements are in charge of J. P. Finley & Son.

Mill Hand Is Hurt.—Thomas Johansen, 1183 Seventeenth street north, suffered a broken leg yesterday morning when a big timber fell on him at the lumber company, where he is employed. He was taken to Good Samaritan hospital.

Alamson Ira Lucas, Ph. D., in lectures every Sunday night at 8 o'clock, in Portland, Idaho, built \$1,000,000 worth of buildings the past year. It is the same everywhere about the state.

Therefore, with that selfish reason, and the great example that we have had before us for the past four years, of a great man leading his people through a disorganized world, as has Woodrow Wilson, why should we look any further?"

Attorneys Burnett and John F. Logan, who were present at the meeting of the Oregon Portland Cement Company, and both named as defendants in the recent unsuccessful effort of Moore to secure from the federal court a temporary restraining order enjoining the accused officers of the Oregon Portland Cement company from exercising any functions in connection with the cement, revealed the fact that the permanent injunction comes to trial November 20.

A motion by Franklin T. Griffith to dismiss Aman Moore's \$1,500,000 cement trust damage suit was the preliminary action of the Oregon Portland Cement company's stockholders' meeting yesterday afternoon.

THE FIELD OF AMAN MOORE'S CEMENT TRUST FIGHT TEMPORARILY HAS BEEN REMOVED FROM FEDERAL COURT TO A COMMITTEE OF DIRECTORS NEWLY ELECTED BY THE STOCKHOLDERS OF THE OREGON PORTLAND CEMENT COMPANY.

The committee was charged by the stockholders yesterday afternoon with the responsibility of hearing evidence which will be the basis of a recommendation as to whether Moore's \$1,500,000 damage suit brought in the name of the Oregon Portland Cement company, and alleging conspiracy in restraint of trade on the part of six officers of the Oregon Portland company and 14 western cement companies, should be dismissed or permitted to be continued.

Ready for Hearing. Coy Burnett, Moore's attorney, announced this morning that he would ask this committee to begin the taking of evidence at 2 o'clock this afternoon, and to continue in session until depositions from R. P. Butcher, president, and Charles Boettcher, heavy stockholder in the Oregon Portland company, and Finley chapter, revealing the fact that the permanent injunction comes to trial November 20.
