

### CITY OF PORTLAND PLAN PURCHASED BY BIG CANADIAN FIRM

Under Subsidy of Government Nine Motorships to Be Built for Lumber Trade.

### WOODEN MOTORSHIPS GAIN POPULARITY

Popularity of Columbia River Craft Spread From Here to Foreign Countries—Shipbuilders Are Elated.

The design of the City of Portland, the first Columbia river motor ship, has been purchased by the Canadian government. The decision of the plans of this vessel is regarded as the biggest victory that the builders of wooden ships have yet won. The British, the leading ship-building country of the world, accepting the design will, it is believed, result in a new confidence in the vessel.

The City of Portland was conceived and built by the St. Helena Shipbuilding company, of which Charles R. McCormick is the principal stockholder. Following that firm's lead the wooden ship has sprung into immediate popularity in this country and is being widely copied. On the Columbia river alone seven yards are turning out over 40 vessels of that type.

The Canadian government, watching the experiment, has decided to build nine great auxiliary lumber and freight carriers. The decision to buy the plans and specifications of the City of Portland were made only after that vessel had completed a record voyage between Astoria and Fort Pirie, Australia.

It means that the Canadian government, anxious to find an outlet for the lumber of the western slopes of northern Canada, decided that the wooden ship idea is profitable.

The nine vessels, which are to be built in Vancouver and Victoria, will cost, all told, about \$1,000,000. They will be built under a subsidiary arrangement between the William Brown company of Montreal and the Canadian government.

Already the Brown company has formed, by permission of the government, a subsidiary of the government, a company to be called the Brown Auxiliary Lumber Vessel company. It is organized for \$1,000,000.

The English and Norwegian people have already become interested in the Columbia river motorship. A. O. Anderson & Co., with headquarters here, have several building on the river, while the Heath Shipbuilding company, have closed with Norwegian firms for building six motorships.

**LLOYDS TO PAY FOR BEAR**  
British Insurance Company Adjusts Loss of Stranded Steamer

San Francisco, Oct. 4.—(U. P.)—Lloyd's of London today agreed to pay \$600,000 for the loss of the steamer Bear which went aground on a reef near Eureka in June. The London Salvage association, an adjunct of the insurance brokers, has abandoned efforts to float the vessel, which is now being pounded by the tides.

The Bear cost \$700,000, so the San Francisco & Portland steamship company lost only \$100,000. Earlier this week Lloyd's lost \$20,000 here, the result of insuring the open air production of "Aida" against postponement by rain.

**Fast Liner Sought.**  
Seattle, Oct. 4.—(I. N. S.)—The new Pacific Steamship company is negotiating for the steamship Old Colony, sister ship to the liner Aida and Harvard. The Old Colony now plies between New York and Fall River. The negotiations propose her acquisition on much the same terms, said to be a long lease, with an option of purchase, as those by which the Harvard and Yale were recently taken over by the Pacific-Alaska Navigation company and later gathered in by the Pacific Steamship company.

**China Sailing Late.**  
San Francisco, Oct. 4.—The sailing date of the China Mail company's steamer China has been postponed from October 7 to October 10. The delay is caused on account of the late arrival of the eastern freight and repairs that are being made to the China's engines.

### NEWS OF THE PORT

**Union Head Coming.**  
T. V. O'Connor, president of the International Longshoremen's association, with headquarters at Buffalo, N. Y., is in Seattle but local union officials have heard no word as to when he will come to Portland. He is attempting to settle the longshoremen's strike on the sound and will come here for a similar purpose, it is believed.

**Two Barges Sold.**  
Sale of two of the Columbia Contract company's barges to the Hercules Paper company of San Diego has been consummated. The barges, No. 40 and 41, have been hauling lumber to Anchorage, Alaska, since the jetties stone work dropped off this year. The other barges of the former rock and lumber fleet are also said to be for sale.

### Asking of Armed Guards Presages Further Trouble

Seattle, Wash., Oct. 4.—(P. S.)—The waterfront Employment association here will present today to the sheriff a list of 1000 names, asking that these men be sworn in as special deputies of the sheriff.

Only the past two days the longshoremen have been voting and that was held in abeyance pending work, under a scheme to arbitrate wages after 10 days. It was expected the employers would accept this arrangement. It was said officially that 80 per cent of the men voted to return to work.

### Look at Child's Tongue if Sick, Cross, Feverish

**Hurry, Mother! Remove poison from little stomach, liver, bowels.**  
Give "California Syrup of Figs" at once if bilious or constipated.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once. When bilious, cross, feverish, pale, doesn't sleep, doesn't eat or act normally, or is feverish, stomach sour, breath bad, has stomachache, sore throat, diarrhoea, full of cold, give a teaspoonful of California Syrup of Figs, and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without gripping and you have a well, playful child again. You needn't coax sick children; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask for "Syrup of Figs" made by "California Fig Syrup Company." Refuse any other kind with contempt.—(Adv.)

### IF BACK HURTS TAKE SALTS TO FLUSH KIDNEYS

**Says Backache is sure sign you have been eating too much meat.**  
Urlic Acid in meat clogs Kidneys and irritates the bladder.  
Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally; else we have backache and dull misery in the kidney region, aching head, headache, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salt from any good drug store here, take one after each meal, and before water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with bicarbonate of soda, and is harmless to the system, and stimulates the clogged kidney, and stimulates them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salt is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should have now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salt to folks who believe in keeping their kidney trouble while it is only trouble.—(Adv.)
