The Loyal Order of Moose, local lodge No. 291, will erect a three-story building on their property at the porthwest corner of Fourth and Tay- Comment Is Made That With Such lor streets, work to begin after the first of the year.

This has been definitely decided by the building committee of the order, which has been meeting from time to time for the last six months to discuss details of the proposed structure. Originally a \$100,000 structure was proposed, but plans that will be completed by Houghtaling & Dougan, archiects, within two months, provide for a \$35,000 building.

The building will be erected on the property owned by the lodge, which extends 100 feet on Fourth street and 80 feet fronting on Taylor street. ground floor will probably be used for store purposes, several leases on the contemplated building having been considered. The upper floors will be used as social and chap-

Shapiro, Dr. Theodore Fessler, George R. Funk, Henry E. Reed, C. A. Houghtaling, William Adams, B. E. Youmans and P. L. Proctor, secretary of the committee.
