SUBMIT STATEMENT OF COUNTY FINANCES FOR THE LAST MONTH

Auditor Martin Shows Total on Hand and Received \$79,989.25.

BRIDGE FUND, \$301,667.19

Outstanding Warrants Total About \$91,000-Boad Fund Expenditures \$20,317.56.

County Auditor Martin submitted to the board of county commissioners today a statement of the condition of the various county funds October 1. According to the statement, the re-

the cash on hand September 1, made ments were \$72,533.97. Out of the road fund there was dis-

bursed the sum of \$20.317.56. Outstanding warrants October 1 were: general fund, \$9,887.87; road fund, \$81,481.17. Interstate bridge fund on hand October 1 was \$301,667.19; special road fund, \$54,383.99

COUNTY BUDGET IS TACKLED Department Heads Are Notified by

the Commissioners.

The preparation of the county tax budget for 1917 was begun today, when the board, of county commissioners sent a formal notice to the heads of the various departments to prepare and submit as soon as possible detailed statements of the amounts necessary, in their judgment, to carry on the business of the county for next

At its regular meeting next Wednesday the board expects to announce the ted States civil service examiners, membership of the taxpayers' committee which is to pass upon the budget This committee will be composed of seven taxpayers. Each commissioner will suggest two names, and the seventh member will be chosen by the

MEN ARE ACCUSED OF ARSON Trial of H. Ostwalt and J. Martin

Is Commenced. The trial of Henry Ostwalt and Jacob Martin, indicted for arson, began today before a jury in Circuit Judge Davis' court.

The state is attempting to prove that Ostwalt and Martin conspired to club. burn a house in which the former lived at 630 North Kellogg street, St. Johns, June 24, for the purpose of realizing on an insurance policy of \$800.

San Diego Fair Now Making Good Mark

Final Months to Be Best Yet Becorded -Exposition Will Be Closed on New

Irwin, San Diego county publicity time in campaigning for the reelection agent, who is at the Hotel Portland. "The shrubbery and planting of the

exposition are at their best at this time of the year and will be particularly beautiful in November and December," said Mr. Irwin yesterday. "Not a single exhibit will be touched until closing time.

"A military display will be given at the exposition by the return to San Diego of the Twenty-first infantry and the expected return of the Fourth regiment, United States marine corps, now on duty in Santo Domingo." Mr. Irwin is visiting the cities of the northwest in the interest of the exposition.

Wanted Information on Patent.

Thieves who were attempting to get a line on a secret invention now under construction in the Tuerch-McKenzie machine shop, East Third and Irving streets, are thought to be responsible for the robbery of that establishment yesterday. The patent designs were "pawed" over and disarranged, according to the report of Detectives Craddock and Smith, and dividers, punches and other tools were stolen.

HARDEST INDUSTRIAL COMPETITION FACES NATION, SAYS CLARK

End of War Will Create Conditions Hitherto Unknown, It Is Now Asserted.

EUROPEAN WOMEN FACTOR

United States Must Work Into Trade Previously Held by Other Countries, Says Philadelphian.

What will happen in the world, in dustrially, when the great European war is ended? Will America continue indefinitely to be the creditor nation, and go on piling up profits, million upon million, just as she is doing to-C. M. Clark, chairman of the board

of directors of the Portland Railway, light & Power Co., who is here from Philadelphia home, believes this question should well attract the serious attention of all American business men at this time. He said today that in his opinion, the United States is in for the most unrelenting industrial competition, not only in world markets. but in its own markets, that history

Trade Balance Considered.

"The balance of trade in favor of tne United States was \$2,500,000,000 on August 31," said Mr. Clark this morn-ing. | "The debt must be repaid to the United States. And how? By the sale to us by our foreign debtors of such must be met and eventually the prinmanufactured goods of the nations. The trip was ideal in every way, when they have re-established them-

selves industrially." in every industry. They are turning the others. out more work than the men ever did. erto conducted by men solely.

back some of the money carned from the sale of supplies to the belligerents.

That sort of transaction will account for some of the "balance of the balance trade," but only for a small part of the total, enormous as that part may be of itself

European Trade Has Advantage. He deduced, therefore, that the only way the warring nations can escape from their debts to the United States is to sell us the products of their factories. With a wage scale lower than that of corresponding lines of this country, he apprehended that they probably would succeed in thus cancel-

ling their debt.

As far as the P. R., L. & P. and Portland are concerned, Mr. Clark had no ray of sunlight to shed. He said further investments for extensions and betterments are impossible because the earnings for the last two and a half years have been insufficient to pay a return to the investors who already the continuance of competition of jitneys in the transportation field and of a rival company in the electric field. no immediate prospect of improvement

OFFICERS TAKE HIM AND GIRL AS THIEVES

Bullet Hits Leg of Stewart Holmes, 24, Trying to Make Getaway.

Vancouver, Wash., Oct. 8 .- A man who gives the name Stewart Holmes, have placed their money here. With 24 years old, from Seattle, is in the hospital here under guard with a bullet wound in his leg, and a young woman, giving the name of Miss Leslie Holmes, claiming to be his sister, is held in the county jail, charged with riage of young Mr. Clark and Miss ing by Deputy Sheriff Carter of Cowlitz county after he had hit the of-

According to the officials, the two are charged with the theft of two machines. The first was taken in Ta-coma and they had succeeded in reaching Kalama when it went into the ditch with its occupants. They took a small roadster at Kalama, it is alleged, and when they realized that they were about to be captured jumped from the machine and allowed it to run over a 15-foot embankment into Salmon creek, seven miles north of Vancouver, about 11 o'clock last night.

They succeeded in eluding the officers from Cowlitz county and assistance was sought from Clarke county officials. Sheriff Biesecker, Deputies Blair and Johnson, Constable Rafferty, Chief of Police Barbeau and Night Sergeant McCurdy all joined in the hunt. About 9 o'clock this morning the pair was seen near the machine. As Deputy Carter arrested Holmes,

folmes struck him on the head with a small hammer. Holmes started to run and Carter, after firing two shots Holmes was taken to the hospital here he will remain until the wound has healed so he can be taken to the

Thief Obtains but Little for His Pains

While Miss M. I. Rupert, bookkeeper, worked in the office, a thief yesterday afternoon entered the G. L. Davenpor commission and transfer house a 1471/2 Front street, went to an upstairs room, and took from an unlocked record safe about \$3 in mutilated coins and pennies. He was heard rumaging about the room by Miss Rupert, who notified the police. Becoming alarmed, the thief climbed down a ladder to the main floor at the rear of the storage room and ran through the front door The safe contained no other valuables and was used only as a storage place for records.

Invited to Potato Fair. Portland is being asked by the people of central Oregon to attend the sixth annual potato show and fair, to Robert Rankin today filed citation for and 21. Redmond is in the heart of the potato growing industry, with a world's record or two at its the growing of potatoes of size and quality. Inasmuch as the "spuds grown under the impulse of irrigation on land that once was roamed over by the jackrabbit and overgrown by sagebrush, the central Oregon people believe the whole state should come to look upon the progress of Oregon as
