in 1911 Active Supporter of the laboring man. President Wilson saw to it that this was accomplished. Republican Speaker of House of Woodrow Wilson,

POLICIES ARE REVIEWED

ord of Achievements Recalled in Letter to the Democratic State

John P. (Jerry) Rusk of La Grand and State of St with the Progressives when the split came in 1912, is now actively support- and all these we have seen accoming the candidacy of Woodrow Wil- lin short, practically our entire platson. He is a prominent lawyer of east- form has been enacted into law under Oregon. He says that President President Wilson. Then why should ern Oregon. He says that President President Wilson. Progressives stood. In a letter to Samuel White, Mr. Rusk says:

It is my firm conviction that President Wilson is entitled to the earnest and active support of every voter who believes in the principles set forth in the platform of the Progressive party of 1912. All such voters are duty bound, it seems to me, to vote for his re-election this year. I am for president Wilson and his re-election: Termed True Progressive.

Because President Wilson is a genuine and true progressive himself. ause his Republican opponent not a Progressive of any kind or at all. This is proved beyond question by Judge Hughes' opposition to the adoption of the income tax amendment to the federal constitution, his veto of the two cent railroad rate bill, and of the full railroad train crew bill, while govproved by the great company of unre-generated old time machine Republi-cans that brought about his nomina-tion, and that is the backbone of his support for election at the present I am actively supporting President

enacted in law almost all the demands

we Progressives made in our "Cov-enant With the People" of 1912. We Progressives demanded in 1912

that "Invisible government" should be destroyed. President Wilson has done

We demanded a non-partisan tariff commission so that the eternal tariff question should be removed from politics. President Wilson has accomplished this very thing. We demanded an income tax and an inheritance tax. We have both these

under President Wilson. We demanded the repeal of the income tax and an inheritance tax. We have both these under President Wil-

Currency Issue Settled.

We demanded that the control of the currency be taken away from Wall street, where it had rested for years under Republican administrations, and restored to the where it below has done this. to the general government, belongs. President Wilson

We demanded, for the benefit especially of the farmers, that we should have a parcels post, rural credits, and good roads. All these, with several other measures for the benefit of the rural communities, such as the agricultural extension bill, have been given us by President Wilson and his administration.

the state legislature and who went curbed, that the merchant marine be fostered and extended, that the army and navy be enlarged and strengthened.

wilson has caused to be enacted into and active support?

I am for President Wilson because there is not to be found in the platform of the Republican party a single

word, sentence or expression that would not have been placed there if such platform had been publicly written by the Murray Cranes, the Boies Penroses, the Jim Watsons, the Reed Smoots and all their kind Smoots and all their kind Wilson Meets All Demands

And the same is true of the speeches made by Mr. Hughes in his campaign. He has said nothing, he has advocated nothing he has made no criticism of the Wilson administration, that could not have been made, and that would not have been made, had the "old gang" come out openly at Chicago last June and nominated, as they could have done had they dared, Joe Cannon, C. W. Fairbanks, or any other of their own President Wilson has proved himself

enough for every demand made n him during more than three and all the analysing and hairsplitting will never make them lose sight of the years, and whatever the result of the November election may be, history will enthrone him alongside of Washington, one big fact-that Wilson is the first Jefferson, Jackson and Lincoln in the president to come out flatfootedly for hearts and memories of the American Surely there are many other reasons office behind the movement to extend

not mentioned by me why every Pro-gressive ought to support President Wilson for re-election, and I know of no solitary reason why a real, genuine should vote against him. Very truly yours, JOHN P. RUSK.

### Our Manufacturers Should Practice What They Preach

"Patronize home industry." The slogan has been on tap so long that most of us give it little heed. And in this neglect we knock at the very foundation of a city or nation's

The city that contributes the major portion of its substance to the maintenance of foreign industries cannot become rich. Its wealth must Sanitary Folding Mattresses be kept in circulation among those whose industry created it. It is the constant drain that empties the treasury. When the leak is

> greater than the supply, it is but a question of time until the bottom is reached. These things we must understand. Every advertiser of these pages is actually committed to the principle of supplying his wants, as far as possible, from products of Portland

Their motives are not altogether altruistic. They have bonded themselves thus as a matter of self-protection. It is a principle of the sound

est commercial sense. They will do their part. Will the rest of us help them?

When F. E. Thompson or his assistants answer, order a box of Columbia carbon paper. Then see how good it is. It is manufactured right here In conversation recently, he said: "Carbon paper materials have increased in price from 50 to 400 per cent. Our local product has not increased a penny. We have been be-

HOW TO DO IT.

Try this, for instance: When you need carbon paper, call East 876

have utterly refused having anything to do with them. Unless Portland patrons are loyal to me, I will suffer loss thereby. "The quality of the paper shall be kept up, no matter what the exense. I will have to sell at a trifling profit, but when the war ends and prices go back to normal I shall have my trade. My trade is confined

sieged with offers of cheaper materials for our manufactured product, but

almost entirely to Oregon and Washington. Seven-tenths of it is in Portland. "Even if I desired, I could not afford to play false with this clientele: On repeat orders depends my success. To lessen the quality of my product would certainly destroy my business. I am selling the paper at slightly more cost than I would if using the cheaper materials. The service it

renders makes it less expensive in the end.' FIRST-CLASS GOODS. It is hoped that business men will study all the announcements on these pages and take them seriously.

merit, they are sold as cheaply as any in the world. These facts are un-Unswerving loyalty, then, should exist between the various manufacturing enterprises of the city. It is a community interest measured by Here, again, the golden rule applies. If others are loyal to your in-

terests, you should be loyal to those manufacturing interests that are Have your housewives buy, for instance, corn and oat meal products from which the life has not been extracted for other by-products that

See that table condiments and pickles bear Portland labels. They are

made under the most sanitary conditions. The best material possible goes

into them. They are products of Oregon's rich soil and climate. The cookies, crackers, noodles and other pastries you consume are made equally well in Portland as elsewhere. They are fresher, more delightfully palatable. But outside of the goodness of these things, one gets satisfaction from another source. Their increasing local consumption means increasing pay-

rolls at the factories. Increasing payrolls mean more money in circula-
