KNOCKED OPPONENT DOWN TEN TIMES YET WATSON LOST FIGHT

Red Says Australian Scrapper Given Decision Because He Landed Eleven Blows.

BETTER NOT ROIL DARCY

California Scrapper Warns Fighters to Keep Antipodean Middleweight in Good Humor or Take Sleep.

San Francisco, Oct. 14.—(P. N. S.)—Red Watson back from Australia advises American fighters who go to Australia and want to stick 20 rounds with Les Darcy to keep Darcy in good humor.

The only American fighter, states Red, who knows how to fight Darcy, is Jimmy Clabby.

"Clabby is always careful not to hit Darcy too hard. That explains why he sticks with him 20 rounds.

"Buck Cruise would have gone 20 rounds if he had not tried to double-cross Darcy.

"Buck got along all right for one round. Every time he'd go into a clinch with Darcy he'd whisper about how nice and easy they were going and suggested that they keep it up.

Was Very Polite About It.

"Les would nod his head very politely and smile—meaning it was all right and he'd be all right.

Then in the next round Darcy, thinking Cruise a man of his word, came in with his hands down, and Cruise let go on the chin that you could hear all over the house.

"The punch didn't knock Darcy down, but you could see Darcy grit his teeth, and the next minute Cruise was on the floor dead to the world.

"The same thing happened with McGorty, only Eddie was more honest than Cruise. He didn't ask Darcy to go easy.

But when Darcy was not expecting it Eddie let go a left which landed on the chin so hard that the house shook.

Lasted Two Blows More.

"McGorty's hair up to the time he landed that punch had been nice and smooth. But the instant he landed his hair stuck up like a porcupine.

He knew he did something he ought not and that he'd have to pay for it. The fight lasted two punches more and Darcy landed them both.

No man ever made Darcy extend himself.

"He doesn't even perspire when he fights men like McGorty and Cruise. They tell me he doesn't take a shower bath after a fight—doesn't need it.

"The night Jimmy Dime and his fighters attended their first boxing show they introduced Patsy Brannigan, Babe Picato, Joe Chip, Tom McMahon and then they came to the star, George Chip who, the announcer said, would fight Darcy.

Their Reception to Chip.

Everybody in the gallery jumped up as one man, and said "Good night." I felt sorry for Chip, but had to laugh.

"It took me a long time to get used to the Australian way of deciding a fight.

"When I first went there I was fighting a fellow named Fred Kay. He was a slippery guy, like Eddie Moy, and as I may not be hard enough to knock the hat off my head.

"In a couple of rounds I found he couldn't hurt me and began digging in, taking a pot in the face or head and sometimes two or three in order to crack him a solid punch.

Begged Referee to Stop It.

"I knocked him down 10 times. I think anyhow I knocked him so often that I quit counting. The guy was game and kept jumping up. He was no badly beaten that every time I landed my glove he'd fall as if I had squashed into a soft tomato.

"I asked the referee to stop the fight. He shook his head and told me to go on.

"When the fight ended the referee walked over and held up Kay's hand. I thought he was joking and started to laugh. But when I saw the serious look on the faces of my friends I then over and asked the referee what was the matter, if I had lost on a foul.

"He said no, that Kay had beaten me fairly and squarely, that I had scored 10 knockdowns, but that Kay had landed on me 11 punches, which, though light, were cleanly delivered. Therefore the score was 11 to 10."

Cottage Grove Holds Eugene High 13 to 7

Cottage Grove, Or., Oct. 14.—In a pretty evenly played game, which was lost in the last quarter on a fluke, the local team lost to the Eugene high school yesterday by a score of 13 to 7. Cottage Grove started off strong with a touchdown early in the first quarter and held the visitors until their touchdown in the third quarter. The score remained a tie until the visitors carried the ball around for a second touchdown in the last few minutes of play and kicked goal.

The local team, considering its inexperience and the youthfulness of the players, played a hard game. Coach Jewett well known through his connection with athletics at Willamette, and his assistant, Bob Earl, who coached the local 16 victory in 1915, say that the local team is going to make the other teams hustle for the pennant.
