Portland and vicinity-Fair tonight and light frost tonight; easterly Oregon and Washington-Fair tonight and Wednesday, frost tonight; easterly winds.
Idsbo-Fair tonight and Wednesday, frost

Weather Conditions. A large high pressure area is central over the North Pacific states, and the barometer is relatively high over the northern states east of the Mississippi river. A well defined dis-turbance is central north of the Dakotas and another of similar character is central over northeastern New Mexico. Rain or snow has fallen in Colorado, Kansas. Nebraska, Misscuri and Iowa. Chinook conditions prevail in Montana and Saskatchewan. Temperatures on points 300 feet on each side of danthe Pacific slope continue below normal.

The conditions are favorable for fair weather in this district tonight and Wednesday. Frost will form tonight generally throughout the district. EDWARD A. BEALS.
