San Francisco, Oct. 25.—(P. N. S.)—The esteemed Beavers of Portland encountered the Seals yesterday afternoon, and there is no happiness in the chest of W. McCredie in consequence.

The game was won through the bunching of hits off Byron Houck and through the speed of the Seals in fielding. Twice when they were in danger they got out of it with a double play. And three times they piled up their wallups in such fashion that Houck never had a chance to get out from under.

There the run getting stopped, when Rogers forced Williams at third and Houck was an infield out. The score: PORTLAND.

CALLAHAN WILL REPLACE TINKER, IS LATE REPORT

Dreyfuss and Manager Are at Parting of Ways, It Is Declared.

By H. C. Hamilton. New York, Oct. 25.—(U. P.)—It is being intimated upon apparently very good authority in New York today that important changes involving the Pittsburgh and Chicago National league clubs are about to be made.

Throughout the first three periods, the James John players were on the defensive due to their inability to hold the ball, but in the last quarter they took the offensive and made first down four times in succession gaining over 50 yards by a series of aerial passes.

The Lincolns showed up in fine style, with "Dutch" Livingstone in the pivot positions, but there is room for improvement.

Clerin's place-kick from the 23-yard line in the first period gave the Cardinals their first score of the season.

Callahan had a fairly good year in Pittsburgh and has improved the Pirates to some extent, but his differences with Dreyfuss, it is said, are sufficient to cause the owner of the club to seek Callahan's release.

Most men intimate with the affairs of the Pirates believe Fred Clarke will head the team next year. The former manager of the Pirates has not said anything in regard to the rumor.

Chick Fraser is in line. Chick Fraser, veteran scout for the Pirates and old-time pitcher, also has been mentioned as a probable successor to Callahan.

A change such as that suggested, which would take Callahan back to Chicago, probably would be welcomed by Callahan. He is well liked in Chicago. Probably no more popular man ever led a baseball club in that city.

Stockholders of the club are said to be crying loudly over the payroll of the Cubs and owner Woeghman is reported to be lending an attentive ear.

Howard Brierly, the brilliant backfield man at Pennsylvania university, was present but did not take part in the game.

YALE STILL FEELS Jinx

New Haven, Conn., Oct. 25.—(U. P.)—The jinx still lurks about the football field at Yale university and yesterday's heavy defeat by Cornell in evidence as ever when he laid hold of halfback Bingham.

Bingham was out Monday with a sore throat, and while he was on the sidelines yesterday he did not engage in active practice. It is feared he may have developed tonsillitis and the coaches are watching his condition with some concern.

Black and Galt are taking daily practice with ankles in bandages. Black is not recovering from an operation which removed an abscess from his right ankle. Quarterback Smith is expected back in line in time to run the game against Washington and Jefferson Saturday.

WASHINGTON ELEVEN IS WORKING
