

CHRISTIE HOME FOR ORPHAN GIRLS NEEDS LARGE SUM OF CASH

Campaign to Raise \$100,000 for Extension Being Organized by Friends.

Work, real and earnest, has taken the place of the preparation phase of the \$100,000 fund raising campaign for Christie Home for Orphan Girls. Seventy-three captains have been appointed. These captains are requested to send in the names of their workers as soon as possible. This is very necessary so all team workers can have their credential cards and other instructions before the mass meeting of captains and workers to be held down town on the evening of December 2. Now that the election is over each worker in the campaign is expected to devote at least a little of his time each day to the work of raising the proposed \$100,000.

Canvass to Follow Banquet.

On the day following the banquet to be held in the Portland hotel on the evening of December 4, the general solicitation of funds will begin by the captains and their workers. John E. Cronan, director general, will supervise the field forces.

A meeting of men team captains was held at headquarters last night to discuss the appointment of more captains, and a method of rapid formation of teams.

A meeting of the Women's Auxiliary board was held in parlors B and P of the Portland hotel this afternoon at 2 o'clock. Definite plans for the banquet were taken up at this meeting.

Meeting Planned for Tonight.

The executive and advisory committees will meet at headquarters tonight at 8 o'clock for the transaction of much important business, a full attendance is urged.

The campaign is working out splendidly. Hearty support is being given not only by individuals, but also by fraternal societies of the city. The Ancient Order of Hibernians adopted the following resolution:

"Whereas, Division No. 1, Ancient Order of Hibernians, recognizes the fact that additional buildings are needed at the present Christie Home for Orphan Girls, near Oswego, not only to meet the present wants but to meet the future needs of the city and the surrounding country as regards orphans in need of care and protection; therefore, be it

Resolved, That the organization wishes the fund raising campaign committee all success in this important undertaking for the surrounding country, as well as our city, and trusts that the committee will receive ample and generous support in the raising of funds for the erection of additional buildings to the present Christie Home, which will be commensurate with not only the present needs, but the future of our growing city.

"J. J. KENNY, President, and Arthur Murphy, Grand Knight of the Knights of Columbus, sent a communication to headquarters stating that the K. of C. lodge had adopted a similar resolution.

BUDGET ESTIMATES APPROVED; TOTAL IS BELOW TAX LIMITS

Revision Made by City Council Will Not Be Affected by Limitation Measure.

Revised estimates for the 1917 city budget adopted by the council yesterday, calling for \$2,825,448, will not be affected by the 6 per cent tax limitation measure, which, according to incomplete election returns, likely will be successful.

Anticipating every angle of the question the budget trimmers made a general cut amounting to about \$75,000, and with this big reduction there is nothing to be feared from the tax limitation bill, according to Commissioner Daily.

Next Friday the council will set a date for a public hearing upon the budget estimates as they have been approved. Following the meeting an ordinance will be passed fixing the tax levy. It has been estimated that the cost of operating the city departments next year will be \$128,000 less than for 1916.

Bond interest for next year will have to be boosted about \$20,000 and the cost of supplies likely will be increased \$100,000 because of the rise that has resulted in prices in general.

WOMAN ASKS CITY TO PAY DAMAGES CLAIMED FOR INJURY IN SLIDING DOWN PLAYGROUND CHUTE.

"That's the way with the world, provide for the comfort of the people and then when one of their number gets hurt, pay the damages for injuries sustained in the enjoyment of the pleasures." Thus declared an attaché of City Auditor Barbur's office today when a woman who presented a claim for damages alleged to have been sustained in sliding down the chute at the Washington Park playground. Alice Wells, of 4527 Forty-fourth street, S. E., is the claimant. She says two bones of her left leg were broken as a result of falling into a hole in the ground at the bottom of the chute.

DRY MEASURE MAY PASS BY OUTSIDE VOTE

REPUBLICAN PAPERS SAY WILSON WINS

(Continued From Page One.)

at noon. With 256 votes in the electoral college indicated for the Democratic nominee in the United States returns, California alone—or Minnesota alone—would be sufficient to make Wilson the twenty-ninth president of the United States. Hughes, on the other hand, to win must carry both of these states.

California Strong for Wilson.

As it further to drag out the agony of apprehension among politicians, California exhibited a strong Wilson tendency and Minnesota a Hughes drift.

President Wilson made big gains in California as the count progressed there today.

Up until 12 o'clock Hughes still maintained a lead in Minnesota, the second of the doubtful states he must carry if he is to receive the necessary 266 electoral votes.

California's jump came in a single hour. At the start Wilson was leading by 841 votes in 529 out of 5917 precincts.

Mistake Changes Count.

One hour later, when a mistake had been discovered in Mendocino county and 23 new precincts had reported, this lead was changed into 4396. Democrats were jubilant over returns from San Diego county—on the border, where Hughes was expected to show strength, which with only four small precincts missing, gave the Republican candidate a plurality of 205 votes.

The situation in the other doubtful states was:

Minnesota: 2710 out of 3024 precincts give Hughes a lead of 811.

New Mexico—Three hundred and thirty-six out of 828 precincts give Hughes a lead of 115.

New Hampshire—Secretary of State Bean told the United Press that the result was so much in doubt and the vote so close that the result from some village of only 25 registered voters might swing the whole state to either candidate.

The Democrats claim that a recent will show a 23 plurality for Wilson.

Hint at "Counting Out" Brings Retort

New York, Nov. 9.—(U. P.)—"We don't trust the Democrats any further than they are said to have remarked they would trust us," was George W. Perkins' retort today when asked for comment on the statement of Henry Morgenthau, Democratic finance chairman, hinting at Republican "counting out" of Democratic votes.

"We are taking just as many precautions as the Democrats," Perkins said.

Perkins said his tabulation showed 267 electoral votes for Hughes—not including California.

Perkins stated that returns at 6 o'clock this morning indicated that Hughes would carry New Mexico by 600. He declared there no longer was any doubt regarding New Mexico.

Prosecutor to Join Clabaugh.

Chicago, Nov. 9.—(U. P.)—Frank C. Dalley, who prosecuted the Terre Haute grafts for the federal government, made a hurried trip to Chicago today and went directly to the offices of Hinton G. Clabaugh, federal investigator. Clabaugh was in St. Paul, Minn., hunting for voting frauds. Dalley refused to talk.

French Loan Subscribed.

Paris, Nov. 9.—(U. P.)—Minister of Finance Ribot announced in the chamber of deputies today that \$2,370,000,000 had been subscribed to the loan. Of this, more than 50 per cent is new money.

Quality

QUALITY! That's an easy word to say. "Everybody's doing it." But it costs us thousands of dollars each year to put ourselves in position to get our ideas of what quality ought to be into the big loaf of **HOLSUM**.

The finest materials money can buy—a model bakery maintained in spotless cleanliness—clean delivery in special waxed wrappers—all of this quality cost us a lot of money, but only costs you the effort to say, when you buy bread—"I want **HOLSUM**." It has a wonderful flavor.
