"Because of substantial errors al ready discovered in unofficial counts, he said, "it is seen to be quite possible to change the apparent result of voting in California by detecting and correcting similar and yet undiscovered errors.'

Meanwhile Democratic leaders, too, are taking steps to watch the official count. An error in tabulating returns from Los Angeles county yesterday announced by Registrar McAleer, which added 2000 to Hughes' total in that county, threw Democrats of Los Angeles into great excitement, They announced that they expected to keep close watch while the official rechecking is in progress, to guard against the possibility of similar error.

Then came the primaries and Johnson's sweeping nomination. The state Republican committee was re-organzed by the Johnsonites, Francis V. Keesling, state chairman, was ousted and Chester Rowell was put in his

CHORUS GIRLS' GONTEST TONIGHT AT LYRIC

One of the most popular weekly events is the Chorus Girls' Contest at the Lyric every Friday night, and it never fails to pack the downtown playhouse to the doors. The girls appear in different acts of their own choosing and the audience is the judge of the prize winners. Competition between the girls is always keen and the audience entering into the spirit of it adds to the excitement, for all the girls have boosters and friends who make it their business to help them win prizes. The Contest-takes place after each performance of the screaming musical comedy, "Able the Secretary," which is this week's attraction. For a real time the Chorus Girls' Contest at the Lyric has always been a strong favorite.
