# **COUNTY ESTIMATES WILL NOW GO UNDER** THE PRUNING KNIFE

Advisory Budget Committee to Meet in Regular Executive Session This Evening

CLERK SHOWS DECREASE

Budget of Sheriff Muriburt Gives an Increase of \$12,498.90 Over 1916; Jail Department Beturns Less.

Having canvassed all the department estimates the county advisory budget committee will go into executive ses sion tonight and apply the pruning

"There is considerable criticism re' ative to the 6 per cent increase limita tion," said Assessor Reed today. "H will work out all right if the different departments of county government will be patient and not want everything. am satisfied that when we are through with the budget enough will be found to carry on the work of all

#### Emergency Pund Pactor.

It will be the aim of the committee to create as large an emergency fund as possible in order to provide against

too drastic cutting.

The last two estimates to reach the committee were those of the county clerk and sheriff.

The budget submitted by County Clerk Coffey showed a reduction over the present year of \$93,970. This is principally accounted for by the fact that there is to be no county election in 1917.

From the election and registration fund a cut of \$70,175 is made. For maintenance of the registration bureau next year \$4110 is allowed. By reason of the passage of the "bone dry" pro hibition amendment another saving of nearly \$20,000 is made.

#### Expenses Cut Down.

Under the present law, it cost the county \$23,660 for extra clerks, affi-davits and supplies in the prohibition Under the absolute dry law. this expense has practically been eliminated, and it is estimated that \$4160 will carry the bureau next year, Eliminating two typists in the re-

cording division, Mr. Coffey makes a maving of \$1800, reducing the cost of the division from \$16,200 to \$14,400. The elimination of a clerk in the county court will save \$480 a year. The dropping of another clerk adds \$360. The item of supplies is cut in the main divison from \$9535 to \$6270, and the cost of jurors, witnesses, etc. ir. the circuit court is cut from \$87,500

to \$85,000. Court Cost Given.

Estimating for the months of No-vember and December the cost of operating the circuit court and the clerk's office this year will reach \$246,010. County Clerk Coffey thinks the work can be done in 1917 for \$152,000, approximately.

#### To Remove Dandruff

Get a 25-cent bottle of Danderine at any drug store, pour a little into your hand and rub well into the scalp ith the finger tips. By morning most, if not all, of this awful curf will have disappeared. Two or three applications will destroy every bit of dandruff; stop scalp 'itching and falling hair.

## Children Hate Pills, Calomel and Castor Oil

Give Fruit Laxative when cross, bilious, feverish or constipated.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Look back at your childhood days. on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is wellfounded. Their tender little "insides"

are injured by them. If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions

of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to death. He was standing on the deck clean the liver and bowels and sweeten of the T. A. Scott Jr., talking to Capthe stomach, and that a teaspoonful tain Paul Koenig of the submarine given today saves a sick child tomor-
