Workers Forced to Live Up Earnings

California Social Insurance Commission Finds Less Than $60 Set Aside for Illness; State Insurance Urged.

San Francisco, Nov. 21. — (U. P.) — That workers and their families generally live from hand to mouth, with less than $60 set aside to meet illness, because they are forced to, and that 50 per cent of California's workers are unemployed at some time during the year, were among the statements made at the social insurance commission's hearing yesterday.

These hearings are being held to assist the commission in making its recommendations to the next legislature, especial attention being given to prevention of destitution among workers by sickness or unemployment insurance.

State health insurance was recommended as a means of correction by Professor Alvin Johnson of Stanford, Dr. Philip King Brown and others who testified.

Equal Pay Asked For Equal Work

Will Declare for Statutory Prohibition, Woman Suffrage, Single Standard of Morals for Sexes and Ban on War.

Indianapolis, Ind., Nov. 21.—(I. N. S.)—The national W. C. T. U. convention, in session here, will declare for a general living wage and "equal pay for equal service." This right for women is placed on the same plane as the demand for suffrage for women.

The convention yesterday took up measures looking to the protection of the hordes of foreign women expected to flock to American shores after the European war. Mrs. Ella Boucher Black, superintendent of the union's work among foreign speaking people, declared her department was preparing for this task.

The convention also will adopt resolutions declaring for statutory prohibition until constitutional can be secured, for woman suffrage, for a single standard of morals for men and women, and for an international court of arbitration to banish war.

Union High School At Seaside Opened

Seaside, Or., Nov. 21.—The new $35,000 union high school was formally opened Monday. A parade was formed at the old school place and, headed by the Independent band of Seaside, marched down Broadway and north on Seventh street to the grounds of the new building. Here the flag was raised while the audience sang "America." Entering the assembly hall, a dedication program was rendered, consisting of speeches by the directors and songs by the pupils.

Six Cities Only Are Ahead of Portland

Portland stands seventh among cities of the United States in amount of postal savings deposits, according to a bulletin of the postoffice department of November 15. Total deposits October 31 amounted to $1,243,165, Portland being led by Pittsburg, Detroit, Boston, Chicago, Brooklyn and New York. Portland's gain for October was $46,163. On October 31 some 650,000 depositors had $104,200,000 to their credit throughout the country.

"Single Standard" Reversed.

Chicago, Nov. 21. — (I. N. S.) — Reversing the old "single standard" of morality observed by courts, Judge Harry M. Fisher today fined nine men arrested in a hotel raid and permitted the women who accompanied them to go free. He announced that he hoped to strike at the root of the vice problem by pursuing this policy hereafter.

To Keep Your Skin Free From Hairs

(Beauty Topics)

If you are willing to spend a few minutes' time in your room using a delatone paste, you can easily banish any ugly, hairy growth without discomfort or injury. The paste is made by mixing some water with a little powdered delatone. This is then spread over the hairy surface and after about two minutes rubbed off and the skin washed. You will not be disappointed with this treatment, providing you get real delatone. (Adv.)

Embargo Is Planned To Prevent Exports

Retail Grocers Propose Campaign to Urge Upon President Necessity of Keeping Wheat for Home Use.

San Francisco, Nov. 21.—(P. N. S.)—A national campaign is planned by retail grocers to urge on President Wilson the necessity of placing an embargo on the exportation of wheat and other products, to keep down the high cost of living, according to Frank B. Connolly of this city, chairman of the executive committee of the National Retail Grocers' association. He said:

"We are considering the advisability of placing petitions calling for an embargo in every retail grocery in the United States. Each grocer under this plan would urge his customers to sign the petition, and they probably all would, especially when a customer complained about the advance of prices of commodities."

YOUNG COUPLE HELD FOR BANK ROBBERIES THAT TOTAL MILLION

Cigarette Fiend and Brilliant and Beautiful Wife Are Arrested for Series of Crimes.

Chicago, Nov. 21. — (I. N. S.) — Edward Thatcher, described by the Pinkertons as a pale young cigarette fiend with a brilliant and beautiful wife, has been arrested in a fashionable hotel in Miami, Fla., on charges of bank robbery.

One million dollars in losses to banks all over the country are charged to Thatcher, and remarkable as it may seem, the first time detectives ever laid eyes on him was when he was found in Florida.

With Thatcher in jail is a beautiful young woman who is held as his accomplice. Thatcher himself stated that she was not his wife. He has confessed, and the records in the hands of the Pinkertons alone connect him with the theft of $700,000, it was stated tonight.

For weeks, a search has been conducted in Chicago for Thatcher's wife. Almost every big city in America is reported to have been "worked" by Thatcher, who used scores of addresses, sometimes employing a dozen different names in the same city at the same time. Among his biggest jobs lately, it is alleged, are these:

Thirty-seven thousand dollars from a San Francisco bond house, $250,000 from the National Shawmut Bank of Boston and an almost successful attempt to get $130,000 from the vaults of the Tenth National bank of Philadelphia.

English War Widows To Settle in Canada

Chicago, Nov. 21.—(I. N. S.)—Plans to bring 5000 English women, widowed by the war, to Canada have been completed by officers of the Salvation Army working in conjunction with the officials of the dominion and provincial governments in Canada. The widows, it is expected, will remarry, as most of them will be young and attractive. Commissioners Henry Howard and M. Lamb, both of London, arrived in Chicago yesterday and made their plan known.

Bad Check Operator Is Held at Sutherlin

Roseburg, Or., Nov. 21. — A man using the name George F. Donnelly, wanted in Portland for obtaining money on bad checks, was arrested at Sutherlin Monday afternoon as he was about to pay for cattle with a check drawn on the Douglas National bank, in which he had no account. Donnelly was brought to Roseburg. It is not known whether he will be tried here or taken to Portland.

Dallas Man Stricken In Tillamook County

Dallas, Or., Nov. 21.—Arthur Starr, manager of the contract department of the Starr Transfer company of this city, was taken seriously ill Saturday while superintending the construction work on the Sour Grass cutoff in Tillamook county. He was brought home in an automobile, accompanied by two Dallas physicians who went after him. When the party reached this city Mr. Starr's condition was critical, but he has since rallied and it is believed now that he will recover.

MUNICIPAL BASTILE IS NOW RESIDENCE OF TOO ARDENT SUITOR

Diminutive Man Gets a Real Peeve When 200-Pound Woman Rejects Attentions.

Although Robert Billie is only five feet six inches tall and has a falsetto voice, he used caveman tactics successfully in his wooing of Minnie Luciovich, who conducts a lodging house at Fifth and Everett streets. She is six feet tall and weighs 200 pounds and over.

Billie is an employe of the Northwestern Electric company, a refugee from Montenegro, and, according to the police, a deserter from the Canadian volunteer army. He is said to have left Three Rivers, British Columbia, several months ago without the government's permission.

For several weeks, witnesses said in the municipal court yesterday, Billie has been an ardent but unsuccessful suitor. He gave the woman presents of various kinds and Friday gave her a dress costing $11. Saturday they quarreled.

Woman Barricades Door.

Sunday night Billie became desperate. He went to the rooming house, but found that his lady love had locked herself in her room and barricaded the door.

The fortifications could not withstand the assault made from without. Billie broke the door down. The woman's screams in the meantime caused a police alarm. When Detectives Tackabery and Hellyer reached the scene, Billie was in the room choking the woman. He had just forced her to give him $11 to pay for the gift he had made her, the police say.

"He threatened to cut my nose off, even to kill me," Mrs. Luciovich wailed to Judge Langguth yesterday. Billie made rapidfire denials in Slavonic. The fusillade of words caused the woman to cry louder.

Court Takes No Chances.

"I'll go to Salem tonight, judge, if you'll let me go," said Billie.

"He will go back to that rooming house and kill her, if you let him go," warned Mrs. Luciovich's counselor.

The court thought likewise and Billie was ordered back to jail while the government investigates his entry into this country. The $11 was ordered repaid to Mrs. Luciovich.

Relief From Freight Car Shortage Sought

Southern Pacific Sends Representative to Washington to Ask Interstate Commerce Commission to Help.

San Francisco, Nov. 21.—(P. N. S.)—George F. Richardson, superintendent of transportation for the Southern Pacific company, is on his way to Washington, D. C., to take up with the Interstate Commerce Commission the question of car shortage.

The requests for more cars from Oregon, Washington and Arizona shippers have become so urgent that the Southern Pacific decided to send Superintendent Richardson east in the hope of arriving at some solution of the problem.

The company has about 7000 box cars away from home on eastern roads which it is unable to get back. It wants the Interstate Commerce Commission to help it get them back, or any other cars, so as to equalize the situation.

Terre Haute Sells Coal.

Terre Haute, Ind., Nov. 21.—(I. N. S.)—The city of Terre Haute got into the coal business today. The first day was a big success. Two hundred teamsters were kept busy hauling coal from a mine leased by Mayor James Goesom. The coal sold at $3.75 a ton. Dealers were selling the same grade for $6 a ton, and Goesom says he will keep up the system until the price of coal is forced down in Terre Haute.

Yields to Suicide Impulse.

Whittier, Cal., Nov. 21.—(P. N. S.)—While examining several guns in a local hardware store, Frank Stover, 50, suddenly picked up a revolver and shot himself through the head. He will die.

This Simple Laxative A Household Necessity

Dr. Caldwell's Syrup Pepsin Should Have a Place in Every Home.

Constipation, or inaction of the bowels, a condition that nearly everyone experiences with more or less frequency, is the direct cause of much disease. When the bowels become clogged with refuse from the stomach, foul gases and poisons are generated, and unless the congestion is quickly relieved the system becomes weakened and most susceptible to attack.

Various remedies to relieve constipation are prescribed, but many of these contain cathartic or purgative agents that are harsh and violent in their action and shock the system. The most effective remedy is the combination of simple laxative herbs with pepsin that is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin.

The Hon. John D. Keister of Brandywine, W. Va., who has represented his district in the state legislature for six years, writes that he uses Dr. Caldwell's Syrup Pepsin and finds it a splendid laxative, easy to take and mild, yet positive, in its action, and that it should be in every household for use when needed.

Dr. Caldwell's Syrup Pepsin is sold by druggists in all parts of the United States and costs only fifty cents a bottle. It contains no opiate or narcotic drug, does not gripe, and is recommended as a family laxative, mild enough for the tiniest babe, yet sufficiently powerful to act easily on the strongest constitution.

To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington st., Monticello, Illinois.
