

PORTLAND WILL GET SEVERAL BIG GAMES FOR FOOTBALL FANS

Oregon-California and Washington-O. A. C. Teams to Meet on Club Field.

MULTNOMAH GETS SHARE

Capt. Walker Arranges Athletic Meets for Club; Two Conferences Unable to Make Football Schedules Available.

Despite the fact that the delegates to the Pacific Coast Intercollegiate and the Pacific Northwest Intercollegiate conference could not make their schedules jibe, Portland football fans are assured of some big games during the 1917 season.

The University of California-University of Oregon game will be played here, as will the University of Washington-Oregon Agricultural College game. The California-Oregon game will be played October 27, and while the date for the Washington-O. A. C. clash is also October 27, it is believed that these two teams will agree to put their game on a week earlier.

Superintendent Dow Walker of the Multnomah club, who returned from the meeting yesterday, secured the following games for the "Winged M" players, although there is a possibility of the same with Washington being canceled: September 27, O. A. C. at Corvallis; October 6, Washington at Seattle; October 13, Oregon at Eugene; November 10 or 17, Washington State at Portland; Thanksgiving day, Oregon at Portland.

Penitentiary Gets Game. The Thanksgiving day game seems to appear scheduled permanently. Washington and Washington-Oregon will play at Seattle, Whitman will meet O. A. C. at Pendleton and Oregon will clash with Multnomah in Portland.

The conference managers are going to make an effort to straighten out the tangle by mail, and it will be several weeks before a complete schedule will be announced.

The basketball schedule is more or less of a gamble in the Coast conference, depending upon the winners of the clashes between Washington and Washington State and Oregon and O. A. C.

Tentative arrangements for the appearance of the Washington State, Washington, Oregon and Oregon Agricultural Amateur Athletic club team in Portland have been made. The Whitman college team may also play in Portland this coming season.

Need All-Coast Conference. The formation of an all Pacific coast conference is about the only solution of the scheduling tangle. The Coast conference delegates gathered at the Washington hotel and the Northwestern conference at the Savoy hotel in Seattle and everything went off smoothly, but when an effort was made to put the two schedules together there was a big mix-up.

The annual game between the University of Washington and the University of California may have to be played during the early part of the season, according to latest reports from Seattle.

Conde Is Outclassed By George Thompson

San Diego, Cal., Dec. 4.—(P. N. S.)—George Thompson, San Diego bantamweight, stopped Johnny Conde of San Francisco in the ninth round of a scheduled 20-round bout at Tia Juana yesterday. Thompson tore into the Frisco lad from the first minute and within a few minutes it became apparent that Conde was outclassed. Both boxers weighed in at 111 pounds.

Magnates Leave for S. F. San Francisco, Cal., Dec. 4.—(U. P.)—Magnates of the Pacific Coast league will leave here tomorrow for Salt Lake, where the annual meeting of directors will begin Wednesday morning. With some of the most important matters in years scheduled to come up, it is anticipated that a lively session will be held.

Golf "Plays Hob" With Business Job In Efficiency Way

Washington, Dec. 4.—(I. N. S.)—One of the best informed men in the government service stated today that big business interests have similar consideration of the elimination of golf players from managerial positions in their institutions. It was said, careful observation has shown signs of golf players were producing less than non-players and that business has shown signs of deterioration under the supervision of amateurs of golf links. This observation, it was said, was not confined to the United States, but had been made in England also.

DISPUTED GAME LAW SUMMED UP BY THE WARDEN

Feeding Ducks and Shortening Deer Season Affects All Sportsmen.

Speaking of two of the very important subjects under discussion at the sportsmen's association meeting, which affect all parts of the state, Carl D. Shoemaker, state game warden, summed up the duck feeding and deer shortening proposition as follows: "The question of legislating against the feeding of ducks is a mooted one. As the law now stands, there is nothing to prevent sportsmen from feeding ducks. As a matter of fact the average sportsman does not get much duck shooting; duck shooting is practically a club of the kind, naturally, all along the Columbia river, in the sloughs and lakes and on the islands, and in many places throughout the valley, property has been leased by duck clubs and no one except members, or invited guests, is permitted to shoot. "There is nothing in the law to prevent this form of organization and no legislation could be passed which would affect the right of a number of sportsmen to band themselves together and form a club of this kind. Naturally, all of the best grounds are taken up by these clubs and they obtain practically all the shooting. A great many of these clubs have been formed along the Columbia, and the members have employed caretakers who throw feed along the water to attract the ducks. This has been done for a great many years and there has been pretty good shooting. "Shooting fell off in the valley and the sportsmen there became aroused. They had become a professional birding and skating lessons for pay, is touched upon in President Ade's statement. He declares there is nothing further to say regarding this case. "In the public discussions of this case," said Ade, "there has been no disposition to question the fact that Miss Caswell is a professional birder. The question arose as to whether in such circumstances she could be considered an amateur in tennis competition. All that is covered by the present rules and has nothing to do with suggested changes. Section of Bylaws. "Section four of article two of the bylaws reads as follows: 'The club shall accept no one who has not played, instructed, pursued or assisted in the pursuit of tennis or other athletic exercise as a means of livelihood or for any gain or emolument.' "Another suggested change forbids tennis players from receiving pay for their services in any tennis tournament, except that expenses may be supplied by the club or association represented.

Whitman Turns Its Attention to Nets

Whitman College, Walla Walla, Wash., Dec. 4.—With the closing of the season on Thanksgiving day football got the hook at Whitman and basketball took the center of the stage. Regular practice will begin next week, and the interclass series will be played off between now and Christmas. The first of the Christmas holidays the varsity will start its schedule. "Loss of four of last year's near-champions will weaken Whitman's team this year. Baker and Young, guards, and Blackman, forward, are lost by graduation, while Clerin, forward, failed to return to college. "Of last year's varsity, Captain DeMont, center, and Botts and Peterson, forwards, are back, and have been practicing for several weeks. G. Clerin, sub, are also out this year.

Noted Olympic Club President Passes On

San Francisco, Dec. 4.—(P. N. S.)—William Greer Harrison, one of the best known figures in athletic circles on the Pacific coast, died here yesterday, after celebrating his 80th birthday. He was taken ill 10 days ago and no hope had been held for his recovery. Harrison was one of the foremost members of the Olympic club here, of which he was elected president 21 times. His birthday party this year was to have been a gala occasion at the club and he was planning to give a dinner when taken ill. On his 80th birthday Harrison walked from San Francisco to San Jose, making the 60 miles in 15 hours, and later took a dip in the ocean.

E. Stiehm President Of Big-9 Conference

Chicago, Dec. 4.—(U. P.)—Coach Ewald Stiehm of Indiana, was named here Saturday night. Stiehm broke into the big nine this year, coming from Nebraska, where he turned out championship eleven in the Missouri valley for several years. Nelson A. Kellogg, athletic director at Iowa university, was made secretary.

Clarke County Has Activity at Basket

Ridgefield, Wash., Dec. 4.—Ridgefield, La Center and Sara, in western Clarke county, at the present time have four school basketball teams which are rounding into good shape. The Sara team lost its first regular game to the fast Yaocit five. Ridgefield has lost and won a game while playing the Sara town and school team in practice games. While the girls' team here has not yet played, it is rounding into the pink of condition as a result of heavy practice several times a week under the coaching of Miss Theima Moore.

Basketball League Has Been Organized

The Dalles, Or., Dec. 4.—A local basketball league of five teams has been formed here. The league is composed of the high school, regular five, high school faculty team, high school alumni team and a team of local business men. A series of games will be arranged. The first game will be a double-header on December 15, between the high school and alumni, and the second between the teams. A. E. Gronwald was elected captain and Harry Kuck manager.

Oregon "All Stars" Happy

University of Oregon, Eugene, Or., Dec. 4.—The picking of six Oregon men on George Varnell's all-Northwest eleven has excited the Oregon camp almost as much as a non-conference victory. It is the one honor that every man in the team has been after. Varnell's opinion is especially valued as he has refereed every northwest conference game in which Oregon has participated.

John Day Is Champion

John Day, Or., Dec. 4.—The John Day high school football team took home the county championship when it beat Prairie high Thanksgiving day, 18 to 6. This was the last game of a series of three, of which the local team won the first and last.

Some Race Dates for Canada

New York, Dec. 4.—(U. P.)—Canadian racing for 1917 probably will include the same dates as the year just passing. It is believed among local followers that Woodbine's meeting will open about May 20.
