Young Kenneth Penner Very Highly Regarded as Prospect for 1917.

#### FRED BEEBE RANKED 17TH

Veteran Readed All Indian Pitchers Except Coumbs in Matter of Earned Runs-Hagerman Is Not Wanted.

Although Walter McCredie has not heard from the Cleveland club for a couple of months, according to an almission this morning, the wires from the Ohio metropolis state that Pitchers Fred Beebe and Kenneth Penner have been turned over to the Portland club for next year. Beebe goes by re-lease, while Penner will be out with an option to repurchase next fall at They represent the May and December of the Cleveland club, as Penner is nothing but a kid, white Beebe is a veteran of 26 years or more, and has been virtually the property of the Portland club for a couple

McCredie thinks that Penner, who is a strapping right hander, will do the Beavers some good. Cleveland paid the Marshalltown club of the Central association a lot of good money for Penner, after he had set the class Il league afire. He allowed an average of 1.41 runs per game, which is a great record. He was second in the league in being responsible for runs. the leader being his team mate, Tor-

Penner fanned 165 men and walked 62. He allowed 224 hits and 45 earned runs to the 1055 batsmen that faced him in the 51 games that he worked. His wins and losses show that he was in 22 games on the right side and 11 which is not bad for a pitcher, and batted .177, which is nothing to worry about in a pitcher,

Penner finished up the season with the Cleveland team and showed enough to warrant his future development at the expense of the Indians. He didn't, however, get into enough games to get into the averages.

Beebe, in the matter of being responeible for runs, had a better record than any Cleveland pitcher, but Coumbe, whose average was 2.02 runs per game. In the 20 games that Beebe pitched, he allowed an average of 2.42 runs per game. In the list of American league pitchers, the veteran stood seventeenth and inasmuch as he has a wise old head, he may be able to get by nicely in the Coast league as he did in the the United States. San Francisco, Dec. 22.-(U. Amherst, Mass., Dec. 22.—Leslie Mann, former outfielder of the Seattle Northwestern league team, and now a member of the Chicago National League club, will act as coach for the Amherst college basketball team this season. President Weeghman of the Cubs objected to Mann's coaching the team, but this objection has been withdrawn and prospects for another winning team are very good.

It is traditional that a man wants to be dressed up on Christmas day, like the Fourth of July, Easter, etc. Christmas, however, is a holiday, more impressive, and a day when a man have that feeling of truc Christmas cheer unless he is well dressed, and, above all, has a new suit or overcoat.
