Serial Has Serious Message.

Guy W. McConnell believes that the serial film version of his story, "Pearl of the Army," will demonstrate some of the steps that this country must take if it intends to continue upholding the Monroe doctrine. The border nobilization convinced Mr. McConnell that in spite of the widespread preparedness propaganda the United and officers. States was far from ready to meet a serious crisis. Through the exciting cities, the f and mysterious incidents of the new Pathe serial there runs a serious message and that is, "America for the
