**TOM ANDREWS OFFERS  
A \$50,000 PURSE FOR  
HEAVYWEIGHT MATCH**

Milwaukee Promoter Hot After Willard-Carpentier Go; Lands Freddie Welsh.

**DARCY GETS CASH OFFER**

Lightweight Champion to Box Ritchie Mitchell Ten Rounds; Try to Get French Champion's Release.

By E. J. Geiger.  
Milwaukee, Jan. 6.—(U. S. S.)—Fifty thousand dollars is the purse Tom Andrews, local promoter, today offered in New York for the Jess Willard-Georges Carpentier ten-round match to be staged here. This bid is far in advance of the one made by Tex Rickard and practically puts the New York promoter out of the running. Andrews who has quite an edge in the staging of this contest stated today following a cable from Jack Curley who is in Paris, that he believed the match will go through.

Shortly after Andrews made the bid he displayed a contract signed by Jess Willard in which he agrees to battle the Frenchman. He need not worry about the champion because the Willard interests are 50-50 on the promoting of the show. Curley, it is understood, cabled that he has things well under way and that he hopes to get the consent of the French government to bring Carpentier here.

In Bidding Mood.  
Andrews was in the bidding mood. He offered Les Darcy \$15,000 cash and 10 round battle with either Jack Dillon or Mike Gibbons to be held here in February. Darcy asked until Monday to decide.

Andrews wound up his business of the day by closing two matches with Freddie Welsh. One will be a 10 round affair between the champion and Ritchie Mitchell in this city on January 16, the other will be a 20 round contest in New Orleans between this pair, the fight being to a referee's decision. Mitchell is so sure that he can beat the champion he is going to post \$15,000 and stage the show himself, allowing Dominick Tortorich 10 per cent of the profits for the use of the club.

When Welsh signed for the Milwaukee bout he insisted on a clause in the articles that in the event he is knocked out he must be given a return match and before Mitchell meets any other opponent. This is conclusive proof that Welsh fears Mitchell's punch.

**AUSTRALIAN BOXER IS  
ANXIOUS TO SHOW HIS  
WARES TO U. S. FANS**

By H. C. Hamilton.  
New York, Jan. 6.—(U. P.)—Les Darcy, Australian pugilist, is getting his peevish up. He wants to fight and he wants to do it inside of six weeks. Tex Rickard has been informed, so Darcy's manager, Tim O'Sullivan, told the United Press tonight, that unless he produces a match the two will get busy and accept some offer made by another promoter.

O'Sullivan wanted it understood he was not trying to force Rickard into an uncomfortable position, but he said he and Darcy both realized the feeling of the American public.

Rickard Wording On.  
"The people want to see Darcy in action and we're going to please them if it's possible," he said. "Rickard has been putting us off with promises of a match with Carpentier until we can't wait any longer. He must do something else."

Darcy would have no trouble in getting a match for almost any price, but it is hardly probable Rickard will let the bout slip past him. Although he has no place in which the fight might be staged, he has been figuring for some time on the erection of an arena in New York.

Tom Andrews, the Milwaukee promoter, has offered Darcy a flat guarantee of \$15,000 or a guarantee of \$12,500 and a percentage of the receipts for a bout in Milwaukee. He would pit the Australian champion against George Chip, Jack Dillon or Billy Mike. Other promoters have made offers fully as tempting.

Invited to Join Army.  
Action on the ultimatum is expected by Monday.

The pugilist who left his native land flat on its back in the midst of war today said probably he would join when he gets ready to do his bit for his king and country. Responding to invitation from Captain Bobby Kerr, commander of the Two Hundred and Fifth Sportsmen's Battalion at Hamilton, Ont., he said he would be greatly pleased to enter his organization. Tim O'Sullivan backed this by saying he too probably would join that battalion. Kerr won the 200 meter race at the Olympic games when they were last held in England, and for many years has been Canada's champion sprinter. When war broke out he began to organize a battalion composed entirely of men prominent in sports of some sort. Darcy, he believed, would make a fine addition.

**Jack Barry to Take  
Charge on Monday**

Boston, Jan. 6.—(U. P.)—Beginning Monday, Jack Barry, new boss of the Red Sox, will plunge into his new duties. It was stated today at the office of Harry H. Frazar, president of the club. Contracts will be mailed and details of spring training will be fully gone over.

Barry is going into his new position with a hard job ahead. He is following in the footsteps of a man who is recognized as one of the foremost strategists of baseball. The ghost of Bill Carrigan's success is certain to hover over Fenway park and Barry will have to produce the real thing to gain popularity with the fans.
