FEAR NOT! THERE WILL BE ICE HOCKEY GAMES HERE UNTIL MARCH 2

President Bryan Will Cool Down and Think Things Over Before Acting.

TWO OFFICIALS NEEDED

But There Are Only Three Competent Ones in Northwest, According to Those Who Know the Game.

By R. A. Cronin. Palpitate not, gentle hockey fan, you will have your favorite game for the rest of the season.

Reports from Vancouver, B. C., home of President Patrick, of the Pacific Coast association, are to the effect that President Bryan of the Portland club threatened to withdraw the Rosebuds from the league unless the Portland protest of the Seattle 6 to 2 victory of last Tuesday night is upheld.

There is no question but that two officials are being sought by the Portland fans. The gates here are large and the local rink is fully able to pay the expense of an additional official.

Jon is an old time lacrosse player and is not lended. He refuses to stand for any lack talk and in that he may be a little hasty, but nobody has ever questioned his honesty.

It reminds one of the time the Portland baseball fans used to start on "Bull" Perrine in the first inning and yap until the last. They asserted they would run him out of the league. They did.

There has been some talk going the rounds that the officials at favoring Seattle in the race, but there are people who believe that every sport is fixed, amateur or professional.

No, there will be hockey in Portland until the season closes in Portland, March 2. Mr. Bryan will not withdraw from the league. There is money in hockey, and anyhow, there is no other league that Portland could join this side of Toronto.

Seattle Officials Smile.

Seattle, Jan. 18.—(U. P.)—Word that the Portland Ice Hockey club was serious in its intention to withdraw from the league, has been received here today with broad smiles by officials of the local hockey club.

Just a few baby tactics on the part of a bunch of poor losers, was the opinion unanimously expressed by followers of the ice game in Seattle.

"Mickey Ion is one of the best, if not the best, hockey referees in the world," declared Frank Patrick, president of the association, today. "His work has always been satisfactory. He worked in the league before Portland was given a franchise and as far as I am concerned he will continue as an official. Portland, however, will be given every opportunity to substantiate its claims that he was unfair."

BASKETBALL GAMES

The Peninsula Park Vikings defeated the Newboys second team Tuesday night by the score of 18 to 17. The game ended in a squeak over a double foul. This is the second time this season that the Vikings beat the Newboys. The Vikings will play the C. B. C. Juniors in a preliminary game to the Peninsula-Chemawa game Saturday evening in the C. B. C. gym.

BRINGING UP FATHER

O. A. C. Beats U.-O. In Basketball Game

University of Oregon, Eugene, Or., Jan. 18.—The University of Oregon basketball team was defeated 24 to 7 by the Oregon Agricultural college in the second game of the state series in Eugene yesterday. Oregon showed some improvement over Tuesday's matinee but with McCready and Sims both out of the game was unable to stop Sieberts and his fellow scorers.

Under the new rules passed by the conference at its December meeting a senior cannot have had more than 16 hours "flunk" since registration. Sims fell under this rule. McCready is below passing in a three-hour economics course. This will carry him below the 11 hours which an athlete is required to pass.

Washington Basket Trip Disastrous One

University of Washington, Jan. 18.—After one of the most disastrous trips in the history of basketball at the university the varsity team has returned to get ready for the home series with Washington State college the last of this week.

While away from home the varsity played and lost four games. Two to W. S. C., one to Spokane Athletic club and the last to Whitman. This is the first time in several years that Washington has lost to Whitman.

The reason for the repeated losses is due to the fact that the men have had time enough to perfect their work, coupled with the poor material available.

Several shifts will be made before the W. S. C. game Friday night. A tie will probably replace Sommer at center, the latter being shifted to guard to replace Staats.

Boxer Admits Arson In Sacramento, Cal.

Seattle, Jan. 18.—(P. N. S.)—Harry B. Scholl, 24 years old, featherweight boxer, known on the entire coast, is held by the police today after he had walked into headquarters here and announced he was an incendiary.

Scholl said he burned a house in Sacramento, Cal., in 1914, to get the insurance for his father, who was poverty stricken. Scholl drew a revolver from his pocket, tossed it on the police table, and said: "Dad died three months ago, there's no use holding out any longer."

J. Duffy Has Some Record in Boxing

Jimmy Duffy, the crack 120-pound boxer of Oakland, Cal., who meets Weldon Wing in the semi-windup event of the Golden West Athletic league next Tuesday night at the Rose City Athletic club gym, has scored two knock-out victories over Danny Edwards, who has appeared before the local fans several times.

Duffy, who has been boxing about two years, has never lost a decision. He has had 56 bouts and has won all but four, which were draws. His most sensational victory was over Johnny Farren, the 125-pound boy of San Francisco, who annexed the far-western championship in 1915.

The other events of the card, which will be headed by the Bronson-Pelinsinger bout, are: "Buck" Smith vs. Jimmy Moscow, Pinky Lewis vs. Joe Haley, heavyweights; Shel McCool vs. Sammy Morris, and Valley Trambitas vs.

WILL DEAL WITH PLAYERS ALONE AND PASS FULTZ

Johnson and Tener Will Have Nothing More to Do With David.

By H. C. Hamilton. New York, Jan. 18.—(U. P.)—That a war to the finish is contemplated to keep baseball fields "open shop" and prevent players from joining organized labor was indicated here today when it became known that Ban Johnson, president of the American league, and John K. Tener, president of the National league, have entered into an agreement to have no more to do with the Baseball Players' fraternity. It was announced that hereafter the players will be dealt with as individuals and that Dave Fultz will not be considered.

The application for a charter affiliating the fraternity with the American Federation of Labor rankled so much in Ban Johnson's brain that he did not intend to be used as a club to beat the minor leagues into line and he believes that is the reason for the attempted affiliation with Samuel Gompers' organization.

Fultz is sticking to his optimism. He guessed that organized baseball would be doing itself a favor by recognizing the strength of the fraternity right now. He declared everyone knows the National commission is the real head of baseball, and announced that he is the one to recede one step from his stand.

"The commission can adjust our demands, and the major league magnates can see to it that it is done. The minor leaguers will be forced into line. It might just as well be done now," was the way he summed up the situation.

Cub Players Will Be Out of Job, Says Boss

Chicago, Jan. 18.—(I. N. S.)—President Weeghman of the Cubs threw down the gauntlet to the would-be strikers on his team today. He asserted that any man who has a contract with the Cubs and who does not report on February 20, can consider his connection with the club automatically severed.

Lester Mann, outfielder, in a letter to a friend here, stated that he had received a larger salary cut than he expected, considering the fact that he had given the club his best efforts last year. He said he did believe Dave Fultz would not have much trouble in getting the rest of the Cubs to hold out if the salary cuts for the rest of the team were as substantial as his.

With Fisher and W. J. already having declared themselves in favor of the strike, it appears that Weeghman has something to worry about.

Lowe Simms to Meet C. McIntyre Tonight

Seattle, Wash., Jan. 18.—(P. N. S.)—A tough Portland boy, pitted against a Seattle fighter who will attempt to educate the fans up to the knowledge that he is the best fighter in the parts, will furnish the main event of a good card scheduled here for tonight.chet McIntyre, boxer and teacher of boxing, will take Lowe Simms of Portland. In the semi-finals, Lloyd Madden will fight the Canadian brawler, Joe Hayley. Interest is divided in these two matches.

Archie Wyard will meet Ta'Sona Paul Steel. Bud Ridley meets Charlie Davidson and Leo Houck will get another chance at Walter Granger. Two preliminaries will precede this card.

Boxing Gloves Take Place of Duel Stuff

Madison, Wis., Jan. 18.—(I. N. S.)—Assemblyman W. A. Campbell of Milwaukee has introduced a bill to repeal the law prohibiting dueling. Mr. Campbell explained that boxing gloves and other modern weapons have taken the place of swords and long handled pistols, therefore it is no longer necessary to waste perfectly good white paper printing the time worn provision prohibiting dueling.

Robert Wrenn Favors Professional Stand

New York, Jan. 18.—(U. P.)—Robert D. Wrenn, four times national tennis champion and a former president of the United States National Lawn Tennis association, declared here today he is heartily in favor of the proposed amendments to the amateur rule, to be voted on next month.

Employment of prominent tennis players by sporting goods houses is fundamentally wrong, because in most cases they are paid for one thing, while in reality their value to the employer comes from the fact that they do an entirely different thing by capitalizing their reputation.

Jimmy Wilde Gives Tip to Lester Darcy

London, Jan. 18.—(U. P.)—Jimmy Wilde, fly-weight champion pugilist, who recently knocked out Zulu Kid, the American aspirant for the title, was excused from military service today.

Wilde had been ordered to join the army gymnasium staff, but asked permission to appeal for an exemption on the ground that he desired to support his family by mining coal. As his occupation is one of those under governmental control and exemptions are granted exemption from military service, since they are virtually aiding in defense of the nation through mining coal for army and navy uses, Wilde's appeal was granted. He had previously been refused enlistment for foreign service on account of his size, it is said.

Seals Don't Believe Coast Will Be Struck

San Francisco, Cal., Jan. 18.—(U. P.)—Harry Wolpert, manager, and Justin Fitzgerald, outfielder of the San Francisco Seals, do not believe that the proposed baseball players' strike, if called, will affect the Pacific coast.

"I expect no difficulty in getting the Seal contracts signed," said Wolpert. "None of our boys have received any notification that a strike will be called."

Fitzgerald, who is an enthusiastic member of the Baseball Players' fraternity, says no notice of any kind has been sent to players in this league.

Washington Hockey Team to Play. The Washington High school hockey team will meet the Lincoln Cardinals tomorrow night at 8 o'clock in the Ice Palace. This will be the first game of the season for the east siders. Lincoln defeated the Jefferson team last week by the score of two goals to nothing. The regular skating session will follow the game.

EDDIE COLLINS WILL REPORT TO COMMY ON TIME

Highest Priced Player Except Cobb Has No Grievance Against Baseball.

Philadelphia, Jan. 18.—(I. N. S.)—Edward T. Collins, who draws more salary than any other ball player in the ranks excepting Tyrus Raymond Cobb, said today that he would report to the White Sox training camp on time.

"I am not a member of the fraternity," explained Collins, "and am therefore not subject to any orders from David L. Fultz. I am working under a long time contract with Mr. Comiskey and will be most enthusiastic man in the country when reporting time comes."

"I once belonged to the fraternity but permitted my membership to lapse for the simple reason that I was not enthusiastic about it. I never had a grievance on baseball. The Athletics and Connie Mack always treated me right and Comiskey is doing the same thing."

Senator Wood Will Likely Kill Boxing

Springfield, Ill., Jan. 18.—(U. P.)—While sport fans are optimistic over the prospects of the Illinois boxing bill passing safely in the house, the report that the senate license committee, headed by Senator Wood of Jefferson county, will act upon it before it goes before that body, makes its adoption in the upper house extremely doubtful.

Wood, as a representative, was responsive to the defeat of the boxing bill of 1916. The bill now before the house legalizes 10 round boxing and sparring matches with five ounce gloves or heavier. It provides for a state athletic commission of three members and the licensing of athletic clubs. Five per cent of the gross receipts go to the state. Sunday bouts are tabooed.

Mt. Angel Basketers Beat Chemawa Quint

St. Benedict, Or., Jan. 18.—Mt. Angel college quintet continued to pile up victories when she took Chemawa's scalp to the tune of 20 to 18 yesterday afternoon. In the most sensational game of the season the collegians showed real class when they fought the Indians nail and tooth to the very finish of the game. For the first seven minutes of the game both sides showed

He had been asked whether he would join the Tigers on their spring training jaunt or line up with Dave Fultz in the proposed strike.
