At Initial Meeting Tuesday Night a Third of County Societies Were Present.

SUCCESS OF DRIVE IS SURE

General Study Classes Have Been Started and It Is Believed the Drive's Goal Will Be Beached,

The normal training classes of the Mulinomah County C. E. Union Mission Study Drive started Tuesday evehing at the Y. M. C. A. under the able leadership of J. F. Ewing, Mrs. M. A. Danenhower, and Miss Violet Johnson. In spite of the stormy weather during the sevning, over a third of the county's senior societies and a third of the junior societies were repre-sented. It is believed that with the enthusiasm manifested, the success of the drive is assured. Already several mission study classes have been started in the various societies throughout the county and the members are showing great interest in the mission study, It is expected that at the next meeting a decided increase will be shown. Other societies will, it is anticipated, catch the spirit and appoint leaders to attend the classes, and it is believed that the drive's goal, a mission study

will be reached. Miss Violet Johnson has charge of the junior training class. It is tak-ing up the book entitled "The Land of the Golden Man" which is an in-teresting book for the younger Christian Endeavorers. It is advisable that all junior superintendents who can should join the junior training class, as many new and beneficial suggestions can be gained from the study of this little book.

class in every society by March 31,

The senior training classes are taking up the book "South American Neighbors" by Homer C. Stuntz. As is well known, South America is a very interesting country to study. Classes in individual societies will find in it a great source of interest and educational value

Some of the societies are holding their mission study classes during the week, while others are incorporating the mission study with their regular Sunday evening prayer meeting, instead of the regular C. E. prayer meeting topics. These classes are to continue for six weeks.

The normal training classes for the leaders of these mission study classes in the various societies are being held at the Y. M. C. A. every Tuesday and Friday evenings from 6:30 to 7:45 p. m. These classes end February 16.

Sunday will be a day of unusual in-terest to the First Free Methodist church. East Ninth and Mill streets, of which Rev. Alexander Beers is pastor. Bishop Walter A. Sellew of Jamestown, N. Y., will deliver a mis-sionary address at 11 a.m. Bishop Sellew has been around the world in the interest of missions and has been sent on three special trips to China and Japan. He is also the president of the General Missionary board of his denomination. In the afternoon, Mrs. Rebecca Sellew will deliver an address entitled "Women in Foreign Lands" for women only. The bishop will preach again at church services, as it will be the night, which will close the series of closing Sunday of Dr. Dean's stay in meetings he has been holding.

Forces the Topic at First M. E. Church

"Destructive and Constructive Forces' will be the subject for the morning hour at the First Methodist Episcopal church south Sunday. The forces at work in Europe, America and the whole world will be reviewed. The Pastor, Rev. W. J. Fenton, declares that the interests of humanity are at stake and that the supreme need of the hour is right thinking, coupled with doing. A fatal mistake on the part of one individual may result in untold misery for thousands, it is claimed. The meaning of life, he believes, with all its stupendous responsibilities, confronts every man,
