EHOLD the Lalys of the Field, the Roses of the beach, the Daisies of the golf links, the Violets of the tennis court, the Irises of the motor course-they toil not (only exercise a little), neither do they spin (except in a Rolls-Royce or a Ford), yet Solomon in all his glory was not arrayed as one of these.

Never have sport suits, frocks and accessories been more bewilderingly The windows are full them already for southern exposure in California, and, like havens, where the fortunate flit.

There is a ducky hat with turquoise parasol to match, whose inner side is a nass of tiny puffings and shirrings of the yellow figured border. All up-todate 1917 model parasols are wearing their ornate trimmings inside, and a closed parasol is a closed book. Only when opened does it disclose its glories to an admiring multitude.

Unusual and oriental are the color combinations used to band and trim the sport suits and one piece frocks but always are they hectic to the highest degree.

A stunning new sport silk like heavy pongee called Khaki Kool is the favored material and it comes in daring and unusual designs and all the vivid colorings.

Sport skirts of this material are striped in vivid colors as they were last year but this season too they will be easily spotted with polka dots as large as life and twice as colorful.

Hats, parasols, stockings, shees, handkerchiefs and bags are all gotten up to match and carry out a complete costume effect. Among the lovely new silk sweaters a lettuce green one banded, sashed, and sailor-collared in white is perhaps the loveliest, but a two foned sweater coat in checker-board pattern that comes in two shades of blue, yellow, rose or green and black small Bobby. "This is St. Valand white is also a stunning novelty.

Cerise, green and gold seem to be the most taking trio of tints for the onepiece, straight-line sport silk dresses, but they all have some other vivid dash of contrasting color to startle and at-

Jersey cloth still continues to hold Hts popularity over from last year into called suedene is also very good. For motor coats of spring suede cloth is the material de luxe with linings of softest, brightest, silk or chiffon cloth. They are much shorter than the winter poats, and so full and loose as almost to be mistaken for capes at the fi fleeting glance as they dash by on up "to-date maids in up-to-date motors.

teh to the village green.

from an old bed tick. Cut away the worn parts; if joined they can be used perhaps for a pocket or bib. Hem or started out for home. bind the edges of the remainder all round with braid, red or white, add will last a long time. These are pre- whistle, Terable to the ordinary coarse apron.

DANIDDHEE MAKEO DANUKUTT MANES

25c bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls! Try this! Doubles beauty of your hair in few

Within ten minutes after an application of Danderine you can not find on tiptoe. a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be you." after a few weeks' use, when you see new hair, fine and downy at firstover the scalp.

bles the beauty of your hair. No dif-ference how dull, faded, brittle and in the doorway she called out cheerbles the beauty of your hair. No difsoraggy, just moisten a cloth with fully: "Come here, my big boy; come Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing-your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre,

coftness and luxuriance. Get a 25 cent bottle of Knowlton's Danderine from any drug store or oller counter, and prove that your mir is as pretty and soft as anyhat it has been neglected or injured by careless treatment-that's all-you y can have beautiful hair and lots of it if you will just try a little Dan-

Those wishing further advice, free, may address Dr. Lewis Baker, College Bldg., College-Elwood streets, Dayton, Ohio, enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only intigits or fertitions and the state of the stat itials or fictitious names will be used in my answers. The prescriptions can be filled at any well-stocked drug Any druggist can order of

Answer: Obtain plain yellow minyol from your druggist in 4-oz, jars and apply as per directions. This cleans, purifies, cools and invigorates the hair and scalp, thus stopping the death of the hair. Dandruff and itching are at once relieved. Men and

omen all over the country now use t regularly. "Laura" says: "Some time ago I conracted a very severe cold and cough. Mrs. Belle C. writes: "I am in-formed that I have kidney trouble do not seem to help me at all. I wish and that it is fast approaching a se-you would advise me what to do."

Answer: What you need is a laxa-Answer: If your symptoms are the usual ones, such as puffs under the eyes, swelling ankles; scant, copious or foul-smelling urine, accompanied of concentrated essence mentho-laxene songs by the upper grades under the leadership of Miss Josephine Roach will be given and there will be a talk to housewives by Miss Pauline in sealed tube's with full directions days.

Miss C. W. R. asks: "I have tried for two years to diet so as to increase my people call liver spots on my skin. I weight and improve the quality of my sociation will hold their regular am sallow, almost like a person with blood, but in vain. Please prescribe for monthly meeting Friday, the six- jaundice, and I know my liver is not me?"

Answer: Thin, scrawny, bloodless people need assistance in absorbing nutrition from the food eaten, and for ing. Am constipated and seldom feel this particular purpose I always pre-scribe three-grain hypo-nuclane tablets, a most effective preparation regularly and persistently used, seems to increase the red and Your druggist can corpuscles of the blood, thus afford health, strength and increased weight.

> prescribe for me, as I am at a loss to understand my condition. For the past year have suffered extreme nervous-ness, trembling and extremities are cold. Have poor appetite, am weak, listless and no ambition to work or seek recreation. Am tired all the time and in no sense the strong capable man

> Answer: A powerful rejuvenating nerve medicine should revive the dormant sluggish condition and put new ambition and energy into your blood and nerves. Obtain three grain cado-mene tablets in sealed tubes, take as per directions.

> NOTE: For many years Dr. Baker has been giving free advice and pre-scriptions to millions of people through press columns, and doubtless has helped in relieving illness and distress more than any single individual in the world's history. Thousands have written him expressions of gratitude and

TAKE SALTS IF YOUR BACK HURTS SAYS DRUGS EXCITE THE KIDNEYS

Salts harmless to flush Kidneys and neutralize uric acid, thus ending Bladder trouble.

When your kidneys hurt and your proceed to load your stomach with a and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 of acid and waste, so we can readily understand the vital importance of rett, will give a delightful afternoon keeping the kidneys active.

Drink lots of water-you can't drink too much; also get from any pharma-cist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous saits is made from the acid of grapes and lemon back feels sore, don't get scared and juice, combined with lithia, and has been used for generations to clean and lot of drugs that excite the kidneys stimulate clogged kidneys; also to and irritate the entire urinary tract. neutralize the acids in urine so it is no longer a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive; cannot in-

jure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Trr hours they strain from it 500 grains this, also keep up the water drinking, of acid and waste, so we can readily and no doubt you will wonder what became of your kidney trouble

Geo. V. G. writes: "Perhaps you can After the first few days I was a few years ago."
