GERMANY SENDS OF TREATY OR ACCEPTANCE

ials refused to say ction.

The Swiss communication was as follows: "The German legation at Berne has communicated the following to Swiss political department (foreign office):

Amendments Deemed Necessary. "The American treaty of friendship and commerce of the eleventh of July, 1799, provides by article 23 for the treatment of the subjects or citizens of the two states and their property in the event of war between the two relations between the German empire and the United States, requires certain legislations and additions on account of the development of international The German government therefore proposes that a special agreement be now signed, of which the English 14 text is as follows:

"'Agreement between Germany and the United States of America concerning the treatment of each other's citizens and their private property after severance of diplomatic relations."

Supplementary Clauses Suggested. "'Article 1-After the severance of diplomatic relations between Germany and the United States of America and in the event of outbreak of war between the two powers, the citizens of either party and their private property able to laeve. in the territory of the other party shall be treated according to article Alleged Bicycle Thief Caught.— 23 of the treaty of annity between While trying to sell a bicycle that had Prussia and the United States of the eleventh of July, 1799, with the fol-

treatment of their persons and their property is concerned, be held in every He was arrested a year ago here respect on a par with the other perother persons mentioned in article 23. Died From Fractured Skull.-Hans may be excluded from fortified places

"'Article 3 .- Germans in the United

"'Article 4-The protection of Ger-

mans in the United States and of Significance of Social Problems.— Americans in Germany and of their Dr. Joseph Ks Hart of Reed college property shall be guaranteed in accial Problems Illustrated From the shall be under no other restrictions History of the Hebrews," in the forum concerning the enjoyment of their of the First Methodist church Sunday private rights and the judicial enforcement of their rights than neuthe centralization of populations, the tral residents. They may accordinggrowth of new institutions and new ly not be transfered to concentration estimates of life, and the new inter- camps, nor shall their private proppretations of life on this level. These erty be subject to sequestration or liquidation or other compulsory alienation except in case that under the ers said as they whipped the boys into cial patriotic service will be held at existing laws applying also to neutrals. As a general rule German propunder other conditions than neutral

property. Would Protect Patent Rights.

"'Article 5-Patent rights or other protected rights held by, Germans in the United States or Americans in Germany shall not be declared void. Cargo of Steamer Carrying Scotland, and on first coming to this Von Bernstorff Is Being in Bast Orange, N. J., leaving there to Examined at Halifax.

Halifax, N. S., Feb. 17.—(U. P.)— How thorough will be England's inas he has been holding here. A comspection of the Scandinavian-American mittee of 100 students are making liner Frederik VIII, bearing Count von Bernstorff back home, was today indicated in the semi-official announcement that it may be a week or more meet Dr. Adam and make preliminary arrangements.

A huge staff of naval, customs and immigration officials, with interpreters, women assistants and trans-laters swarmed aboard the Frederic Attempt to Break lators swarmed aboard the Frederik VIII today, beginning their work shortly after daylight. Their task includes minute examination of baggage Through B. F. Boynton, the Portland and of the persons of these aboard-Railway, Light & Power company has women inspectors being designated for contributed to the campaign by fur- the task of searching women passennishing an office and stenographer. gers-as well as strictest search of the Urgent appeals will be addressed to vessel's cargo. Lighters are held siongside the liner to carry such cargo as is necessary for temporary removal and detailed investigation

Cusoms officials are charged with detailed examination of the steamer's carrying on the campaign so that every manifest and papers and anything in cent otherwise given may go to the the slightest nature of contraband will be looked for carefully. It is not expected, however, that any contraband will be found, in view of the careful inspection' accorded by American in-

spectors at New York. While the work of examination was proceeding today passengers were permitted the liberty of the decks, being Bedford Basin. All there was to see, however, was a lot of closed summer cottages, Rock Head prison and Rockingham. Of Halifax proper and Halifax harbor, not a portion was visible.

Is Regaining Control

Rebels and Outnumber Them, According to Word From Havana.

Havana, Feb. 17 .- (I. N. S.) -The government made rapid strides today putting down the rebellion which for more than a week has kept Cula seething with excitement and unrest. The province of Camaguey, head-quarters of the rebel forces, was entered by government troops late yeserday, according to an official anouncement here. The announcement made no state-

ment of what disposition would be made of the revolutionists. It is known here that there are 2800 loyal troops operating in the Camaguey district, far outnumbering the rebeis.

Named as Regents

tribute the present war to human; to confirmation by the senate, as regents of the state university: W. H. The Baltimore & Ohio has carried the public to the inauguration of twenty presidents

at Washington

The Baltimore & Ohio is the natural route to Washington. It is not only the shortest route, but it is the only line running solid through all-steel trains via Washington to Baltimore, Philadelphia and New York. It is also the only line operating drawing-room, compartment and observation lounging library cars direct to Washington. All through trains via Washington with liberal stop-over privileges.

Today the roadbed and trains of the Baltimore & Ohio are as immeasurably in advance of its equipment in the days of President Jackson as the capital city itself is in advance of what is was then, SPECIAL REDUCED round-trip fares will be in effect from

Chicago to Washington for the Inauguration. Four all-steel trains daily from Chicago

to the East The Pittsburgh-Washington-New York Express 8:25 a.m. The Washington Special -)- - 10:45 a.m.
The Washington-New York Limited - 5:45 p.m. The Washington-New York Night Express - 10:00 p.m.

All trains leave Grand Central Station, Fifth Avenue and Harrison Street, Chicago, 63rd Street Station twenty-five minutes later.

Tickets may be purchased at the City Ticket Office, 236 South Clark St. at Grand Central Station, and at all principal hotels, also at 63rd St. Station
