PORTLAND BEAVERS WILL PLAY COLORED SOLDIERS TOMORROW

Chinese Star Will Catch for McCredie's Players; Houck to Perform in the Box.

GAME BILLED SATURDAY

Mackmen Will Start Home One Week From Friday; Another High Class Receiver Wanted.

By R. A. Cronin. Honolulu, March 6.—(By Wireless) Kan Yen, the Chinese catcher, signed by Portland, will be behind the bat tomorrow afternoon when the Beavers face the colored team of the United States Twenty-fifth Infantry.

Byron Houck, the lone holdover of last season's pitching staff, will probably start the game against the colored team in two games.

Saturday afternoon Portland will play another game with the All-Chinese team, which has also beaten the Portland team in two games.

With 10 days to remain on the islands, McCredie believes that his team will be in great condition when it returns to the United States.

Pitchers Brenton and Fincher, Outfielder Farmer and Infielder Signa are scheduled to join Portland at Stockton.

Will Play Six-Man In Game Tonight

Seattle, Wash., March 6.—(U. P.)—The Seattle and Vancouver teams will play six-man hockey when they clash on the local ice tonight in an exhibition game.

The six-man game is played in the rink and Seattle wants to try it out before the world's series, which will start here on March 19, with Ottawa of the National Hockey association as the probable opponents of the locals.

Seattle Captain Is League's Best Man

Vancouver, B. C., March 6.—Frank Foyston, captain of Seattle, champions of Pacific Coast Hockey league, was the most valuable player on the circuit this season, according to choice announced yesterday.

Frank Patrick following receipt of rankings of four scorers Mickey Mackay of Vancouver is second choice. The rankings are: Royal Dromm of Seattle—first; Foyston; second; Walker, A. P. Garvey, Vancouver—first; Mackay; second; Foyston, J. S. Bain, Spokane—first; Norris; second; Mackay, Lou Kennedy, Portland—first; Foyston; second; Roberts.

The scores: R. H. Craddock, 145; George W. Wilson, 144; L. K. Evans, 140; W. H. Hubbard, 139; and John H. Young, 137. Total 705.

BRINGING UP FATHER

PHILLIES LACKING PUNCH THEY HAD WHEN CHAMPIONS

Must Develop Pitchers to Aid Great Alexander in This Season's Race.

Philadelphia, March 6.—(U. P.)—The star of the Phillies seems to have set just as Grover Cleveland Alexander attained the height of his efforts. Critics are not placing them any better than third, with small chance that they will be that good.

The punch that has featured former Philadelphia National league clubs the superb pitching of Alexander and excellent fielding, will not be noted in such strong quantities this year as formerly.

Alexander cannot win a pennant unaided, nor can he hold his term in a first-division berth. Unless some pitcher can be developed to help the Nebraska wonder, Philadelphia cannot hope to make much of a bid for the pennant. Rixey isn't capable—nor is he, he is too much of a good man today and a poor one tomorrow.

Joe Oeschger is the logical man to save the Phillies. If he can combine some good hurling with the wonderful efforts of Alexander, the Phillies will have some chance.

There will be no change in the Phillies this season. Fred Luderus, a good, steady, smart ballplayer, will be at first base. He is a hard hitter, an excellent fielder and an aggressive man at every stage.

Nert Hoch, never considered better than just mediocre, will be at second base. Hancock, a real star, has no serious opposition at shortstop, and he doubtless will be found there again.

The infield is just as good—no better. There are plenty of infielders just as good, and several that are better. No more can be said of the outfield.

Whitted is a remarkable ballplayer, but his indifference has hurt his playing. He is not a whole outfield, nor is he a fly. Cobbie, Jodie Fasker's worth is actually declining. Goode or Cooper probably will be found in the other garden.

The worth of the pitching staff is summed up in the foregoing estimates. Alexander can do wonders if he has help.

The catching staff is splendid. Bill Killinger and Burns or Adams form a staff that would be welcome in any National league club.

Sellwood Quintet Wins Game.

The Sellwood 140 pounders defeated the Waverick 150-pound quintet in a fast close game on the Sellwood floor last Saturday evening by a score of 23 to 20. The Sellwoodites "came back" with their old spirit, and somewhat made up for the 24 to 15 defeat they suffered at the hands of the Wavericks about two weeks ago on the Reed college floor. The lineups were as follows:

Sellwood, 23. Pos. Waverick, 20. Poole (9)..... (8) Norena Robstock (4)..... (2) Hoch Clifford (8)..... (2) Hoch Elkin..... (2) G. G. G. (8) Lusi; (8) G. G. G. (8) Gorman Falls..... (2) S. S. S. (4) Reynolds; (2) S. S. S. (4) Kencallaugh Referee—Crow.

Darcy Signs for Another Go.

New York, March 6.—(U. N. S.)—Gus Christie and Lester Darcy have been matched to meet at Madison Square Garden March 17. It was announced yesterday. The match hinges on Grant Hugh Browne's ability to secure Darcy's reinstatement with the good graces of Governor Whitman. The bout scheduled between Christie and Billy Miske for tomorrow night has been called off at Miske's request.

Aggie Basketball Coach Names Team

Oregon Agricultural College, Corvallis, March 6.—Over-rating of Hjelte, California center, is the main point of the criticism of the all-coast basketball five selected by Coach Bohler of W. S. C. by Everett May, Beaver basketball coach.

"There are at least three better centers than Hjelte in the northwest alone," declared May. "Bohler of W. S. C. of Balmer of Washington and Macready of Oregon have all showed more real class than the Berkeley basketball shooter. Bohler should be given the center position on the coast five without any question."

Embury of California is undoubtedly the greatest guard on the coast, according to May, and he would give the Berkeley man the first call of the places. May places Captain Ray of the Aggies over Bohler's choice, Staats of W. U., for the other guard position. Ray played in 13 conference games this season, made 19 field baskets and held his men to 11 baskets. He made less than an average of two fouls per game.

GOLDEN WEST TO STAGE A SMOKER AT R. C. TONIGHT

Six High Class Bouts Billed on Monthly Card; Boxers in Condition.

Thirty-six rounds of fast milling are billed to be staged tonight in the Rose City Athletic club gymnasium under the auspices of the Golden West Athletic league. Eddie Camp and Leo Johnson, two Californians, will mix in the main event for the Pacific coast featherweight title.

Another topline bout should be witnessed when Nick Simpson, a newcomer in these parts, meets Sid Mitchell, regarded as the best middleweight in the northwest since the departure of Billy Weeks. Simpson is a boxer of real ability.

Ted Meredith, the colored lightweight champion of the Pacific coast of the United States navy, will box Peter Mitchell in a special event. Mitchell has been showing up in great form during the last several weeks, and is expected to give Meredith a hard tussle.

Jack Clifford, the big heavyweight who beat Ben Borden in less than one minute's boxing 10 days ago, will get another chance to show his worth against "Finley" Lewis, a colored heavyweight. The preliminary events will be between Ed Olson and Frank Warren and Ping Bodie and Shel McCool.

Jack Grant will referee the main bouts and Denver Ed Martin will officiate in the preliminaries. The first bout will be staged promptly at 8:30 o'clock.

TENDERS TO FURNISH ARMY WITH SUPPLIES IN HANDS OF EXPERTS

Bids Cover Millions in Orders Though Government Has Not Provided for Payment.

Washington, March 6.—(U. N. S.)—Although the army appropriation bill failed to pass the Sixty-fourth congress, bids for \$15,000,000 worth of army supplies were opened yesterday in seven American cities. The awards cannot be made until congress meets in extra session and appropriates funds for the army.

The new National Chamber of Commerce plan, looking to the prevention of excessive war profits in times of emergency, was put into operation for the first time when the supply bids were opened. Bids were opened simultaneously in Philadelphia, Boston, New York, Chicago, St. Louis and San Francisco. In each of the cities a committee of experts, appointed by local chambers of commerce at the instance of the national chamber, supervised the opening of the bids.

The committees will seek to serve three purposes: First, to supply to depot quartermasters information as to the financial standing of the bidders and the capacity of their plants; second, to pass on the quality and prices of material offered; third, to induce low bidders to seek government contracts, thus increasing competition and tending to lower prices.

The new war department plan provides that all bids with samples be forwarded to Philadelphia to be given uniform tests in the great military establishment. The awards probably will be announced in bulletins.

Ohio Senate Flails Minority Filibuster

Columbus, Ohio, March 6.—(U. P.)—Without a dissenting vote, the Ohio senate yesterday adopted a resolution condemning the "pitiful minority" which defeated President Wilson's program in the United States senate yesterday.

Gulberston Jr., and will be taken to Washington this week for government tests. The gun was examined by the government some time ago and an appropriation made for its perfection.

was driven by the storm to seek shelter on his doorstep.

FREDERICK DAYTON was a typical clean young American on his first visit to Paris. So far he had kept his American ideals. But this very morning his own brother-in-law, and stranger yet his own Europeanized sister, the beautiful Countess DeSejour, had been seriously recommending "wild oats" as a part of his education. And now little Claire who took such things as a matter of course was making herself very much at home in his studio and laying her plans to stay there.
