the United States in thy holy protection; that thou wilt incline the hearts

of the citizens to cultivate a spirit of subordination and obedience to gov-

for their fellow citizens of the United States at large. And, finally, that thou wilt most graciously be pleased to dispose us all to do justice, to

love mercy, and to demean ourselves with that charity, humility, and

pacific temper of mind which were the characteristics of the divine

author of our blessed religion, and without an humble imitation of whose

example in these things we can never hope to be a happy nation. Grant

our supplication, we beseech thee, through Jesus Christ our Lord. Amen."

Dr. Stanfield's evening sermon will chal-lenge the attention of all who have lost friends or loved ones or had their minds di-rected toward the things after death. The theme of this sermon will be "With Wha. Body Do They Come?" He will seek to show that the "Resurrection" will not be "Gener-al," in the sense of being simultaneous, but because it is for all. The resurrection morn is not some distant, definite day, in which everyone shall rise from the grave at the same time, but the dead in Christ are already with Him — "after death, the judgment." The change takes place immediately after death. In a moment, like "the twinkling of an eye." This corruptible shall put on im-corruption, this mortal shall put on immortal-ity, and we shall be changed. Then shall be brought to pass the saying, death is swal-lowed in victory. The dead in Christ are not sleeping till some long distant resurrection. Absent from the body they are present with the Lord. They are alive forevermore.
