patriotism, a spectacular flag raising was enacted Saturday afternoon at the Vancouver shops of the S., P. & S. railway, by the employes of the shop. The flag, 50 by \$0 feet in size, fluttered in the breeze, as it rose to the top of the 165 foot pole, erected by the employes for the occasion. The strains of the "Star Spangled Banner" played by the North Bank band, were punctuated by the resound-ing cheers of some 500 employes and

members of their families and officials of the railway attending. The credit for the undertaking in its entirety is due to the employes them-selves, who initiated the move and purchased the flag.
A stirring address by Archie Fries, appearing in his picturesque working apparel, was heartily applauded.

The actual raising of the flag was done by four of the oldest employes of the shop, J. S. Shields, T. L. Grif-fith, Dan Wood and Robert Watts. .
