That game was pried off the Giants through the pitching of Jack Coombs, the only man who could hold the Red Sox in check when the Dodgers and Bostonese clashed for the world's title last

All through the winter it has been figured from various angles that the Dodgers constituted a first-division baseball club-perhaps. The Braves. Phillies and Giants have been called stronger. The effort of a pencil and a small piece of paper was enough to show that championship qualities did It has been pointed out that the

Dodger pitching staff is only fair the infield passable, and the outfield no stronger than that of any other National league club. There is a star or so drawing his pay check from Colonel Ebbets. Jake Daubert and Zack Wheat would grace anybody's baseball club. But there it ends. The college
