BEAVERS CREEP UPON SEALS FROM BEHIND AND STEAL GAME, 5-3

In the Seventh, Moribund Mackmen Are Revived and in the Eighth They Win.

BALTIMO' BEAUTY BIFFS

William Stumpf Lands One Out in Right Garden; Borton Crosses the Pan to Tie.

By R. A. Cronin.

After trailing along for seven innings the Beavers came to life in the seventh and tied the score and then they stepped out in the eighth and won the battle from the Seals, 5 to 3, thanks to a pinch hit by the redoubtable William Stumpf of Baltimo'.

Chief Smith, the northern California Indian, who was tried and found wanting by the Beavers at Sacramento last year, was hurled against his former messmates by Boss Wolverton. The chief had them eating out of the bitten hand until the seventh, when new tactics were tried on him—waiting 'er out.

Bill Steen Goes In.

Fisher waited and so did Penner. Two walks were too much for Wolvy and he shoved Bill Steen to the center of the diamond. Babe Hollocher, who had already gathered a brace of singles off the redskin, sacrificed on "Sweet Six" and moved the runners along. Then ensued a funny one.

Bill Rodgers rolled a tantalizer down to Koerner. Phil fielded the ball and started to throw to first. Somebody forgot to cover, giving Rodgers a hit. While Koerner was gazing long and dolefully at first, somebody called his attention to the fact that Penner had raced up to third, on which rested the lantern jawed August Fisher.

Steen's Feet Bothersome.

Koerner raced over and whipped the ball into Penner's ribs as he tried to dodge back to second. Things looked promising to the Seals, but Steen got his feet mixed up with the turf in some manner when he started to pitch and didn't let loose of the ball. A balk was called and the Beavers were only one behind.

Then the boys hopped on Steen in the eighth. This is the way it happened. Babe Borton, who hadn't been doing much in the hitting line, opened with a double to right center. Williams hit a Texas leaguer that Corhan couldn't handle, back of third. Siglin followed with a sacrifice. This left first base open and Wolverton ordered the walking of Fisher. Stumpf came up to hit for Penner and Baltimo' Bill biffed the ball to right field. Borton was in with the tying count.

Pass Forces Tally.

Hollocher fiddled around for awhile and drew a walk, which forced Williams home for the winning run. Rodgers hit one down to Downs and was thrown out at first, but it gave Fisher a chance to score. Dennie Wilie made the final out. Lynn Brenton was called in to finish the game and he retired Corhan, McKee and Pinchhitter Calvo in order.

The Seals got away in the lead when Fitzgerald singled to center in the third and took third on Maisel's single to center. Schaller rolled the agate down to Rodgers, who started a double play on second, but Biff managed to beat the ball to first and Fitz had a chance to score.

Penner Fails in Fifth.

Penner's one bad inning was the fifth. With McKee an infield out, Smith hit one too hot for Hollocher to handle. Then Penner grew unsteady and passed both Fitzgerald and Pick, filling the bags. Wilie gathered in Maisel's fly and that put it up to Schaller. Biff singled to left. Farmer overran the short ball and before he could pick it up, Smith and Fitz had tallied. Pick was on the way from first to third, but Farmer had the ball waiting for that worthy and he was put out by Siglin. After that the Seals had little chance to score.

A single by Farmer, a walk by Borton, an overthrow by McKee in trying to catch the rural party off second, and Williams' out gave Portland its first run in the fourth.

Oakland 5, Vernon 2.

San Francisco, April 26.—(P. N. S.)—Association with Del Howard's ambitious little boys has rejuvenated Harry Krause, who brought his ancient south arm right out into the weather Wednesday afternoon and made it perform prettily through nine complete innings. In consequence of this conduct on Harry's part and the Tigers behaving like a bunch of accidents entirely ready to happen, the Oaks put over their second victory of the series on the Tigers, with a score of 5 to 2. BENSON ALLEY TEAM THIRD IN FIVE MAN RACE

Doubles and Singles Scheduled for This Afternoon; Big Teams Tonight.

The Benson team jumped into third place in the five-man event of the Northwest International Bowling congress by hanging up the score of 2611 in Wednesday night's matches on the Oregon alleys. Bad splits in the first game prevented the Bensons from going into second place.

The Pacific Paper company team rolled a total of 2601, going to fourth place. Hood River, Wells Realty company, Shafer's Big 5 of Aberdeen, Wash., and Painless Parker teams finished in the order named.

Doubles and singles will be rolled this afternoon and tonight. The best five-man teams in the northwest will get into action. It is likely that the mark of 2688, held by the Standard Oil company team will be shattered.

WOOD BELIEVES ATHLETICS ARE NECESSARY NOW

Three Big Colleges Will Not Send Men to Penn Relays.

New York, April 26.—Wholesale calling off of college athletics in the United States since this country and Germany decided to fight it out is a doubtful method of helping the nation prepare for its struggle. Depriving the country's young men of their opportunity for physical competition and a consequent slack in upbuilding of tissue and health hardly seems the way to get them ready to join any branch of fighting forces.

Major General Leonard Wood, the foremost military figure in the country, is a strong supporter of athletics in every form. He believes in the games because they build strong bodies, clean minds, and fearless character. There are others who want to see a certain percentage of athletics continue.

Will Be Patriotic Session.

The Penn relay meet has not been called off. It has been stated by athletic authorities at Pennsylvania university that the meet will be turned into a magnificent patriotic demonstration as well as a gathering of some of the nation's most prominent athletes.

Harvard, Cornell and Michigan universities, however, have given notice that they will not send teams to the competition this year. As they are three of the most important schools who send teams to competitions of this kind, the meet will suffer from their absence. The meet itself should prove, however, that athletics are a necessary part of preparation for military service.

Will Take Off Strain.

In addition to the physical value of athletics, there will be another value in the fact that college games and the happy spirit that goes with them will serve to take a strain off the nerves of thousands. Diversion will be greatly needed in the days to come. Athletics should be allowed to play their part.

The continuation of these games should not halt enlistments. When these men are needed they will be found ready. Many of them have offered their services. Too many men are able to take part in competitions for the sports to suffer through the drafting of a few hundred. Athletics can continue if the colleges will permit it.

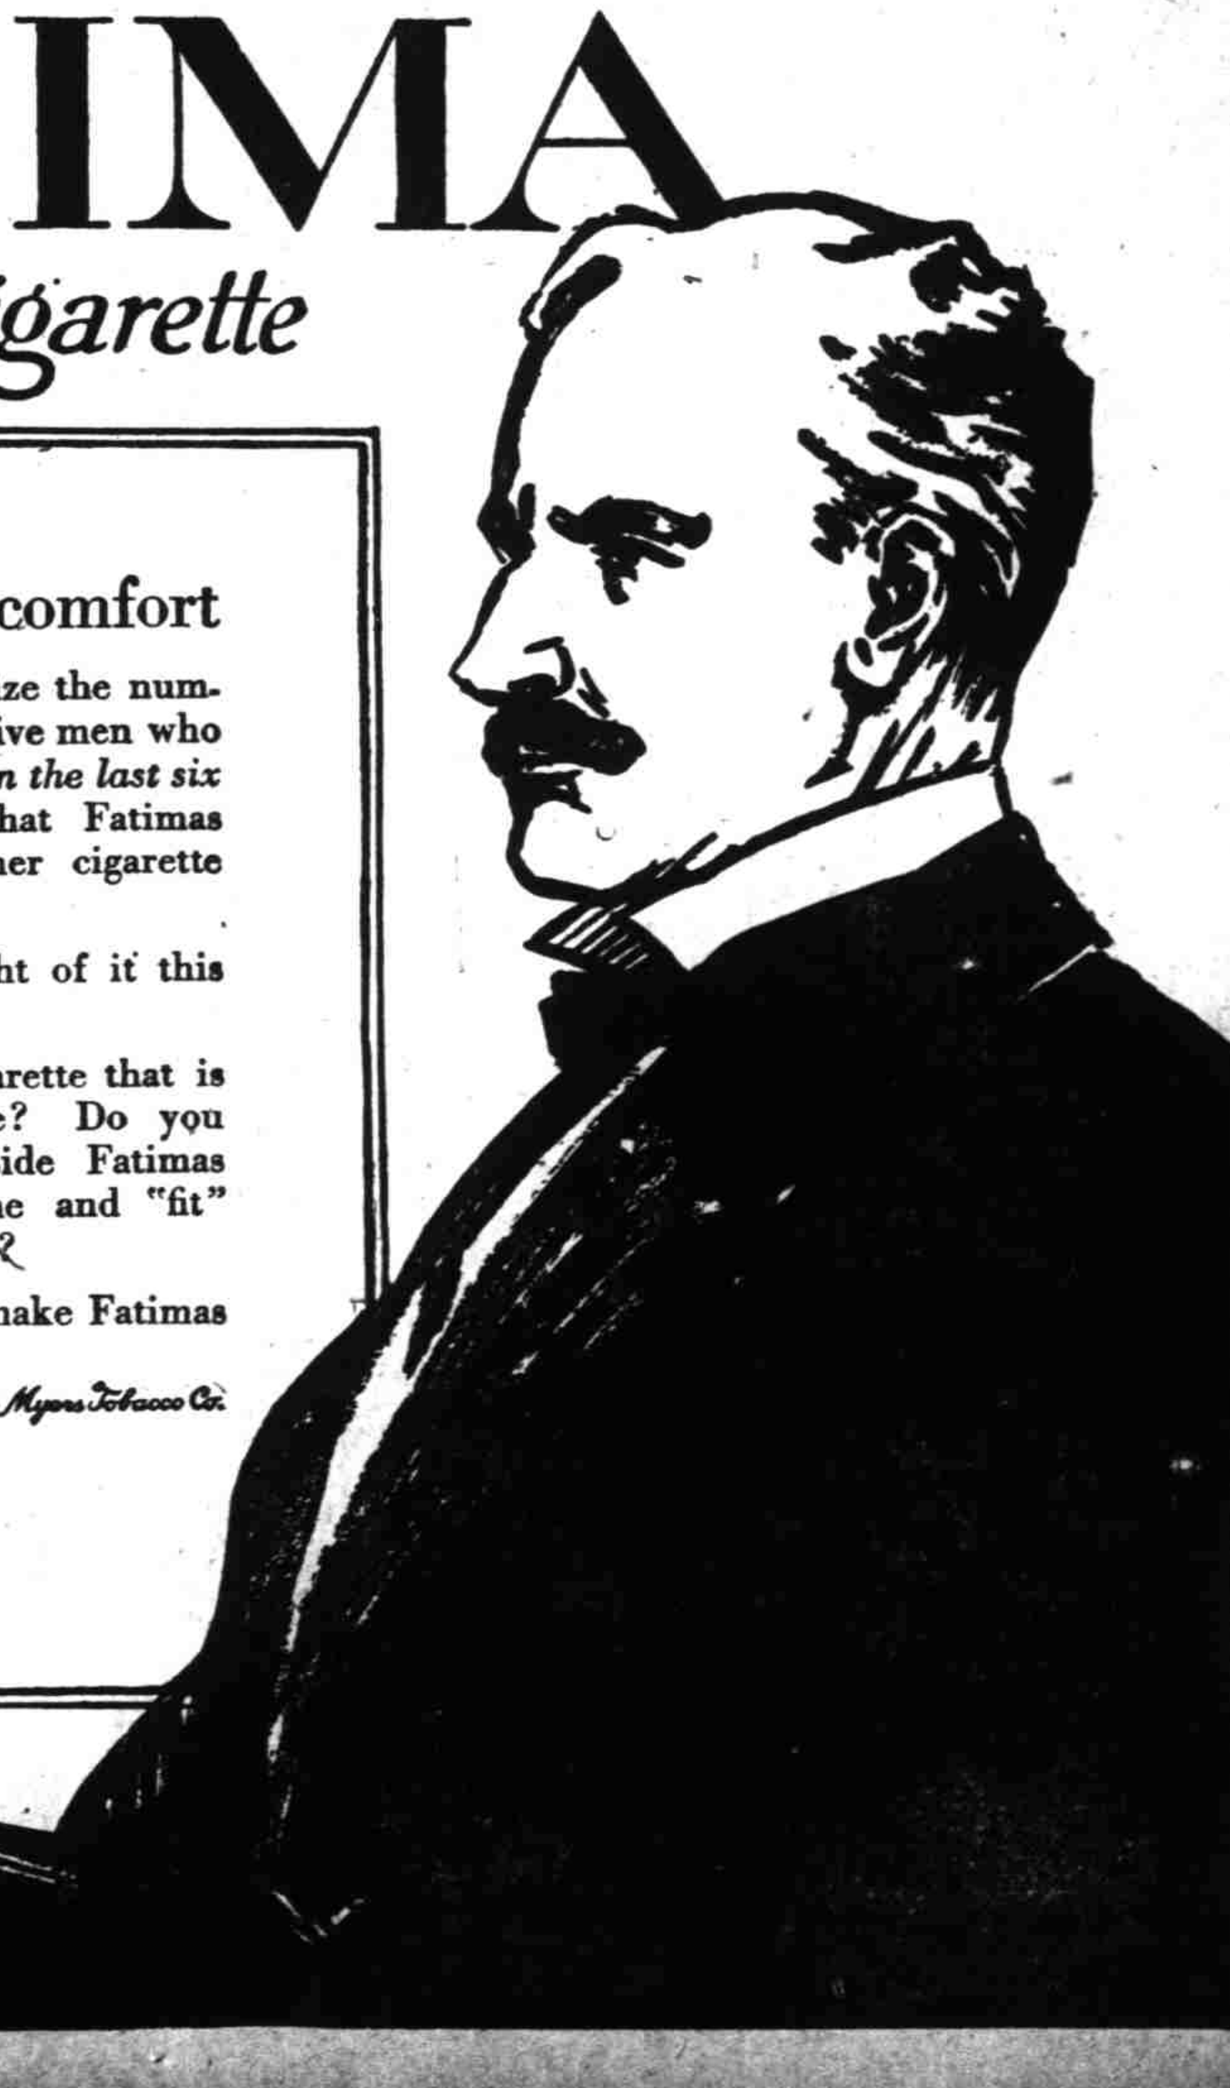
FATIMA
A Sensible Cigarette



Such men seek smoke-comfort

WHEN YOU stop to realize the number of sound, conservative men who have *changed over to Fatimas in the last six months*, it surely indicates that Fatimas must offer something no other cigarette can offer.

Perhaps you haven't thought of it this way:

Do you know any other cigarette that is always cool and comfortable? Do you know any other cigarette beside Fatimas that leaves a man feeling fine and "fit" even after a long-smoking day?

It is these qualities that make Fatimas truly *sensible*.
