Mayor Albee Delays Message. If General Joffre decides to make

a trip to the far western cities, he will be asked to come to Portland, according to Mayor Albee Saturday night. The mayor will delay sending an invitation, however, until it is known that General Joffre will visit the west, "If there was any possibility of his coming to the coast," said the mayor, 'an invitation to visit Portland would certainly be sent. Until there is some assurance, however, it would be needless to send an invitation just for the sake of sending it."

Kansas City Visit Suggested. Kansas City, Mo., April 28 .- (U.

CLEAN-UP WEEK HERE AGAIN; ACTIVITIES TO COVER WHOLE CITY

/arious Women's Organizations Are Expected to Take the Lead in the Movement.

SHACKS TO BE REMOVED

Children, Remembering Their Pinancial Success East Year, Will Again Gather Junk for Sale.

Portland residents will invade their ack yards, vacant lots and alleys all this week on missions of cleanliness, for the week beginning May 1 has been designated as Clean-up Week by Governor Withycombe

The crusade against dirt, disease and disorder will be the subject of activity all over the city during the next six days, with various women's organizations taking the lead in the move-A semi-official, but nevertheless

substantial clean-up has been going on in the city for several weeks, an indirect result of the war. Nearly every vacant lot has been grabbed by an amateur gardener and the process of plowing has very ably ridded these spots of rubbish. Clubs Behind Campaign.

Under the incentive of an official decree, the work will go forward with renewed vigor this week. Lawns will be mowed and vagrant weeds removed Real estate men will reduce several shacks that have been considered eye sores in the residential districts, and painters will be on the job by the score.

The cleanup movement has invaded all the East Side residential districts Its effect will be felt in Rose City park, Irvington, Laurelhurst Gregory heights and the Ladd addition tract, for clubs in those sections have gotten behind the campaign. So much was accomplished in the

cleanup week last year conducted under the auspices of a Chamber of Comworkers of that period have agreed to get in and dig now. One of the most deadly implements

of the war against squalor will be the paint brush. Efficient assistants. however, will be the lawn mower and the dandelion diggers. Swat the Flies, Too. Now is the time, the clean-up cam paigners give as a reminder, to take

good and proper swat at the fly. The long continued rains have kept the flies down, but two or three fair days last week saw them on the increase. Special emphasis has been made on methods of fly extermination and undoubtedly the mortality files for this pestiferous insect will be very large by next Saturday night, Juvenile clean-up campaigners, re

nembering their financial success last year in collecting junk and selling it. will be out again in force, and the junkmen, in similar forces, large enough to take care of all that the children have to offer, will be on hand to receive the collections. Junk men have been spurred on in the movement by the fact that higher prices are now being paid for junk than ever before

think that cooking it in a double boile makes a fine cereal.

Dr. Logan said be had found kaffir in either style exceptionally nutritious "It may be cooked exactly like and palatable and about the cheapest
