

BEAVERS LOSE BRACE OF SUNDAY CONTESTS AND SEAL SERIES, 6-1

Probably It Was Fortunate Only a Pair Was Played, So They Lost Only Two.

GREEN HAT TURNS OCHRE

Walter McCredie Recovers From Illness and is Probably Ill Again After Poor Showing of the Help.

San Francisco, May 21.—(P. N. S.)—Having nicked the Beavers for four games out of five, the Seals doubled the dose Sunday, taking both games, 6 to 4 in the morning in Oakland and 3 to 1 in the afternoon on the home grounds. This performance gives them six victories out of seven games.

After having disgusted the Oakland fans in the morning the Seals returned to their home town dragging the helpless Beavers with them and took them on for the second contest before several persons at Recreation park.

Walter McCredie was present all topped up in a green hat and store clothes, and the green hat turned to a sort of bilious yellow before the afternoon was over. Walter has been sick for one entire and complete day, during which he had pneumonia, whooping cough, heart disease, rickets, cholera, influenza, paralysis and spasms, fits and spells.

Oldham Faces Fincher. The afternoon's contest saw Red Oldham arrayed against Fincher.

In the second inning Corhan singled, Baker struck out, and Oldham doubled, scoring Corhan. Jocko Fitz doubled, scoring Oldham. Pick drove into a double play, and the Seals rode high at 2 to 0.

The Beavers tried to get even in the third. There were hits by Sepulveda, Fincher and Hollocher. Don Louis singled and then got an idea in his head that he had suddenly developed speed and tried to cop a second sack but was out by a foot. Fincher singled and Hollocher drove him home with a two bagger. Thus was Portland's one run cumulative.

Fincher Has Hard Luck. After the second inning Mr. Fincher strove to prove that the Seals can't hit, and he succeeded admirably until the eighth. There, with one out, Pick singled to right, Koerner hit down to first base. Borton fumbled the ball, but recovered it and tossed to Fincher, who then suddenly doubled.

Mr. Fincher's mitts were having a dispute as to which belonged to the end of which arm, and as a result they got crossed and the ball went floozy. That made two hands on.

Whereupon Biff Schaller doubled against the right field barrier and C. Augustus Pick tallied, doubling. Borton dumped the ball in front of the plate and Koerner was out, Fincher to Sepulveda. Malsel walked off the inning with a pop fly to Hollocher.

Wolverton Proves Hero. The morning contest produced a hero by the name of Wolverton. The gray wolf himself got into the game in the ninth inning and pitched to the winners. The ninth had begun with the score 4 to 3 in favor of the Seals, the chief event of the preceding innings being a slam against the left field fence by Spider Baum, who made two complete bases on it.

Spider got a couple of men on in the ninth and then, unhappily to Bill Stump, batting in the ninth, struck. Bill singled and scored the tying run.

In the Seals' half Malsel led off with a hit off Penner. Corhan walked and Baker forced him at second, putting Malsel on third. Up to the plate stepped Wolverton, batting for Baum. An out into right field, a single to left that scored Malsel with the winning run. The score:

BRINGING UP FATHER

MAY CUT PLAYER LIMIT TO 18 MEN IN BIG LEAGUES

Chairman Herrman of Commission Says Extravagance Ruins Game.

Cincinnati, Ohio, May 21.—(U. P.)—Wednesday's national commission meeting at Chicago may result in the player limit of the clubs in the major leagues being reduced to 18 men to a club.

This was indicated today by Garry Herrmann, chairman of the commission.

"Some action must be taken to cut down the expense of operating major league clubs," said Herrmann. "I do not think it is up to either league to start retrenching. The action must be taken in union. For that reason I believe the first step should be taken by the commission. I think we will take this step Wednesday."

"Every major league club is carrying considerable dead timber, where they can improve themselves by playing regularly and at the same time increase the standard of baseball in these leagues."

"The extravagance in the last few years has been astounding. I must stop if the game is to live. I think we can cut out the wild spending without reducing the class of baseball one bit."

Angels Cop 'Em Both. Los Angeles, May 21.—(I. N. S.)—Reversing the order of things on Saturday the champions went forth Sunday and removed two ball games from the Tigers, also moving the Tigers back into last place.

The morning game was lopsided, 9 to 1, and the afternoon a close 5 to 4 combat. The double cleaning gave the champions the series by 4 out of 6.

MR. HUCKLEBERRY OFFERS CONSOLATION. I'M NO TROUB, BUT I'M TIRED OF ORDINARY TOBACCO AND WANT ACHIEVE OF GOD TOBACCO SO BAD, I'D DO ANYTHING FOR IT.

THEN, I'M YOUR HUCKLEBERRY. JUST TAKE A LITTLE CHEW OF MY W-B CUT, AND BE SATISFIED WITH LIFE.

I KNOW JUST HOW THE POOR FELLOW FEELS.

THERE is one thing no man on earth can do, and that is to put sappiness into cheap, coarse tobacco. It takes the richest, sappiest tobacco that grows, to make satisfactory chewing. That is why so many are changing over to W-B CUT. Excess sweetening makes a poor substitute with intelligent people. Pound for pound, there's more tobacco in W-B than in ordinary plug; and it's sappy tobacco, every shred of it.

STRONG TEAMS IN WEST GREAT BOOST TO GAME

National League Head Pays Compliment to Manager Mitchell of Cubs.

New York, May 21.—(U. P.)—The rejuvenation of western teams in the national league will do more to boost baseball to greater glory than anything in years, in the opinion of Governor John K. Tener, president of the circuit.

Pointing out the dash and spirit of the Chicago and St. Louis clubs in the past weeks, the governor has been fitting along. Tener declared it not only was a pleasant surprise but one that will create renewed interest in these clubs. This means increased patronage in everyone of the eight cities, with a tremendous increase in Chicago and St. Louis.

Commenting on the Cubs, Tener said: "Joe Timm had 60 ballplayers from which to build a baseball team. He didn't do it. It must be a great satisfaction to Fred Mitchell to know that he has been able to fight his way through with a team of left-overs."

The Western Golf association yesterday went on record as arbitrarily abolishing the "stymie" in golf. In the old Scottish game, the ball on the green farthest from the hole is played first, and a ball in alignment with the hole is not moved. Under the western style the player nearest the hole will shoot first.

President Thompson promulgated the following rule departing from the old system: "When both balls are on the putting green, the ball nearest the hole must be played first. If a stymie exists and the balls lie within a putter's length from each other, the ball farthest from the hole must be lifted on request until the nearer ball has been played, and then replaced in previous lie. Penalty for violation, loss of hole in match play, two strokes in medal play."

Under no circumstances, except as above, shall a ball on the putting green be lifted. Players in all rounds must observe this rule, and ignorance of it will not be accepted as an excuse for the breach.
