## PACK OF SOCKEYE SALMON TO INFLUENCE THE MARKETS Trade in Stocks Is Edited by Hyman H. Cohen Wary Over Holiday; SMALL SUPPLIES OF SALMON BUYERS ARE STEADINESS SHOWN WHEAT PRICES ARE Fear to Commit EGG MARKET IS NOT By F. C. Reeves QUITE SO FIRM IN POTATOES ROLLING; AWAITING OFFICIAL FOR LIVESTOCK AT LIFTED EVEN THOUGH New York, June 4 .- (I. N. S.)-Between two holidays traders on the stock exchange today vere slow to commit themselves either on the PORTLAND FOR DAY THE LOCAL DISTRICT PRICES FOR THE FISH DEMAND QUITE KEEN HOLIDAY ON CHANGE which fractional losses were the general rule. Attendance was light and trading profes-Eastern Interests Holding Back, Union Meat Co. Brings in Liberal No Session of Portland Merchants'

Big F. O. B. Buyers Are Not Inclined to Bid as High as Last Week-Top Is 32% c and Some Are Not Offering Above 32c Doz.

Egg market showed less strength at the opening of the week's trade along the wholeoffering as high as alic a dozen last week. have reduced their quotations to no higher than 321%c and some are unwilling to pay more than 32c at this time for current

Shipments of eggs to the local market last week were somewhat greater than expected. Very liberal orders came from northern markets-some from Alaska-and these were cas

ily taken care of. Storage operations both here and in the northern markets continue on a liberal scale but so long as arrivals are liberal the trade is not inclined to bid up.

Just whether prices are moved higher again. during the week depends upon both the atti-twde of outside markets and the volume of arrivals in the l'ortland trade. Quality continues favorable in general al

though a few complaints are heard. BETTER BERRIES, COMING

Extra fancy strawberries from Southern regon were received on the local market during the day and were quoted at \$4.25 per crate for the best. Kennewick stock was selling at \$3.75@4. California stock was firm at \$2@2.25 per crate of 15 pints, according to quality.

**CABBAGE MARKET IS MIXED** Market for cabbage is very much mixed along the streets. Sales of stock are shown from 3c to 4c a pound with the bulk of the business in best quality reported around 314 @ 4e a pound. Quality is better.

LETTUCE MARKET IS FIRM What is believed to be the last carload of California head lettuce for the season was reported in for the day in good condition. Stock is generally quoted at \$2 per crate for

SACK VEGETABLES ACTIVE Active demand is showing for new crop marked vegetables along the street. Carrots and beets are quoted firm at \$3 with turnips at \$2 per sack generally. Old crop is practically out of market.

CHEESE MARKET IS SHADED Shaded prices are generally showing for cheese in the local trade with much more likeral offerings from manufacturing cen-ters. This is especially true of the unorganized districts.

BRIEF NOTES OF THE TRADE Southern demand for store butter is active and firm Asparagus market is firm at \$1.25@1.35 dozen for long green. Florida celery in small supply at \$5 per

crnte. Country killed hogs and calves are very The at former prices. Chickens are steady to firm at unchanged Chicago Wheat Gets firm at former prices.

String beans and peas slightly cheaper.

SHIPPERS' WEATHER NOTICE Weather bureau advises:

June 6, 1910-18,647.000 bushels; decrease, 1,485.000 bushels.

East Is Bidder for Both Table and Seed Stock and California Delta But Columbia Packers Not Wor-Section Is Taking Latter-Good ried-Sockeye Pack Expected to Call From All Points. Be Big; Will Influence Trade.

Small supplies of potatoes continue to come Columbia river canned salmon although this to the local market but demand is extremely sale way. The big f. o. b. buyers, who were favorable and everything offered is quickly is causing no worry among pickers because at the moment there is practically no run. Eastern messages to local packers from their brokers indicate that the big buyers taken up around \$3 per cental for ordinary quality and a premium being paid for something extra good.

Demand from outside markets is favorable. The middle west is the keener inquirer for supplies at this time and orders are at present available at extreme values for both table and seed stock. The Delta section of California is still tak-nounced. Orders on this basis are being of-
