Count City Vote in Most Precincts First

Auditor Barbur Issues Statement for Information of Judges and Clerks of Election to Be Held Today.

City Auditor Barbur has issued the following statement for the information of the judges and clerks in the election today:

Under an agreement between the county and the city, the night election boards in every tenth precinct have been instructed to count the county ballots first in order that the public may know the general trend of the vote on the state measures. In all other precincts the city ballots are to be counted first. To avoid interference with government registration the night boards are expected to make a special effort to finish the count before 7 o'clock the following morning.
