

PROGRAM READY FOR ANNUAL CHAUTAUQUA AT GLADSTONE PARK

New Auditorium to Be Ready for Opening July 10; Banner Year Indicated.

FAVORITES WILL RETURN

Provision Made for Care of Children Whose Parents Will Camp on the Grounds During the Session.

Oregon City, June 9.—With the announcement that the program had been completed for the Willamette Valley Chautauqua assembly at Gladstone, Chautauqua assembly at Gladstone, July 10 to 22, inclusive, Secretary Thomas A. Burke says that indications point to this year being the banner year in the association's history of more than two decades.

Progress is being made on the new \$500 auditorium which will seat 4000. The new structure occupies a site some distance back from the old one, which removes it farther from the noise of the streets and the hum of the main crowds not attending the lectures and entertainments.

Some Favorites to Return On this year's program come a number of lecturers and entertainers, several of whom are old-time favorites. The program features Governor George W. Carlson of Colorado, Elias Day and James M. McManus, prominent lecturers; James W. Goddard, American baritone, Japanese Ongawa and the Zetso's Venetian Band among the musical entertainers; Montilla Flowers as reader, and Mawson's Antarctic moving pictures.

The Chautauqua music will be under the direction of Hartridge Whipp of Portland, who will have two large Sunday choruses and who will himself sing on several occasions.

Gridley Is Athletic Director Professor A. M. Gridley of the Portland Y. M. C. A. has again been secured to direct the physical culture classes.

The children who camp on the grounds and whose mothers attend the lectures are to be under the care of Miss Byrd McGillivray of Chicago, who will have charge of the Junior Chautauqua.

The sport program of the Chautauqua, which includes a series of baseball games among the teams of the county, is as yet incomplete, but will be announced soon.

The program for the entire session, subject to eleventh hour changes, is as follows:

STATE BANKERS WILL PLACE ASSOCIATION'S SURPLUS IN 'BONDS'

E. D. Cusick of Albany Is Elected President at Annual Meeting.

DELEGATES ENTERTAINED

War Topics Subject of Addresses and Discussion; Ball at Milliloma Club Is Closing Feature of Festivities.

Marshfield, Or., June 9.—The delegates to the Oregon State Bankers' association were tonight entertained at a ball given at the Milliloma club. This afternoon they were taken in cars to the beach for a seafood dinner and visited at Shore Acres, the home of L. J. Simpson, on the ocean road south of Coos bay.

At the business session today both the retiring president and the new president expressed their appreciation of the entertainment accorded by the Coos bay people. The resolution voted to invest \$500 of the \$800 surplus fund in Liberty bonds.

In addition to the other officers chosen E. D. Cusick of Albany was elected treasurer, and the following committees were elected: Executive committee—N. U. Carpenter, W. G. Tate, Dorsy Kretzer, C. S. Hubbert. Officers for the year: On Executive Council Executive council—W. L. Thompson, Pendleton; Frank A. Ross, Wheeler. Nominating committee—W. L. Thompson. Officers for next year: John W. Sumers, Klamath Falls; C. B. Sewell, Portland; C. B. Higgins, Astoria; C. W. Irwin.

The association before adjourning the business session at noon, elected the following officers: President E. D. Cusick of Albany; vice president Henry L. Corbett of Lumberton National Bank, Portland; secretary, J. L. Hartman of Portland. Bent was selected without opposition as the retiring place of meeting. The delegates will be entertained this afternoon at a seafood dinner.

War Topics Discussed At the banquet this afternoon the topics of the speeches were: "War Bonds and the People's Purse," Frank C. Mortimer, manager of the Pacific National Bank of New York; "Work of the Agricultural Commissioner of the American Bankers' Association," by F. N. Shepherd of Lewiston, Idaho; "The Work of the American Institute of Banking," A. B. Nording of the United States National bank of Portland. H. Ashley Ely of Portland and W. G. Edens of the Central Trust company of Chicago, who were on the program for today, were unable to be present.

J. W. Bennett Is Lauded President Meyers paid high tribute to the late J. W. Bennett, a retired banker, who invited the convention to this city. He said there were two less banks in Oregon in March this year than in the same month of the year 1913. He urged every citizen to the highest patriotic duty. Patriotism was the keynote of all the speeches.

This was the twelfth annual convention of the Oregon State Bankers' association, which was held at the hotel here. The special train which brought them will be held here pending their return. Woodland Capitalists Are Slow Woodland, Wash., June 9.—Woodland citizens have in part done their share towards the Liberty loan, as over \$7000 of the bonds have been taken, this amount will surely be increased, as Mr. Plamondon of the Woodland State bank states that the majority of the takers have been citizens that he had not expected subscriptions from. The subscriptions have all been for spot cash.

Those who would naturally be believed to subscribe, and who can amply afford to do so, have so far failed to do so, and it is to be hoped they will see the error of their ways and do their part before the subscriptions close.

Lime Board Sees State Lime Deposits

Grants Pass and Roseburg to Get Line on What May Be Expected in Way of Development.

Grants Pass, Or., June 9.—Members of the state lime board visited Grants Pass Friday on a tour of inspection of the various lime deposits in Josephine and Jackson counties. Having already looked over the quarries near Gold Hill, they inspected those south of this city and left at night for Roseburg to look over deposits in that vicinity. Warden Charles Murphy of the state penitentiary, chairman of the board, said that the financial condition in which the board found itself made it almost necessary that its activities for this biennium be limited to the making of a contract with the owners of the most available quarry for the mining, crushing and loading of the rock, on a royalty basis. The board will be satisfied if it can, by this means, teach the farmers of the Willamette valley the benefits of lime fertilizer, and thereby secure the support that will prompt the next legislative session to pass the state's purchasing a proper deposit.

Roseburg Has Hopes Roseburg, Or., June 9.—The members of the state lime board spent today in Roseburg investigating the probability of operating the lime deposits just south of Roseburg. There are two quarries of lime deposits near Roseburg and the matter of operating them has been considered for some time by private concerns, and as the lime is said to be of an exceptionally good quality it is believed that a large quantity will be operated by the state lime board.

Aberdeen Wants Its Armory at Once

Aberdeen, Wash., June 9.—Business men will appeal to Governor Lister for immediate starting of the armory for which the legislature appropriated \$25,000. The adjutant general favors a delay at the present time. It is argued that the state should help in employment of labor.

Read What Indian George Has to Say About High Water

Hood River, Or., June 9.—"High high water, high high chuck pe leht sun," was the exclamation of Indian George Tomlieck Chinook of Hood River. He is the oldest Indian along the Columbia river basin, while standing on the bank of the Columbia river today facing across the waters to the White Salmon side, a distance of nearly two miles, and watching the river raise a foot higher.

Upon inquiry as to why he prophesied that the Columbia would continue to raise the Indian river water, he said that he had always been so in previous years and could not fail in these latter years. It is known that there is approximately from 15 to 18 feet of snow on the mountain at this time, and if George's prophecy is true, the Columbia river will continue to rise for two weeks, at least.

Since Indian George's prophecy that the Tabernacle Indian squaws' snow last year in Hood River came true old timers here contend that George is right, and that he is talking about this time.

BAKER AND GRANT TO LINE UP TODAY FOR RED CROSS CAMPAIGN

Henry L. Corbett Will Meet With Local Workers and Outline Details of Drive.

Baker, Or., June 9.—Baker's greatest Red Cross demonstration is scheduled for tomorrow, when at a mass meeting at the Tabernacle, Henry L. Corbett, state chairman of the Red Cross week committee, will formally open the local campaign to secure the \$20,000 share apportioned to the Baker district to raise. All churches will suspend evening services for the meeting and in the afternoon Mr. Corbett will meet local Red Cross chapter members and a committee of business and professional men in charge of the drive for funds in Baker and Grant counties.

The committee has tentatively fixed amounts to be assessed to each town and community in the two counties, but will not announce these figures for a few days. All Baker and Grant county auxiliaries have sent word of plans to cooperate in the movement. As one means of aiding the fund, a carnival will be held here July 3-4 in connection with the Fourth of July celebration.

Next Tuesday F. A. Freeman, H. H. Clutter and C. C. Chapman of Portland will be among the speakers at a mass meeting here to stimulate the sale of Liberty loan bonds.

Vancouver Plans to Observe Flag Day

Parade Will Be Big Feature and Everyone Is Requested to Carry a Flag; Lodges to Participate.

Vancouver, Wash., June 9.—Everyone is requested to carry a flag in the parade on Flag day, June 14. The parade will take place in the evening at 7:30, so that all who wish to show their patriotism will be able to do so. Military and fraternal organizations and civic bodies are going to join in doing honor to the one hundred fortieth anniversary of the birth of the flag.

The parade will form on East Tenth street and after marching down Main street and up Washington will disband in the park where patriotic exercises will be held. The flag day services which the Elks have held in their hall for the last few years will be held at that time. The exalted ruler and committee request Elks belonging to other orders to march with the other order.

Any one wishing to furnish a machine for the benefit of the G. A. R. and others is requested to notify William Shaw, the postmaster or Dr. James E. Rice. There will be no Rose Festival parade that night in Portland, and every citizen is asked to make the celebration here an event that will be remembered.

Olson, Ina V. Moore, M. Edeesa Nece, Bessie L. Hoopes, Manley K. Abbott and Lester E. Wellington.

A vacant American flag occupied the center of the group on commencement night. This was in honor of Lester E. Wellington, who recently joined the aviation corps.

Baker County Gets Part of Funds Due

Baker, Or., June 9.—County Treasurer Pearson today received \$10,034.23 from State Treasurer Kay to apply on the account of the timber receipts of Baker county's share of receipts from national forests in the county. This amount includes \$2,791.77 of \$13,224, refunded to the county by legislative acts, following efforts of the local commercial club to secure distribution under the federal instead of the state law. It is to be repaid annually in equal amounts until the amount of which the county has been "short changed" since 1905 is made up.

COMMERCIAL HEATING AND LIGHTING RATES IN PORTLAND REDUCED

Cut Ranges From 5 to 10 Per Cent by Order of the Commission.

REASONS ARE SET FORTH

Competition Held Responsible for Decrease in Electric Revenues During the Last Few Years.

Salem, Or., June 9.—Commercial lighting and heating in Portland has been reduced from 5 to 10 per cent by an order issued today by the Oregon public service commission. The order reduces the electric lighting, heating and power rates of the Portland and Gateway, Light & Power company and goes into effect on July 1, 1917.

The findings of the commission indicate that the company has not been receiving fair return upon the reasonable value of the property, the total value of which in Portland, Vancouver, and the Willamette valley is \$19,492,135.65, and it has not been possible to reduce the rates upon a revenue basis.

Competition Lowers Values Competition has lowered the value of the commercial lighting service by giving a lower rate than this company. The new rates desired to give the P. R. L. & P. company ultimately the greatest possible return by providing more energy at lower rates. This reduction will naturally result from the equality of rates for all companies which is approached under the new conditions.

The new rate eliminates discriminatory features involved in the stepped form of the old schedule, by which it was possible for consumers under certain conditions to get considerable energy without additional charge. The consumer under this rate will enjoy a reduction in his yearly bills of from 5 to 10 per cent while it is expected the company will get more customers and so extend its use.

The sharp decrease in electric revenues during the past few years," says the ruling, "and the probability, under the inequality of rates which has existed, of continuing reductions with consequent damage to the investors, has resulted primarily from competition.

Some Changes Unreasonable "In view of these existing conditions and other features surrounding the business of the respondent, including the practical and successful reduction of the value of service to the consumer by the competitor's lower rates, the commission found that the charges under investigation although not producing an excessive or even fair return on the investment, were in many respects unreasonable and not such as to ultimately produce the greatest return to the investors in the property. Under these findings rates for residence lighting and commercial power were ordered.

The commission now further finds that these conditions apply with equal force to the present commercial rates and that insofar as the present schedule differs from that hereinafter set forth, such rates are unreasonable. The following commercial lighting rates will reduce to a minimum the effect of the element hereinafter discussed, and under the particular conditions surrounding the business are just, reasonable and not unjustly discriminatory either in themselves or in comparison with other rates established for this utility.

Rates Meet Local Conditions "It must be borne in mind that the following schedule is designed to meet present local conditions and that the expression of has been introduced in

Graduation Under Way at Normal

Junior Prom Saturday Evening Started Festivities—Decorations Are Simplified for Sale of Liberty Bonds.

Monmouth, Or., June 9.—Commencement week exercises at the Oregon Normal school opened tonight, with the annual junior prom in the new gymnasium. The decorations were simplified and the programs were also plain as the class voted to take the money which is normally spent on these and purchase a \$100 Liberty bond.

Tomorrow morning the baccalaureate service will be held in the normal chapel, with the sermon by Rev. D. V. Poling of Dallas. The program is as follows: Prelude, "Canto Amoroso," Miss Catherine Gentle, hymn, "Doxology"; invocation, Rev. H. K. Siskowsky of Monmouth; anthem, "Dear Lord and Father of Mankind"; Oregon Normal school glee club; Scripture reading, "The Lord's Prayer"; "The Lord My Shepherd"; girls' quartet, sermon, Rev. D. V. Poling, of Dallas; anthem, "Gloria in Excelsis"; Normal school glee club; invocation, Rev. W. A. Wood of Monmouth.

Monday evening the senior class will present its annual class play, entitled "The Great Migration," under the direction of Misses Rosa R. Parrott, Jessica Todd and Laura Taylor of the normal faculty. The play will be given at the normal school amphitheatre, which is being constructed for the occasion.

The graduation exercises proper will be held in the normal chapel, with the address by Professor Norman Coleman of Reed college.

Commercial Light and Heat Rate

For lighting and heating purposes in stores, offices, warehouses, shops, hotels and all other commercial and industrial premises, including apartment houses supplied under separate contract, the new rates are as follows: First 1000 hours use per month of the consumers' demand will be at the primary rate.

All consumption in excess of that of the primary rate will be at the secondary rate. Primary rate—First 12 kilowatt hours or less, 51; next 67 kilowatt hours, 7 cents per kilowatt hour; next 100 kilowatt hours, 6 cents per kilowatt hour; next 72 kilowatt hours, 5 cents per kilowatt hour; excess over 500 kilowatt hours, 4 cents per kilowatt hour.

Secondary rate—First 600 kilowatt hours, 4 cents per kilowatt hour; next 1000 kilowatt hours, 2 cents per kilowatt hour; next 2000 kilowatt hours, 1 1/2 cents per kilowatt hour; excess over 3000 kilowatt hours, 1 cent per kilowatt hour.

Discounts Are Allowed A discount of 1 cent per kilowatt hour will be given on that portion of the consumption billed at 2 cents per kilowatt hour, which is in excess of total monthly consumption of 600 kilowatt hours.

Discount for prompt payment—Discount of 5 per cent will be given for payment within 10 days from the date of the bill. Minimum charge—One dollar per month per kilowatt of all lighting equipment and of all heating, cooking and power equipment in excess of two kilowatts of rated capacity.

No heating, cooking or power appliances will be considered in the determination of demand in the lighting rate, except insofar as it affects the minimum charge.

July 1, 1917, is a reasonable time within which to comply with the provisions of this order.

Motion pictures are being used to teach local conditions of agriculture to natives of India.

"A Word to the Wise is Enough"
Benjamin Franklin

AND when you're buying tires, cord or fabric, follow A Poor Richard's advice and say only the word "Firestone." This word is not only the name of a tire foremost in quality, it is the name of a man who is personally responsible for that quality, which means safety, comfort and mileage for you.

More and more you realize the value in a name, and more and more you understand Firestone leadership when you ride on Firestone super-size Cord Tires.

They combine luxurious, care-free riding with utmost efficiency and with that pre-eminent Firestone advantage, "Most Miles per Dollar."

Since the Firestone stock distribution plan went into effect you have 11,000 employees of the organization working as one to uphold quality and keep down cost.
