Williams and Wille Prove Embarrassing Pair for Ray Kremer, Who Blows Up.

FUN COMES IN BUNCHES

Double Steals Add to Pestivities of Occasion, While Portland Pitching Work Is Perfect.

San Francisco, June 21 .- (P. N. S.)-Williams & Co., representing the city of Portland, waxed fat in runs and much fatter in hits in the affray of Wednesday afternoon at Recreation

They won from the Oaks by a score of 7 to 3. The run-making got so mo-notonous that the attendance in the right field bleachers stretched out and took a nap, and his snores furnished a bit of diversion marking the occasion.

4 to 0 victory in the first game of the Slackers? Should Kremer Hit 17 Times

The Beavers managed to shock severely the young life of Ray Kremer, who got to the point where for the sake of safety he ducked every time he pitched the ball. The Beavers landed on it safely 17 times. The going was rough for Kremer from the very start, Kid Hollocher

Floyd Farmer struck out. Paddy stole second and with Williams on third Gus Fisher swatted a two bagger to the center pasture, whereupon K. Williams and Paddy reported home. Pinelli followed with a hit to center. Fisher took the first game of the series, 6 to tried to score. Lane threw home and 5. It was a slugging contest, with the ball bounded out of Roche's reach Baum and Erickson having a bit the and shot on to the booze cage. It better of it. and to wind up with, Ken Williams stepped up and slugged the ball against the right field fence. Two more runs were over the plate. Farmer and Siglin were infield outs. With Fisher out in the eighth, Pinelli singled to center, but was caught off first by a throw from Kremer. Then came singles by Houck, Hollocher and Rodgers, and Houck tallied, Rodgers being the third out on an attempted steal.

Kremer himself led off for the Oaks with a two bagger. Then came singles by Mensor and Middleton, Kremer scoring. Lee's infield out scored Mensor and put Middleton on third, and Ray Miller brought Roxey home with a safe smash to center. A boot by Rodgers put Lane on first, Murphy forced him at second and Miller and Murphy died on the sacks when Sheehan struck out. The score:

Lack of Hitting and Stupid Baserunning Cause of the Club's Decline.

By H. C. Hamilton New York, June 21 .- (U. P.) -The most serious slump of the season today has the Red Sox by the throat, ready to throttle the world's champion aggregation right out of striking distance f the White Sox. Since the Barry-piloted clan reached ome from a brilliant trip, it has lost

10 out of 15 games played, and in more games than should have been the case the Red hosed batters failed even to dent the plate. On the other hand, the White Sox have wandered to victory nine times in their 15 contests, two of the wins

being handed in at the expense of the

Carriganless champions.

Lack of hitting and a predominance of stupid baserunning has hurt the Red Sox. Usually a team that will play for one run and hold up under it better than any other team in the big leagues, the Red Sox are now apparently helpless without a margin of three or four runs. Irregularities have crept into their playing. The machine isn't getting along like it used to. The Bostonese got home on May 31 with a lead of 47 points holding them in first place. They're second now and started on a new tour. If they can't win at home, it's hard to figure them victorious in foreign fields.
