LOCAL GUN CLUB WILL DO ITS "BIT" FOR RED CROSS

Half Cent Upon All Targets Thrown Next Sunday for War Relief.

The Portland Gun club will do its bit for the Red Cross during the practice day of the thirty-third annual trapshooting tournament of the Sportsmen's Association of the Northwest, to be held next Sunday, Monday, Tuesday and Wednesday, on its traps at Everding park.

One half cent on all targets thrown on Sunday will be turned over to the American Amateur Trapshooters' association, which, through patriotic tournaments being staged by every gun club in America, hopes to raise $50,000 for the purchase of a complete ambulance unit, to be sent to France with the American troops, as a gift of the trapshooters of America. The name of every contributor will be inscribed on a parchment roll and placed in the ambulances and carried to the battle front. John Phillip Sousa is president of the American Amateur Trapshooters' association.

Trapshooters from British Columbia, Washington, Idaho, Montana, Utah, California and Oregon will participate in this tourney.

Rayburn High in Practice

Lou Rayburn of La Grande, Or., former holder of the state trapshooting championship, was high gun in the midweek practice on the Everding park traps of the Portland Gun club Wednesday afternoon. Rayburn cracked 94 out of 100 targets thrown for him. William A. Hillis, one of the oldest shooters in the state, scored 101 out of 125. Frank Templeton made a score of 117 out of 125.

MOLLA AND MAY LIKELY TO PLAY TENNIS IN CITY

Two Famous Women Would Assist in Raising Ambulance Unit.

Through its executive committee, the United States Lawn Tennis association is contemplating arranging a tour of the United States by Miss Molla Bjurstedt, the women's national singles tennis champion, and Mrs. May Sutton Bundy, ex-title holder, to raise money for the purchase of an ambulance unit for the American troops.

Walter A. Goss, northwest delegate to the U. S. L. T. A., has received a wire from George Adee, president of the parent tennis body, asking for a vote on the subject, and Goss immediately wired his approval.

In speaking of the matter, Goss said: "A match between Miss Bjurstedt and Mrs. Bundy would attract at least 5000 persons in Portland. Tennis enthusiasts all over the United States would welcome the opportunity to see these two great stars in action."

Play in the annual spring handicap tennis tournament of the Irvington Tennis club, scheduled to have been started last Saturday afternoon, will open next Saturday. This announcement was made Wednesday by Chairman Goss of the tennis committee. Entries will close Friday night. They can be made at the clubhouse or with Chairman Goss in room 418, Corbett building.

Word has been received from Spokane that the Spokane Central boys and girls' junior tennis championship tourney for this season has been cancelled. This will rob the Inland Empire of representation in tennis in the northwest tourney, to be staged under the auspices of the northwest district of the United States National Lawn Tennis association.

Seattle and Tacoma youngsters will vie with Portland boys for northwest titles and a chance to participate in the national tourney. Phil Neer and Paul Steffen of the Laurelhurst club were the winners of the boys' and junior titles of the Portland central tourney, respectively.

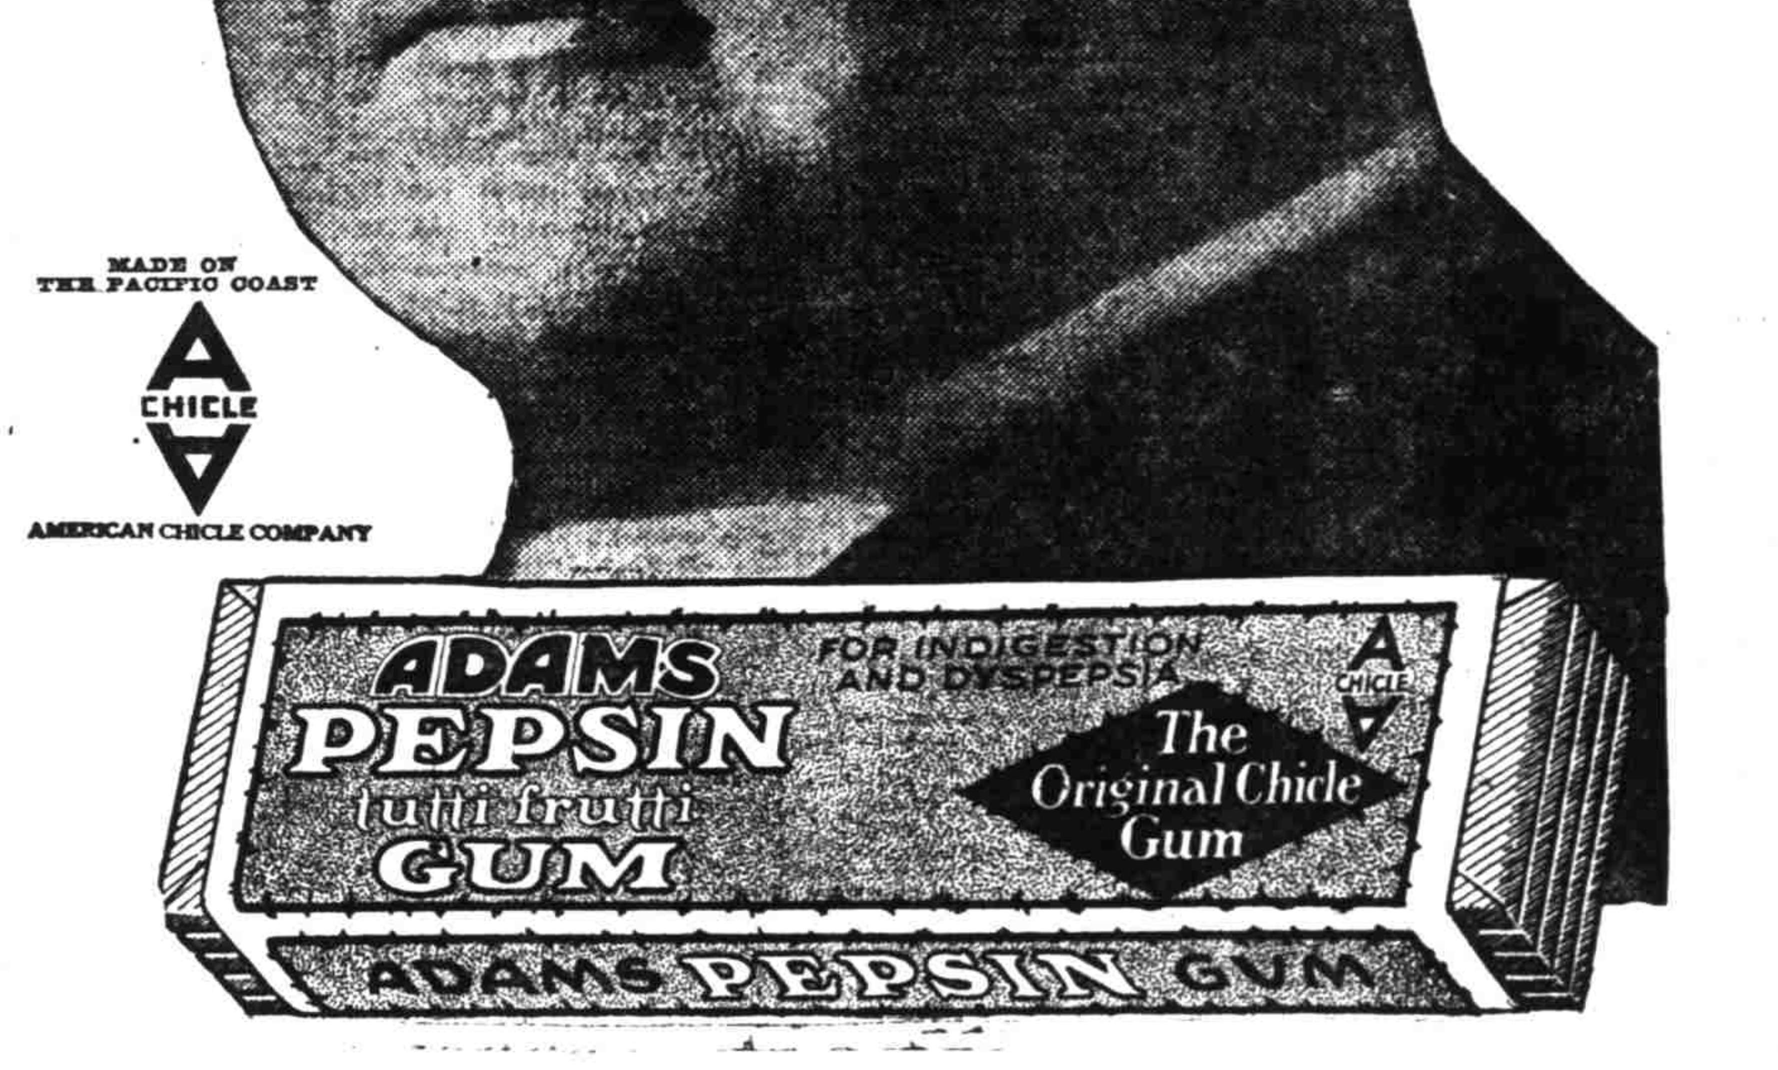
London Paper Gets Baseball Scores to Please Americans

New York, June 21.—(U. P.)—Baseball follows the American flag.

Proof appeared when the New York correspondent of a London newspaper received orders to cable daily the scores of all games in the National and American leagues and the scores of Canadian teams in the International league. So many Americans are now in England and more arriving daily that the British newspapers are trying to get special features to please them.



JOHN CORT, one of America's foremost theatrical managers, says: **"Adams Pepsin Chewing Gum impresses me as being an effective nerve steadier and brain quieter. I chew it regularly and derive real benefit from it."**
