WOMAN WITNESS OF MURDER SAYS TUENG LOOKS LIKE SLAYER

Prisoner Has Same General Build, Says Mrs. Etta Parrish on Witness Stand.

TONG KILLING DESCRIBED

City Physician Ziegler and H. C. Dietrich Only Two Other Witnesses Called by the State.

Mrs. Etta Parrish, an eye witness to the shooting of Joseph Gue, Chinese merchant, the evening of March 27, took the stand this morning in Circuit Judge Gatens' court during the trial of Wong Wen Tueng, charged with Gue's murder, and testified as to her recollection of all the events immediately leading up to and following the crime.

Mrs. Parrish, according to her testimony, was directly opposite the store at 250 Madison street in front of which the machine stood that Gue was occupying when shot. She was on her way over town, she said, and her first intimation of trouble was the sound of revolver shots, coming apparently from across the street.

Following the first two shots, Mrs. Parrish said, she looked across at the machine standing in front of the restaurant, and immediately after saw a man come from behind it, fire a half dozen more shots into it, and then run up the street.

Her description of the murderer was vague and her only identification of the prisoner, Tueng, in the court, as the possible man whom she had seen running up the street, was that he had the same general build. The light coat worn by the prisoner at the time of his arrest was produced and Mrs. Parrish stated that it seemed to be the same shade as the coat worn by the man she had seen do the shooting.

City Physician Fred Ziegler and H. C. Dietrich were the only other two witnesses called by the state this morning.

MANY HAVE FAULT TO FIND

Unhappy Couples Ask for or Are Given Divorces.

Don A. Cole, who says he was married on June 18, 1902, has filed suit for divorce from Ada Cole, who, he charges, has a jealous disposition. Beginning in 1910, when, he says, she wrongfully accused him of infidelity, he states that she has made a practice on every occasion of attributing false motives to all his actions.

Stella Stackhouse Felsman was happily married, according to the story she told Monday afternoon in Presiding Judge Kavanaugh's courtroom, until she purchased an automobile for her husband, Oswald Felsman.

Mrs. Felsman, who was suing for divorce, stated that she and her husband were married in January, 1914, at Ronan, Mont. A decree and the custody of her 14-months-old baby girl was awarded to her by the court.

Harold Nutt, said his wife Lola, suing for divorce, was continually informing her that a Canadian had no business marrying an American. They were married in 1915 and only lived together two months. Her decree was granted.

Every Wednesday and Saturday Joseph Woolley came to Portland and returned home drunk, asserted Alta Woolley, who said she was tired of the semi-weekly sprees and asked for a divorce.

John Amacher was another husband from whom his wife Mabel secured a divorce because of excessive drinking.

Throwing knives at her and kicking her was not unusual for Thorvald Christiansen, said Thora E. Christiansen, whose request for a divorce was also granted. In addition to alimony, her petition for the restoration of her maiden name, Thora E. Nelson, was granted.

Other divorces were given to Elsie Wade from Walter Wade, desertion; Myrta Gates from Earnest Gates, desertion; Anna Mayor from Edwin Mayor, cruelty; Myrtle Gifford from Ray Gifford, desertion; G. R. Smith from Mabel Smith, desertion.

TWO DIVORCE SUITS FILED

Inhuman Treatment and Unreasonably Low Allowance Are Charges.

A suit for divorce was filed this morning by Susan Dycke against Peter G. Dycke charging cruel and inhuman treatment. The two were married in Canada in 1900, and, according to the complaint, Dycke has compelled his wife to do most of the labor for the support of the family. She asks the custody of the four minor children and $50 a month.

Mamie Luchesi says that her husband, Fred Luchesi allowed only $5 a week for the support of himself, herself and two children, nothwithstanding the fact that he made over $18 a week. In addition she charges him with continual intoxication and asks for a divorce and $35 a month alimony.

CALF WINS $1500 FOR OWNER

Mrs. Minnie Young Is Innocent of Theft and Is Granted Verdict.

For months J. F. Hawkes, a wealthy rancher, had been lulled to sleep by the bawling of a calf which occupied a lot adjoining his place, placed there by its owner, Mrs. Minnie C. Young, with the understanding that its presence would be Hawkes' security for $35 which she had borrowed from him.

When he missed the familiar sound of his "security" one morning, Hawkes had Mrs. Young arrested on a charge of theft of the calf. Investigation proved that the collateral had sought pasture in another place and Mrs. Young sued the rancher for false arrest.

A jury in Circuit Judge Phelps' court gave the defendant $1500.

Goes for Prisoner

Deputy Constable Gloss left today for Astoria to secure George L. Morris, whose arrest there Thursday followed a two-months search for him by the district attorney's office, following the information charging non-support.

Corvallis Visiting Philomath Round-Up

Philomath, Or., June 21.—Corvallis must be a deserted village today, because most of its citizens are here attending the roundup. Special entertainment has been provided for them and they and other visitors in the city are making the best of it. The weather has been great and the roundup features are declared first class.

Visitors came from Corvallis this morning by train and automobile and it is expected that many more will arrive for the afternoon and evening performances.

Eugene Makes Khaki Cloth for Soldiers

Eugene, Or., June 21.—Khaki cloth for the soldiers of Uncle Sam's army is being manufactured in Eugene. The Eugene Woolen Mills company has an order for 25,000 yards of the cloth. Manager E. Koppe has promised the government to turn out 3000 yards of the material every month until the contract is finished. He says that the government agents with whom he contracted desired to place orders so that the mill would operate to its full capacity on this cloth alone, but as there are large orders ahead for other cloth and the steady customers of the mill must be accommodated, he was unable to handle any larger order than was taken.

Will Be Ordained Sunday

Bishop Sumner will present Rev. F. George Jennings, who will be ordained to the priesthood next Sunday. Archdeacon H. D. Chambers will preach the sermon.

It's Your Step That Attracts!

Says women pay too much heed to their face instead of their corns.

Watch your step! A brisk, lively step is what charms more than a lovely skin, but your high heels have caused corns and you limp a little. That's bad, girls, and you know it. Corns destroy beauty and grace, besides corns are very easy to remove.

Rid your feet of every corn by asking at the drug store for a quarter of an ounce of freezone. This will cost little but is sufficient to remove every hard or soft corn or callus from one's feet.

A few drops applied directly upon a tender, achy corn relieves the soreness and soon the entire corn, root and all, lifts right out without pain.

This freezone is a gummy substance which dries instantly and simply shrivels up the corn without inflaming or even irritating the surrounding skin.

Women must keep in mind that cornless feet create a youthful step which enhances her attractiveness.

Women! It's Cheap! Use Lemon Juice and Make Lotion

To keep your skin and complexion naturally soft, white and clear at all times, you simply must use a lotion or cream every day. But choose the one that is best and costs the least.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable beauty lotion at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so that no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, smoothener and beautifier.

Just try this lotion! Make up a quarter pint of this sweetly fragrant cream and massage it into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen and bring out the hidden roses and beauty of any skin.

Your druggist will sell three ounces of orchard white at little cost, and any grocer will supply the lemons.

Kathleen Lawler

Kathleen Lawler, soprano of New York and Paris, will greet her thousands of old-time friends and admirers upon her return to Portland next month, when she appears upon the music festival program July 7. Miss Lawler's art has ripened and developed since she was last heard in this, her home city. Miss Lawler's success abroad and throughout the east, and her repeated engegements for important events, bear testimony to the high position she has attained in her profession.

During this week only season tickets (one seat for three nights) will be sold. Next week the sale of single tickets will begin. For convenience, the sale is conducted at the store of Sherman, Clay & Co.

SALARY INCREASE PROPOSED

Daly Would Pay More to Employes Receiving Less Than $100.

An increase of 10 per cent in salaries of city employes receiving $100 a month or less is the plan of Will H. Daly, commissioner of public utilities, as presented to the city council.

Daly explained that owing to the increased cost of living many city employes with families receiving less than $100 a month were having difficulty in getting both ends to meet.

Mayor Albee said he thought the plan was a good one but Commissioner Bigelow secured the tabling of the resolution instructing the city attorney to prepare an ordinance providing for the increase, until it could be determined what the proposed increase would total.

Prize Money to Red Cross

The fire department band received $50 for its participation in the Rose Festival parade, but has turned it over to those collecting funds for the ..merican Red Cross. The members of the band were unanimous in presenting the money.

Swiss to Remain Neutral

Berne, June 21.—(I. N. S.)—President Schulthess of the Swiss Republic, declared today that the government knows nothing of the efforts of Dr. Arthur Hoffman, a Socialist member of the Federal Council, to arrange a separate peace between Germany and Russia. He added that Switzerland would continue to maintain absolute neutrality.

Alkali In Soap Bad For the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle and ruins it.

The best thing for steady use is just ordinary mulsified cocoanut oil (which is pure and greaseless), and is better than the most expensive soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulsified cocoanut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

COMMISSIONERS MUST PICK PRIVATE CLERKS FROM ELIGIBLE LIST

New Members of Council Find They Cannot Select Secretaries From Private Life.

MAYOR'S CLERK EXEMPT

Kellaher Had Intended to Name Peter McIntosh, But Learned of Charter Restriction.

The newly elected city commissioners, who propose to appoint their own private secretaries and chief clerks, are steering for deep water and stormy weather, according to the forecasters in the city hall today.

Several of the newly elected officials had planned to appoint men of their own selection from private life to places in the city's service, but it developed today that this could not be done without setting aside the city charter providing for civil service.

Eligible List Exists

All the present secretaries to the commissioners are under civil service, they having been required early in the administration to take the examinations, and an eligible list from which appointments must be made exists.

An eligible list from which chief clerks of departments and bureaus must be selected also exists.

Dan Kellaher, who is to be a member of the new commission, announced that he would appoint Peter McIntosh his private secretary, but at the time of his announcement, it is said, he was unaware of the charter restrictions. He may change his plans to conform to the charter requirements.

Mayor's Secretary Exempt

Others have made no announcement of their plans, but it is said that they had one or two men in mind for appointments to these positions.

Mayor Elect Baker will be the only newly elected official who will be unhampered in the appointment of a secretary. The charter specifically exempts the mayor's secretary from civil service restrictions.

Kay Files Answer To Sister's Suit

Salem, Or., June 21.—State Treasurer Kay today made answer to the complaint filed against him in the circuit court by his sister, Mrs. Fannie K. Bishop, adminstratrix of the estate of Ann Kay, their mother. Mrs. Bishop is suing Mr. Kay for an accounting of the property he handled for his mother prior to her death as her trustee. Mr. Kay sets forth in detail the distribution of the estate among the five children who comprise the heirs, and declares that the settlement of the estate was made after a firm of accountants employed by Mrs. Bishop had investigated the estate and submitted a report, which was accepted by all the heirs. The estate was valued at about $50,000.

High Water Crest Arrives Here Today

The crest of the 1917 high water is here.

At a stage of 23.7 feet the Willamette river came to a stand this morning and is expected to fall slowly for the next three days.

The crest was two tenths of a foot less than the crest of 1916, the top then being 23.9 feet.

The "good water" will probably remain for several weeks, as there is still considerable snow to come out of the mountains, but it is expected that the Willamette will be below 20 feet the rest of the summer.

Conservation League Open in Afternoons

The Patriotic Conservation league headquarters will be open during the summer months from 3 to 5 p. m. to accommodate all clubs or families wishing to assist in the conservation of food and at the same time get the benefit of a day's outing in the country. The berry season will open next week and all wishing to have a part in the plans provided by the league are asked to notify Mrs. R. D. Inman at headquarters, 436 Northwestern bank building.

COUNTY COURT NEWS

The county commissioners announce that the Derby street approach to the Interstate bridge will be closed until further notice for reconstruction which begins at once.

The district attorney's office has been requested to furnish information as to whether the repairing of the approaches to the city bridges should be handled by the county or the city.

The request of Dr. Harry McKay that the pay of the interpes in the county hospital be increased from $10 a month to $50 a month was granted. Dr. McKay said it was impossible to get internes any more for $10 as other hospitals paid as high as $100.

The question as to whether employes of the county should come under the workmen's compensation act was presented to the commissioners by W. A. Marshall of the industrial accident commission. He cited figures to prove that the county would save money in adopting the act over the present method of handling accident claims.
