France Insists on Alsace-Lorraine

Former Foreign Minister Cambon Says Germany is Worried Because of U. S. Entering War.

Paris, June 21.—(U. P.)—Germany is getting worried now about America's entrance into the war. Therefore she is redoubling her efforts toward a separate peace with any of the allies...

"Germany is fearful of America's strength," he declared today. "She is multiplying her efforts to scatter the germ of separation among the allies."

"Publication of the program of the Socialist majority's peace aims at Stockholm in the morning," he said. "The American public must know that the solution of this problem will give to posterity the knowledge of who has triumphed in the war."

AMERICAN DESTROYER SINKS SUBMARINE IN EUROPEAN WATERS

German-Born Sailor Sees Diver, Directs Attack Upon It With Complete Success.

Base of the American Torpedo Destroyer Flotilla, June 21.—(U. P.)—A German submarine was rammed by an American destroyer after a German-born sailor on the American craft had spied out the U-boat, according to the belief expressed by the crew of a certain American watchdog which returned to port today.

This is the first German submarine the word of whose sinking had been reported by the crews of the American patrol flotilla.

The destroyer was cruising through a calm sea. Directly ahead, the forward lookout sighted a periscope. The submarine to which it was attached at that time the destroyer was so close to the spot where the periscope had shown that its guns could not be depressed sufficiently to fire.
