

SACRIFICE SALE Clearance

A Sensational Clean Sweep

This giant sacrifice marks the great windup of a busy season's business and will be a revelation in bargaining. A clean sweep of Ladies' Ready-to-Wear—a clean sweep of broken and discontinued lines of Dry Goods—a clean sweep in many lines of Shoes (and they are the best in America)—a clean sweep in Men's Clothing—a clean sweep in all lines of Boys' Wear—a clean sweep in Men's Haberdashery—a clean sweep in Women's and Children's Underwear and Hosiery—a clean sweep in Corsets and Muslinwear. Everything in the store, with a few contract exceptions, will be reduced—and many lines which will be closed out altogether will not only be reduced, but actually slaughtered.

With unprecedented markets in evidence right now, with merchandise climbing sky high, we can truly say that this is an

Unparalleled Slaughter

The best markets in America are represented in this great Clearance Sale. That is why this sale is so wonderful. Many lines we cannot replace and are compelled to close them out in order that they do not conflict with the lines coming in.

An Overwhelming Disposal of MERCHANDISE— Absolutely Without Precedent

This will give you some conception of the immensity of this sale. Scores of thousands of dollars in American standard merchandise is at your disposal—

40,000 yards of dry goods.
10,000 garments of ladies' and children's Underwear, Hosiery, etc.

2500 Corsets and Muslin Underwear garments, etc.

1000 garments in the Ladies' Ready-to-Wear Department.

5000 Notion Articles.

15,000 Men's Shirts, Underwear, Hosiery, etc.

25,000 of other articles in desirable merchandise from thread to kid gloves will be offered on sale.

Price or present value will have no bearing on how deep we have driven the knife. These great bargains stand out—unchallenged, unbeaten and absolutely the most powerful bargains in the city or the entire country for that matter.

We will employ all the extra salespeople we can get.

Those with experience preferred. Apply TO THE SUPERINTENDENT. Every department will have its quota of extra help and we will see that everyone is waited on.
