Paris, July 28.—(U. P.)—The Sammies in France need all the good, wholesome reading matter the folks at home can send them, General Pershing declared today.

Soldiers Want New Matter

"It was almost valueless. The American soldiers, being intelligent, did not crave that sort of reading. What was wanted was something up to date."

LEGHORNS PRODUCE EGGS AT LOWER COST Contest Last Week All to the Leghorn

Get Away With First Ten Places in 37th Week of Laying Contest at Storrs.

Storrs, Conn., July 28.—Cool cloudy weather, seems to just suit the Leghorns, for they made another cleanup in the thirty-seventh week of the laying contest at Storrs. Windweep Farms, pen from Redding Ridge, Conn., were an easy first with a yield of 59 eggs.

Washington, July 28.—Leghorns produce eggs cheaper than hens of the general purpose breeds. Plymouth Rocks, Wyandottes, Rhode Island Reds and Orpingtons. This fact, which confirms the belief and experience of commercial poultry farmers, was one of the results obtained rather extensively in feeding tests recently reported by poultrymen of the United States department of agriculture.

Average Weight Two Ounces The Leghorns produce smaller eggs than the general purpose breeds. The average weight of the eggs of a pen of Leghorns was 1.42 ounces per dozen, as against 1.53 to 1.58 pounds for the other pens.
