### Engine Derailed as It Starts for Bridge

Striking an open switch just north of the east end of the Steel bridge, the engine of Soo-Spokane train No. 11, from Spokane and the East, left the tracks this morning at 8 o'clock. As a result the tracks leading from the bridge were tied up for over an hour until the locomotive and tender could be gotten on the rails again. The train was moving slowly at the time and was stopped before any of the cars left the

## BIDS ON SPRUCE FOR AIRPLANES ACCEPTED BY DEFENSE COUNCIL

Oregon Mills Will Be Paid on Basis of \$105 Per Thousand for Their Output.

BIG ORDERS TO BE PLACED

Detailed Specifications Prepared by Lumbermen Meet With Approval of the Government.

The price made by representatives of the spruce lumbermen of the northwest, of \$105 per thousand for airplane stock, has proven satisfactory to the advisory committee of the council of national defense, according to word received by The Journal from its Washington correspondent.

The bid named is said to be about one half the price that might be com manded in the competitive market The government has appropriated \$640,000,000 for airplane service in the war, and huge orders for supplies are expected to come to the coast out of this sum.

Specifications have already been preawait final sanction of the war department. The specifications follow Thickness—Two to 6 inches inclusive, at least 60 per cent to be 3 and 4 inches thick. Not more than 40 per cent 2 to 5 and 6 inches thick.
