That the steamer Kilburn left San Francisco, general cargo. Francisco at 10 a. m. Sunday for Portland was the word received today by H. H. Brancroft, local agent for the Emerald line. The Kilburn has been undergoing extensive repairs at San Francisco, and this will be her first ity 53. trip since July 10. She will arrive here sometime Wednesday. The steamer Brenkwater will next

be overhauled, but not for some time yet, as business at the present time is too heavy to spare her. She sailed from here on the return trip Sunday night, with a good list for way ports.

# Japanese Mission

A Pacific Port, Aug. 13 .- (U. P.)-Heavy fogs off the coast today delayed for several hours the arrival of the ship bearing the Japanese diplomatic war mission headed by Viscount Ishli, it was announced after 10 o'clock this morning. The mission will not arrive until this afternoon, instead of this morning, and plans for its entertainment have been delayed.

A series of elaborate entertainments has been planned for the mission during its stay here. On arrival they will be escorted by cavalry and infantry to the city hall for a public reception, the first formal affair of their visit. Tonight Japanese residents will entertain them at a banquet.
