## ANAPHYLAXIS, MALADY OF POLITICAL BRAND, GNAWS HEALTH BOARD

Diagnosticians See in Febrile Tendency Alarming Symptoms of Rival Serums.

### DR. HOLT STORM CENTER

Pending Meeting of Board, September 1, Belief From Situation Over Boberg Succession Is Unlikely.

Diagnosticians who have been feeling the pulse of the state board of health since its eruption of last week the high temperature of the patient is due primarily to anaphylaxis occasioned by the injection of two opposing polit ical serums in the body of the board at the same time. They believe the crisis will not be safely passed until after the quarterly meeting scheduled for September 1.

In the meantime Dr. Robert Holt is probability will continue to be until years. Sepembter 1, if not longer, for the very potent reason that Dr. A. C. Seely of Roseburg, one of Dr. Holt's sponsors, is president of the board, and therefore not likely to call a special meeting prior to that date.

### Roberg Succession at Issue

Altogether, the board seems to be in a very pretty little political tangle over the appointment of a successor to Dr. who has been called into the service of the man who ruined our fami'y. the hospital corps.

Dr. Holt, the bone of contention, was the choice of Drs. Andrew C. Smith of Portland, A. C. Seely of Roseburg, C Bacon of La Grande. In putting him temporarily into office they seem to have had the active assistance of Dr. Roberg, who is not a particular favorite of Drs. M. B. Marcellus R. J. Marsh or H. E. Clay of Salem, the other three members of the board.

Dr. Holt says he fell into the tangle without any effort on his part, but ican are at low ebb, it must be reckupon the suggestion of Dr. Roberg. Dr. oned with, Holt had been engaged in the organization of a hospital unit for service in posed of his hospital and private practice at La Grande. Feeling himself run down physically, he applied to Adjutant General White for two weeks' leave of absence that he might recuperate at the beach White Denies Leave

General White, according to Dr. Holt, refused to grant the leave, and Dr. Holt resigned his majorship. He intended later to enter the service as a captain in the medical corps, he says. and during the interim engaged in pri- quarters here. vate practice in Fortland, where he

lived prior to going to La Grande

Prior to this, however, Drs. Marcellus, Marsh and Clay, knowing that Dr. Roberg was to enter the federal service, had decided that, so far as they were concerned, they would cast their votes for Dr. E. P. Geary as the successor to Dr. Roberg. Dr. Roberg, by his suggestion, and the other three members of the board by their accentance of it, without notifying the three friends of Dr. Geary, spilled the beans all over the office. As the matter now stands, the board

though he has not yet resigned his the treatment of German subjects in membership on the board. Dr. Clay this country. has been ordered to report for army duty and has tendered his resignation to the governor. In the ordinary course of events it is probable that both restions not to comment on the peace proignations would be tendered and accepted so that the new members could qualify at the September meeting.

It looks as if Dr. Holt had the deal er's percentage in his favor; for, with the retirement of Dr. Clay, he will have a clear majority of the board without the vote of Dr. Roberg, who, under an old opinion of the attorney general, seemingly is entitled to cast the deciding vote in case of a tie.
