### Attorney General to Join in Water Case

Desert Land Board 'Jants State Represented in Chewaucan River Adjudication Appeal.

Salem, Or., Sept. 5.—Attorney General Brown was directed by the desert land board at a meeting held Tuesday afternoon, to appear in behalf of the state in connection with the appeal to the supreme court of the notorious. Chewaucan river adjudication case.

This action was taken by the board the nurses of extending protection. for the purpose of extending protection to the settlers on the Paisley Carey act irrigation project in Lake county and the Portland Irrigation company and Northwest Townsite company, which were building the project until a decree of Judge Bernard Daly in the circuit court for Lake county took all the water away from the project and gave it to the Chewaucan Land & Cat-How, October 17 to 19.

Elma Grays Harbor county, Separates of swamp land in that district, acres of swamp land in that district.

It is from this decision of the circular transfer of the circular cuft court that an appeal has been taken by the townsite company to the supreme court, and in connection with which the attorney general will appear in behalf of those who wish to have Judge Daly's decree reversed.

## \$11,929.63 Waiting Claimants in Banks

Deposits Unclaimed for Seven Years Are Reported to State Authorities for Seisure.

Salem, Or., Sept. 5.—In Oregon banks \$11,929,63 is lying around with nobody to claim it, according to the reports made to Secretary of State Ben W. Olcott. These unclaimed bank deposits were in the banks seven years before

were in the banks seven years before they were reported.

Secretary of State Olcott has certified the reports to the attorney general, whose duty it is to collect the amounts for the benefit of the state common school fund. The banks also have advertised the various deposits and it is probable that in many instances the depositors will be found. The bank having the largest unclaimed balance this year is the First National of Eugene, with \$1902.93 on hand. The next largest unclaimed balance is in the First National at Portland, with \$1,572.08, while the third is the Capital National of Salem, with \$1,022.59.

### Governor Will Help Ship Men Get Raise

State Executive Assures Local Read of Metal Trades That He Will Appeal to Washington.

Salem, Or., Sept. 5.—Joe Reed, head of the Metal Trades council of Portland, was here Tuesday afternoon and conferred with Governor Withycombe relative to afforts being made to ad-

relative to efforts being made to adjust the wage scale of metal workers engaged in ship construction.

Governor Withycombe said he told Reed he would use his influence to induce the federal shipping board to take hold of the matter and negotiate a settlement with the men as to

"There is nothing I can do in the matter," said the governor, "but Mr. Reed feels that since the government has commandeered the ships under construction, the federal shipping board should take up the wage question and settle it satisfactorily. I shall lend my influence to bringing this about."

Columbia Highway Will Be Closed to Traffic Sept. 10th

Hood River, Or., Sept. 5,—
It is understood that the Columbia river highway will be
closed on September 19 between
the Multnomah county line and
Cascade Locks, in order to permit grading.

Arrangements have been
made for moving the store and
dwelling houses in the Cascade
Locks that are in the line of
the survey made by the state
highway engineer.

Hood River county court
will probably take steps to
condemn a right-of-way through
orchard tracts on the east side
of Hood River for the highway
on the route leading over
Mosier hill.

gasoline pump was destroyed

of grooms and caretakers of livery stables. She asked her hearers what expression of patriotism they were willing to make.

Price became confused and ran his care to the pump, the engine setting fire to the gasoline and smashing the radiator and a wheel of the auto.

Price was not injured. Price declares a passing auto crowded him into the

# PLACER PROPERTIES

Logan Holdings, Near Waldo, Go to Northern Men, Who Promise Big Development.

Grants Pass, Or., Sept. 5.—The largest mining saie in Josephine county of recent years was closed Tuesday when a deed to the famous Logan placer property, situated two miles northwest of Waldo, passed from James Logan and his family to George M. Esterly, an Alaskan placer mine operator, and a group of Seattle associates.

The property has been a steady producer for many years. It was discovered in the early fifties when Jackson-ville was enjoying her boom. During recent years the property has been

The new owners announce that they will at once enlarge the water supply canal to an extent which will allow the washing of 10 times the material now handled, making the annual production half a million. The property is exceptionally easy of handling, having no cement and no large boulders.
