

ARRANGEMENTS FOR TRIAL OF I. W. W. ARE GOING AHEAD RAPIDLY

Conspiracy Is Charged in Each of Five Counts in Indictments.

CHARGES FILL 40 PAGES

Cases Will Be Called in Chicago, Probably in December—Conspiracy Is Charged.

New York, Oct. 5.—(I. N. S.)—Government officials are rapidly arranging for the trial of the I. W. W. defendants in Chicago, tentatively set for "some time in December."

Frank C. Dailey, assistant United States attorney general, who returned from Chicago to New York today, is busily engaged in final arrangements. The indictments are based on five counts.

The certified copies of the indictments fill 40 closely written pages. When condensed, the counts are simple, yet broad enough to cover all high crimes charged in the indictment.

The word "conspiracy" appears in each count. Each count goes into a mass of detail.

Conspiracy Charged in Each Count 1 charges conspiracy under section 4 of the criminal code—conspiracy to prevent the United States from executing its laws.

Count 2, drawn under section 19, charges conspiracy to interfere with the individual rights of citizens; for instance, the right of persons to provide the government with supplies for its army and navy.

Count 3, drawn under section 37, charges conspiracy to commit an offense against the government, the specific offense being violation of the conscription laws.

Count 4 charges conspiracy under the espionage act.

Count 5 charges conspiracy to defraud by the use of the United States mails.

The fifth count is what is known to government officials as the "sabotage count," and, in their opinion, is the most important.

Suborned Fight Anticipated No trouble is anticipated in gathering all the defendants together in Chicago, and it is explained that the "extradition" so much in discussion is merely a matter of an order for removal.

"There is a mass of detail to be cleared before we can set the date of the trial," said an official.

"We anticipate a stubborn fight. This matter has been under consideration for many months. It will take quite a while to examine the mass of evidence obtained in the raids, and then will follow the preparations for the prosecution."

Of the 156 persons under indictment, only about half that number has been apprehended. It is understood that persons prominent in I. W. W. and Socialist circles are yet to be arrested and that a few of these have their headquarters in New York city.

Have You Paid In Your Taxes? Today Is the Last Day

Today is the last day to pay taxes. Saturday, will find them delinquent and subject to a charge of 1 per cent per month. The tax office in the courthouse will be open until 9 o'clock this evening, however, to take care of late comers.

Three long lines of people strung out from the cashier's windows all day Thursday and today.

Taxpayers with statements already on hand and a bank account to back them up may mail checks today and will be safe from penalty, provided their letters bear a postmark of today.

Letters dropped into the mail box at 11:59 p. m. will not do. They must get into the post-office in time to be postmarked October 5.

The largest payment of taxes so far is that of the Spokane, Portland & Seattle Railway company which paid \$71,176.85. The Oregon Electric Railway company paid \$4158.95.

DIVORCED HUSBAND AT FOSSIL SHOTS DOWN OTHER MAN IN CASE

William Peters Slain by Henry Wilson Who Gives Himself Up to Sheriff.

Fossil, Or., Oct. 5.—Visiting the home of his divorced wife, Henry Wilson found William Peters there and shot him twice with a large calibre automatic revolver, Peters succumbing to the wounds in a few hours. Wilson walked to the sheriff's office and gave himself up.

All concerned are Fossil people. The Wilsons were divorced about one year ago, Wilson seeking the decree on the grounds of infidelity, Peters being the cause of the trouble.

Wilson rented a house for Mrs. Wilson, in which she was to live and take care of the two children during the school season.

Wilson went to see the children Wednesday night and found Peters there. He told Peters to get out. Refusing to do so, Wilson shot him.

Peters still there and the shooting followed.

It is understood the men are cousins.

He relieved Lieutenant Colonel Herman W. Scull, who is ordered to the office of the chief of ordnance for special duty.

OUT OF DATE DRESS, BEST SHE HAD, SENDS GIRL TO WET GRAVE

Hazel Pudoff, Slighted by Co-workers in Factory, Seeks Death in Willamette-River.

Hazel Pudoff, 15 years of age, whose body was found floating in the Willamette river at the foot of Sheridan street Thursday morning, committed suicide because she was abused at home and because she could not wear clothes as good as those of her girl associates at the biscuit factory where she worked. This is the opinion of Coroner Smith and Detectives La Salle and Pat Moloney, who have been conducting an investigation since the discovery of the body.

The girl was the daughter of Alex Pudoff of 609 Water street. Neighbors of the Pudoffs told the detectives Thursday that Hazel was mistreated at home, and that her parents frequently beat her with a broomstick.

Child's Movements Traced It is believed that the girl left home Friday evening with the intention of ending her life. It has been learned that her younger sister started from the house with her, for the two frequently attended the movies together, and that Hazel gruffly sent the child home.

The last person to see Hazel alive was William Berowsky, a neighbor 15 years of age. He says that he saw her in the theatre, took a seat beside her and spoke to her. She got up without speaking, he says, and left the place.

Shunned by Companions Mr. and Mrs. Pudoff, speaking through an interpreter, told the detectives that their daughter had cried all day Sunday because the other girls at the factory refused to have anything to do with her on account of the way she dressed. It is the belief of the parents that the girl took her own life.

An autopsy performed Thursday by Dr. A. O. Schmitt failed to reveal any signs of violence. She had not been attacked, and a scratch on her forehead was held to be of no significance.

Montana "Rookies" To Banquet Tonight

Tacoma, Wash., Oct. 5.—(U. P.)—The Anaconda, Mont., contingent at Camp Lewis, 101 strong, will lay off army fare this evening to enjoy a banquet at the Tacoma hotel as the guests of State Senator J. B. Gnosse of Montana.

Senator Gnosse, whose home town is Anaconda, arrived yesterday for the purpose of giving the contingent the "once over," he said. Out of his visit to the big army post was born the idea of entertaining the "whole ding busted bunch" at a "regular feed." Permission was obtained for the Montanans to be absent from camp for the occasion and everyone of them will be resplendent in a brand new khaki uniform.

The men will be brought into the city in automobiles and returned to camp in the same manner.
