Don't buy a phonograph on the spur of the moment. Take your time and look around. It means dollars to you. My terms are as low, my guarantee better and my service as good as you would get if you bought a new machine.

THE TALKING MACHINE MAN

YOU should buy a Brunswick phonograph—
Because its tone is more sweet and mellow.
Because it has an all wood sound box like a violin.
Because it plays Edison, Victor, Columbia, Pathe records.
Because the House of Brunswick is acknowledged to be the best cabinet makers in America.
Because the price is about one third less.
Easy terms. Free demonstration. Call and be convinced.
